

# To Be The Warrior

Is to be fully dedicated to the battle... Amen!

To fight against the dominion of satan and  
the kingdom of darkness you must  
be delivered out from under  
the force against which  
you are called to  
fight against.

The posture of a warrior is upright.  
The sight of a warrior is  
keen and sees in all directions  
and in many directions  
at the same time.

The Warrior In Christ is both defensive  
and offensive for in the defense  
is the offense revealed.

The Watchtower that is blind can protect  
no one and nothing misleading the  
innocent children further into  
the hands of the enemy  
and destruction.

The man that ministers forth as the warrior of the  
**High Things Of Heaven**  
cannot be two-sided enabling evil  
in his home while the child  
goes up in smoke.

A man of God cannot stand idly by waiting for  
The Lord to knock when the enemy is  
knocking down the doors  
and breaking in  
windows.

satan is a lion seeking to devour whom  
he may where he is allowed to  
bring in the cover of  
dark clouds !

The wise warrior knows that  
**The Line Is Drawn In Christ**

...he crosses not the line that separates  
the righteous In Christ from  
the wicked ones.

Battle lines drawn cannot be blurred sayeth  
**The Lord Who Commands  
The Armies Of Heaven**

waging war in The Spiritual Realm  
and we that war in the earth !!!

**The Army He Gathers** together is of one accord  
and they are as the three stranded cord.

**His Army** is made up of His followers that  
prepare themselves and the field  
of their hearts for the  
victory to come.

A Warrior of God cannot stumble and stammer  
while gripped in fear and disillusion.

Drunken of the flesh yields not a sobriety of  
The Spirit that is to rise above in  
full accountability under the  
wisdom bestowed.

We must take the authority granted In Christ !  
We must rise to the occasion as warriors.  
We must not fall from Grace to run.  
We must not diminish Favor by  
backsliding down the  
slippery slope.

Slippery is the slope of one's regression !!!

Deep are the graves of those that are  
left behind with souls unsettled  
for eternal damnation is  
the deepest fall.

An army of none engages in no battle.

An Army of One synchronizes.

An Army guided is aware,

An Army prepared.

With Favor comes the responsibility of being focused.

Focus must be forward **Unto Christ!**

Focus that is forward is sharp.

Focus that is lacking  
is as a dull blade  
in a battle filled  
with sharp swords.

In the field of battle the flesh blindly wields  
the dull sword aimlessly about  
while the enemy walks  
by for the kill.

**The Sword of Truth** is sharper than  
a two-edged sword that will  
not miss the mark.

Those That Follow The Leader In The Final battle  
know that they must closely follow behind

Jesus Christ

The Glorious King of Kings

That Rides Upon His White Horse !!!

The Warrior In Christ

is he that cups his hands to drink of  
The Living Water being of the  
few that God needs  
and calls !

The True Warrior In Christ

is not the lapper of water at the river edge  
that will not be counted !

He is of an army of the few that will engage  
a force greater in number and size  
and yet they will prevail.

Will *you* be as the one who laps the water  
like a dog at the river's edge
