Turn

The Other Cheek !

If I give you my right, will you ask for my left ?

I offer you both freely...strike me as you will !

For I know that every blow is not
against me; rather it is
aimed at Him !

Surely you know not what you do !

Surely your anger and rage are
not of my doing but of one
that is truly evil and
has deceived

You !

So shall I bear up my heart scarred
for the lashing you offer me
with the tongue that
is as a whip ?

I say to you " Yes" here it is !
The taste of your lash
is but a tickle
unto this
heart scared so !

Thick is the skin layered with the scars of a lifetime !
My scars are nothing, my suffering is minimal
In the sight of my witness of

Jesus

Christ of Nazareth

Who Endured a magnitude greater
than our pain combined,
all of our pain so
Combined !

He walked the gauntlet called Jerusalem;
He received the beggars welcome;
He walked the distance
Immeasurable;

un-imaginable was This !

Yet we complain at every turn as the Lamb spoke not;
Cried out not but once To His Father
“ Why hast Thou Forsaken Me. ”

So I say to you as a follower of Christ,
of Yah'shua “ have your way “
for you cannot re-play
my living hell lived
now stilled !

Let my battle cry be that “ I love you my brother “
“ I love you my sister “ for the Love of The Lord resides in my
heart humbled and at times faint !
*I will lay down my life for you
if Life Eternal is too to
be your reward !*

Fear me not as I am not dark;
Fear me not as I am not your enemy
I am but a small candle of
Light Lit!

*Blow not out my little flame
for it is the much I have
suffered but not
In Vain!*

So please know my fellow children of God
that he whosoever strikes another

Strikes His Son

Jesus Christ

Who Said “Forgive them for they know not what they do!”

Who Says “Love you one another as I love thee!”

Who Says “Offer them the other cheek!”

he who raises the hand to lash with the whip

Strikes His Son

Yah'shua

Who Suffered, Endured...

Overcoming On Our

Behalf!

When is Enough enough | ask...

Have we not struck

Enough

?

so | say
that
if

He Was Willing

to do this for you,

me

and every

one of

us

.

.

.

then | can do no less a measure for you than the
faith and hope given me |n Christ !

then | can endure and in the knowledge that

He Gives

me no more than

|

can

handle !

Amen...May you come to know The Love of The Lord as |...
as there is no sheep in His Care that is lost
forever as He |s Forevermore

The Good Shepherd!

Amen !
