

The Davidic Days And The Davidic Ways of The Tabernacle of The Lord...

The Lord is calling his people to return to the
Ancient, the Holy and the Ways Sacred ...

An Age that once was.

An Age that will not fall away.

An Age that is new and everlasting.

We that are His people find ourselves once
again captive to the world around us.

We find ourselves behind the
veil that must now be lifted between

us And Our Holy God of Israel.

The Lord will lift the veil that is over our eyes,
bringing release of we that are captives.

The Lord Is Our True High Priest Is
God to we that are Hebrews and to Gentiles.

He Is Our Bridge to a new place.

Yah, God The Father.

Yah'shua, The Son.

In They we are

to be One.

It is the Tabernacle of David the servant King
that The Lord Promised to Rebuild.

Who and how many know the

Sacred Ways

Of The Tabernacle,

The Tabernacle That Was

***With* The Holy God of Israel ?**

Who has built *This* Temple in this day ?

Who claims to be holy, Holy Enough ?

We have much to re-learn for the
Ancient of Ways of
The Ancient of Days
have been forgotten and lost
within God's people.

The Temple was torn down within a day.
The destruction of The Temple
began long before that in
His people that were
rebellious and
that acted
with a great
distain towards
Their Holy God Yah.

There is much that must be undone.
We have been given a Light and a Way.

**The Way Is The Lord,
The Way is Our Messiah.**

God's people... the Israelites tested
His Patience so many times
that time ran out on
His Grace towards them
that would repeatedly fall back into sin.

Even God's Elect called to lead were deceived,
they themselves erecting idols of false Gods.

Just as in the time of Moses God's people
lost sight of hope and the darkness grew.

Just as in the time of The Prophets
the people were given much by
their God and yet revolted.

So it is in our time now.

The Temple of The Lord was destroyed and
left in ruins just as the people trampled upon

The Sacredness of God

in their lives and in their ways.

The Lord Told me that the history of

The Word would be re-played

in the seven years before His return.

It is easy to see and to bear witness to this

and that it is true as we gaze out over

His Earth And His Creation

as we see what we see and He Sees All.

The world and our people are divided.

The world that was and is to be as

His Kingdom Is...

has been violated, raped and pillaged!

And who I ask has been doing these things?

We need not look far beyond a mirror
to see *who individually and collectively* have
done these things *cleverly hidden in plain sight*.

Where is Holiness and Sacredness in
the so-called God's people of today I ask?

Are they of the cloth that is of fine linen ?

Are they truly purified, sanctified and
consecrated in the ways that are Sacred I ask ?

I see great divisions and I see confusion.

I see that the confusion is in the many
that make claims of godliness while

not in agreement with their

brothers and sisters,

The Body of God's children.

And Who is rising up in defense of them ?

And Who is still laying low in the shadows ?

And Who is hiding away in plain sight ?

And Who Bears Witness and does
nothing but grieve in their own miseries
wallowing in self pity and sinking
in their own malaise ?

The God I know does not take this lightly.
Not as *lightly as man takes*
this false witness... I assure you !!!

You should know that bearing witness
to one's iniquities is to bear
a false witness of

The Gospel of Christ.

Jesus Does Not take this lightly !

The Son of The Father
Sees And Knows what man has done.

Oh my brothers and sisters *Open your eyes !*
...I say that *No one should take this lightly !!!*

Though they try to ignore and to hide the
much they have done to fragment
the believers, their brothers and their sisters

The Lord God of Israel

Has *Not Been* fooled!

Only those people that *as in the past did*
not have nor demonstrate today

A Fear of Consequence

Nor

A Fear of The Lord

act out defiantly in such ways !!!

So, I ask what makes us so worthy now !!!

...Any more worthy of God's blessings ?

...Any more worthy than the Israel of old ?

Some without fear would stand and claim that

In Christ it will be just fine...as though In Him
is justified man's sin and the ways of sin.

And to act out as though

His Blood Was Spilled

*so that we could just speak our way out of harm's
way and out of The Recompense Due.*

All With Debts Under The Law Will
Be Judged And Held To Account | Say!

For all that will not bow bearing up their debt will
fall under The Judgment That Is Written
that is Good and is Just according to

God The Father

*Who is not mocked by those
that break The Law.*

And who are the brazen, those that would say...

WE are no longer under The Law...

To HE That Came and Said

“ I come not to abolish The Law
but to uphold it ! “

And He that gave us The Prayer that says

“ Forgive us our debts as we
forgive our debtors. ”

If All debt has now been Absolved In Jesus
in the way that some contend, *then it would
back the notion that some people would
thus have the fast track to heaven
regardless of their conduct
assuring themselves
and comforting
themselves in the many
matters and things that are unholy...*
These are the ways of *the modern false temples.*

Anyone that knows Of God's Exactness And
Of God's Order and Detail regarding

His Holy And Sacred Places

would say that our assemblies and
so-called holy gatherings

Mirror Not Our Holy God's Will !!!

The True history of God's people that were
Called of The Lord is that they *did*
adhere very strictly to The Ways of

The High And Holy Place

who in reverent fear followed the
ways given them by

The High Priest In Heaven

through leaders Chosen Of Him.

And let us remember that the Levites
were held to account to follow
without deviation the

Ways Of The Lord

...and when they did not obey, they died!

This Was and Is The Holy God of Yesterday!

God's Eye is as that of a hawk upon
my countenance and my good conscience.

I am not allowed to deviate for I know
not the boundary between the
narrow path and the broad,
for it quickly becomes
blurred without
my most serious of
attention to and careful
consideration of His Ways.

So what I do not know I ask for... the perfect
knowledge and the understanding that
yields a light of wisdom within me.

I reach forth To The Lord's High Place and
I go forth In The Scriptures Guided In
Perfect Clarity By His Spirit !!!

I know that I cannot simply plead ignorance
in these times that have changed and
I am not one of those that will live
as though nothing has changed
and make merry in all things.

There is but **One Authority**
And One God.

The darkness of ignorance is not my bedfellow
and lies and deception are not the down
of my pillow of false comfort in lies.

The Lord Jesus Christ
Knew no comfort!

The Lord Jesus Christ
Did Not deceive Himself in false comfort!

I know no comfort outside The Truth,
It Is The Truth In Christ that sets me free.

It is The Lord Jesus Christ
that laid His Hands upon me, not man.

It is The Lord Jesus Christ
that has come to redeem me and my soul.

It is The Lord Jesus Christ
that came to set this captive free saying...
To Be Free In Me is to be free indeed!

It is The Lord Jesus Christ
The Head of The True Church And
The True High Priest
that has taught me, not man.

The Lord came in my time of need and
It was the time According to The Will of Yah.

...and thus I am not deceived by satan, his
kingdom of darkness nor by those that
follow blindly in his ways for
I have been given eyes to see and ears that hear
to know What Is The Good and Pleasing
Will of My Father and His Son
And His Holy Spirit
That Are In The Kingdom of Heaven.
I can make no excuses for myself before Him.
I cannot enter into the false comfort of collective
ignorance and mass deceptions that have
been propagated for way to long.
Which begs the question...
Who is deciding Who should lead,
on what basis, what premise and precept ?
Who is testing authority In Christ and according
To His Holy Ways And His Dictates
Set Forth In His Living Word.

To say that The Law is no longer applicable is
to say that God And His Dictates are
no longer applicable to us or as it

Is In His Kingdom of Heaven !

To pretend that everything is alright
is to run recklessly full speed ahead into
the mouth of the lion that devours.

I hear many utter the words...

He Is The Same Yesterday,

Today And Forevermore

while not knowing the wisdom of yesterday

and thus foolishly uttering A Truth

That Does Not live in them.

Wisdom is knowing what is true and what is not.

Foolishness does not no a difference.

The Lord Is The He That Is

The She That Is Wisdom...

When Man leaves Her side Man
divorces himself from Her,
thus he fornicates with
the things of the
earth and of
the world.

Is This Not *Adultery* and Under The Law ?

This begs the question...
Would it not be blasphemous
And could it not be considered *cursing*

The Holy Spirit

to imply that God has changed His Ways
to blend in better with those of
our modern society ?

*Can false practices and false ways that
are abominations be as a curse ?*

For if we do not bless God,

are we not cursing Him ?

Would it not also be sinful to change His Image
by those that bear not His Image ?

Is it not a sin to whitewash oneself in falsity ?

I say it is time that God's people wise upward,
by first bowing low and yielding the truth
of their lack of understanding and
their lack of knowledge and
thus their lack of wisdom
in a fashion that is repentant
challenging not His Truth that is according

To His High Dictates In
The Sight of The Living Word
That Is With God And
Of That Which Is Of God !

The Davidic Ways of The Tabernacle
Are Returning and Grace will not
cover spiritual abstinence in

The Days And Ways of
The Tabernacle Of David

must live within us and bear witness
of an Order of Servitude that is worthy of
The High Priest That Is unto
The High Order of Melchizedek
And Came As

Melchizedek To Abraham.

May His Order Reign and may He Reign
in the hearts of His people that

Will Bow in humility

Will Yield in reverence

Will Obey in fear

And Serve Only The True Voice that guides !

His Sheep Know His Voice !!!!

His Sheep have been lost

and His Sheep will

be found and

His Sheep

will Follow Their

True Shepherd again...

The Good Shepherd.

Oh lost sheep of Israel | say cry out !

He Will Hear Your Cry,

He Will Answer and Will Come !

He has asked that | call and that | gather.

Amen, Amen and Amen.
