At conception and
in the womb we
are spiritual,
One With God
Upon arrival we become divided!

g
u
t
t
e
r

We Come From One

Then we are divided...

The world then envelopes our existence...takes us into *it's* fold. That which we experience with our senses and flesh becomes our teacher. The world is the false teacher that brings forth a false light that yields the darkness of lies, deception and confusion. This further leads to fear, self-doubt and limitation. Faith, righteousness and knowledge of a different, destructive type is adopted...those of the world, not of Christ ! Beware of the false teachers and false prophets. There is a reason deeper than many can see. There are Pearls of Wisdom. The world is a grand deception, a theater of controversy! Our world is in constant battle. There is an opposing force...A dark presence cloaks the world with false perceptions. Realities are formed based on *Lies*. The presence encourages the erecting of walls within each individual that act as a barrier to Truth. The walls are built on the quicksand of deception. The walls keep us from connecting with our hearts and with the hearts of others. In the world the path is unclear, seemingly a mystery...In Christ, In Yah'shua the path is there for us to follow, the path is lit and clear when Led of The Holy Spirit !

The first step is to enable the individual to see. Truth opens your eyes widely. Sight opens a door to deeper understanding thus breaking through the many barriers. Truth is a battering ram that must shake the wall, weaken it and ultimately break through...Deeper yet lies a trilogy of Truth: Wisdom, Knowledge and Truth. There is a constant internal battle between Good and evil. The key is to align with The Good of God...*not the self-perceived doing of good!* I searched for The Good in books, programs, meetings and philosophies. It was not to be found in the books on the self...what I was looking for found me when I was ready.

Many medical, psychiatric, scientific, technological, communications, media, religious and other communities influence our beliefs. Alcoholism is a disease, a mental illness is to be treated chemically, *technology* is our savior and the media feeds society with that which

will sell, earning them profits based on feeding society what it has come to crave...any cure even if it is of deception, lies and sin! A docile society allows their control to slowly slip away one sound byte, one show at a time! Before too long we find that our time has been sold to the highest bidder at the greatest of price...erosion and degradation of our individual and collective values...Erosion of all Godly Principles...picking those that are doable and casting the others aside. The Good is exchanged for the goods of the world, forsaking the erosion while shirking the responsibility. Where has accountability gone ? Then we wonder why the sun has left and we are left with the storm...Why The Son, The Light has departed and we are left with the darkness of the storms of our iniquities..Why The Abundant Spiritual Harvest of The Holy Spirit is diminished while the material harvest continues to yield a fleshly return for living a carnal life...teaching that comfort is the ultimate reward! And why we should not be surprised that by living a life in the center of the darkness *does not earn us a seat* at The Table of The Lord, *does not earn us* Salvation or a seat assured in The Kingdom of Heaven!

If God does not desire or enable our iniquity and does not reward living a life lived outside His Instructions and Commands, then we must seriously ponder where the material reward comes from when it is not truly deserved according to our conduct. We are told not to be jealous of others...perhaps one reason for this is that their gain is ill gotten and compares not to the True Riches of Heaven bestowed by God unto His truly faithful followers. This would then beg the question...Who actually rewards darkness, evil and sin ?...why satan of course !...for those that unknowingly follow him in their false lives lived strangely too often meets with success...then man believes the material, carnal flesh success is the reward and seeks *it* rather than The Lord and His Kingdom first ! Remember that it is the wanton that crave adulterously that end up on the outside looking in at The Lord and His people before their final departure to their eternal place of unrest and misery!

What if when sinners pray to God because they *want* more of the wrong thing God actually Says to satan “give them what they want.” “The light has departed from them, May they reap what they have

sown...If they favor a false kingdom of flesh over My Kingdom, then let them be servants unto the false master they serve! “They prefer kingdoms and leaders of the flesh that they can see over Me, Their God, And My Kingdom ! “

Many organized religions are based on man’s alteration of the intent of The Word. Let us not call a man “ The Holy Father. ” Men that others run to for direction and answers as though God chose one person other than The Son Jesus Christ AS HEAD OF THE CHURCH! The best that we can be is Fatherly and the highest place should be the humblest, lowest place. Man’s ordained are not always of Father God’s Choosing, rather they choose their leaders themselves. Is this to say that man’s church cannot repent and redeem itself in The Sight of God to become A Church of Christ’s True Spiritual Body...of course it can...*but will it ?* When we see flocks in different pastures that are not all green and that are not all connected together then we see A Body separated. Man’s highly structured organizations that have and continue to believe that *they* can withhold The Truth “in the best interest of man ” or decide what is best to feed God’s children is taking a great liberty that does not lead the children back to their Father! These notions are lies, a misdirection and foster a false reality. These organizations serve *too often* the power and ego of man. There is but One Holy Father and He Is God. Man cannot be just or trusted to act in the best interest of mankind without being truly Led of The Holy Spirit...too often sinful behavior is justified In Christ claiming to Serve Him...Father God, Jesus And The Holy Spirit Are Not The Authors of confusion, sin and iniquity, Nor Do They condone it. Let each man, woman and child be Led of The Spirit And The Light of The Lampstand as to what is *truly* right and wrong. May we stop being enablers of iniquity while claiming ignorance. Ignorance is chosen and self inflicted while The Word of God is there for each of us to guide us in a New Life That Is Truly A Reflection Of It’s Author, His Spirit And His Son Jesus, Yah’shua. Only God can be trusted and truly Is Just. God Offers A Complete Freedom In Christ, In Yah’shua. Man guides man into acceptance of Christ while he has shackled man from The Full Freedom therein by not covering the ground of Wisdom that is the basis for informed choice in the knowledge of consequences. It

is not about religion, a code of ethics, nor a series of rituals. The True Gospel is so often drowned by an over sensitivity focused on sin consciousness and the wrong fear...thus the swimmer drowns in the sea of wayward confusion. Is it not about love, faith and trust In God ? Is it not about establishing a relationship with Him ? Where is the discipling, Where are the True Teachers that live The Life Promised, modeling The True Christ in all their ways I ask ? Man has become a creature of comfort in lieu of being of His Creation and living a life kept in The Comfort of The Comforter !

The selling of one's soul is indeed a most serious matter ! In who's hands have we left the most precious things ? We ought all ponder what we take for granted in exchange for how things really work according to The Kingdom of Heaven...including myself that must check in on a moment by moment and a daily basis!

We must keep ourselves and others that truly seek to follow The Lord in check, checking in with He That Is The True Authority Over His Word! He Is The Word Spoken And The Word That Is Heard in the deep place of our hearts. The Word That Can Be Written upon our hearts and dwell within our hearts but not without The Holy Spirit From Which It Comes...Amen!

We also cannot let pride of our knowledge blind us quickly into a worthless heap of head knowledge that fosters death and a decline into the recline of comfort!!!

That The
True Freedom Is In
Christ Jesus, In
Yah'shua

!

The ways of distraction and fear, the many false expectations appearing real and yet are not destroy the earth and God's children,

The Truth And Light

is abandoned, thus we become buried in the darkness of the void left !!!

The solution is simple, it lies outside the box. The box is the world and The Spirit is not containable, is free and ever expansive as The Lord God who created the universe with the eternal depth of it's content. The box is your mind... a trap, a prison. The only person that stands in your way is you...Why try to place a perfect thing of beauty into the darkness of containment? The Spirit of God is beyond our imagination and is a space immeasurable...such a Light cannot be restrained in the confines of man's world and reality. With the right knowledge and the proper guidance In Christ, In Yah'shua The Light will enter the confines of the separated cells of darkness we are trapped in...We then emerge into The True Light together becoming one as we individually become one with Our Creator through The Son...May The Light of The Son and His Lampstand shine upon you my brothers and sisters! May we be the children once lost forever found ! May The Rope of The Holy Spirit, Ruach Kadosh encircle us, taking us captive in The Freedom of The Son, The Father And His Spirit...Amen!

The intellect has a way of making your head spin. The intellect teaches you that *anything* can be true and thus A Firm Foundation Of Righteous Knowledge In Christ is blocked. God Is Simple. His Wisdom Is Simple. Our world complicates all things. We so often in history see that the truth today is replaced with *a new truth* tomorrow. The beauty of The Truth of God Is that It Is Timeless for He Is The Ancient of Days, The bush burns today seeking a listener as it did then! His Wisdom is in the form of Pearls of Wisdom that cannot be jaded or diminished. Be the pearl that is worn away and polished into a perfect luster...Become as the silver that is untarnished. Having faith that God has a plan and path for you In His Son is both vital and crucial.

Faith is a difficult concept in this world we live in. Have Faith in something you cannot see ? If you cannot see and have faith in the small things, then you cannot see that God is in the most minute of details. The listening observer that hears will know and feel the confirmation of The Spirit of The Lord that is all around us. Faith comes through seeing A Light Offered us in the shadows. Truth is obstructed and walled over by our experiences in life that send us into the box. We come into this world One with The pure Light of God's Spirit. This is where we must return to. As we venture back our flesh and mind feel pain...then many mixed signals enter in. The heart is in denial while the mind is given free reign that it does not easily give up...it's false sense of control refuses to make way for The Greater Will. Truth becomes twisted, something to be feared through the innumerable attacks on our faith...attacks come in many forms intending to weaken our Hope In Christ, In Yah'shua. The mind itself wants to continue being a self protective defense mechanism, thus blocking us from a deep reliance and a full measure of faith applied unto The Lord Our God. False paradoxes ensue...I want to change but my mind says no. Complexity replaces Simplicity. Perceived reality blinds us. The blind man's reality is falsely perceived. If turmoil, pain and sin are to be our consciousness, then it is no wonder that we run and hide within ! We can become ruled by guilt, fear and unworthiness manifesting in deep rooted lies, deception, defensiveness and selfishness. Look around you and listen. Be self aware hearing what you say and seeing what you do... Listen to *your* words ! If someone says something that you react to defensively, what part of that reaction have you looked at. Look at other's actions and words as a mirror reflecting a part of *yourself*. If everyone is mirroring and no one is aware of this Truth, is it any wonder that it is hard to connect with others, with oneself and most importantly with God Himself ? Realize that we project our great weakness, our deepest fears and our doubt towards God. We learn in the world that if we trust in others, open ourselves up vulnerably, that we become hurt in so many ways seen and unseen. If we expect from others then we are so often disappointed. We cannot project this toward God As He Is Loving, He Never Disappoints and Is A God in which we can have Great Expectations...Amen!

See how others act as a mirror upon which
your opinion of yourself is formed.

Be aware of your triggers
(Thoughts, emotions and desires)
and how they manifest in anger, rage, sadness
and many other emotions!

Our hearts become trapped in the bad weather
of our past as we are passed by and
as we pass by life empty.

We carry an umbrella of self protection to
protect us from more bad weather
for surely we expect
a storm!

The umbrella that we open and place over us
actually shields us from the rain of
blessings that fall from
heaven above
us.

Dark and lonely is the shade of our
deep despair and distrust!

Dark are the shades of the palette of the world
that paints darkness driving us into a
the corner with no apparent
or clear way
out.

The only way out of the corner is up!
The only way out is The Lord!

Odd how happiness can be measured by how
others respond to you, judge you !

When others paint their picture of you it
surely does not reflect the true
person the true picture
of who you
are.

If your life were a canvass, then there should be
one canvass that reflects one life lived.

Why is it that we can continue to live while
painting life in so many different
ways that would lead to
two distinct lives
framed
?

One painting that is painted for the public
is painted with the desired colors
that the critic would
accept

.
.
.

While there is another painting canvassed
that is only for private viewing
and not suitable for
other eyes!

It is the many dishonest painters that make for the
false gallery filled with deceptions
and the sins well hidden !

The emotions that hide in the dark and of darkness
are not pleasant colors when brushed
unto a canvass that is pure
and white in it's
beginning.

As a child is pure, perfect and of light
so should the canvass remain!

Yet defiled is the innocent child that finds
violation at every street corner and
within the home that is found
in the earthly realm.

Sweet is The Realm That Is Above the child
and all around the precious child just
like a mother's embrace !

May we In Christ become as living vivid
colors on His Canvas, shining
forth His Light!

You invite us to
Your Easel Of Eternal Life!!!
We arrive as a dim picture
and you can transform
us back into a thing
of great beauty!

Perfect is The Canvass of The Lord Creator.
Perfect Is The Brush of The Lord.
Perfect Is The Painting.
Perfect Is The

Now put a real mirror in

This is called honest introspection... looking deeply at
all of your triggers of fear, unworthiness, and all
other lies that reside within your heart...

That Is Not So Pretty

The eyes are indeed the gateway
to the heart and the soul !

I thank God that what He saw in my mirror was
not the same as the ugly child I saw!

Ever notice how difficult eye contact can be
when walking through the world,
few are the eyes that
smile !

This mirror also can show you all the manifestations of your
own will at work that is learned from the world,
guided by a desire to conform
to the world !

How do you see yourself ?
Does what you see
make you
happy
?

VI

Feels like persecution and something to run from !
We do not have to look to the outside for the
persecution, the slander..just look
at what we do to ourselves
within our secret
lives lived!

Now you can clearly see your will, identify it and
take it captive To Christ And His Gospel.

It is your heart that reflects
who you truly are !

You are not what you
think, feel and
desire.

“ Good can appear evil and evil

The blind sheep knows not

Unprotected And Unguided
The Sheep Will Perish !

If you can see this,
 is it not a very common,
natural feeling in the world...
 one of I do *not* deserve
 or I am *not* worthy

Of Good Things?

There will be a point where you want to give up. There has to be something more to my life than this! It takes a commitment to desiring Truth to begin to see through the darkness. It takes saying “ Enough Is Enough ! “

As The Light of The Lord enters your heart, you *will* awaken. Tune in. A feeling of internal shredding comes forth. It is much like a coarse piece of sandpaper rubbing against your insides. The internal battle between our individual perceived reality and His Truth takes hold. In this time of great turmoil, confusion and pain a greater desire is born. This pure desire of your heart to break free opens a door to a new beginning. A birthing is taking place. Birth is painful and patience (longsuffering) is the essential. God Will Show Himself to you when you reach this point. God can present Himself in many ways. Once The Presence is recognized you will *never be the same*. Once you depart from the old path you know you would be insane to want to return to it. This is the time of lessons. A time to walk forth in a New Light, to live a New Life. You have A New Father Who has been there the whole time. He Will Love you, Never Abandon you, but do expect Him to Discipline you. Come to know His Rod and Staff as your comfort for God Rebukes And Brings The Rod of Correction to those He Loves...Amen! We are children of The Father... sons and daughters living as brothers and sisters In Christ, Of One Family. Love God, Love Jesus, Love your brothers and sisters. It is critical that we begin to discern between what is a message (Spirit-God) and a thought (mind-flesh) at this

point and on an ongoing basis...this is known as discernment... Discernment comes Through The Holy Spirit Who's Eyes see deeper to reveal the things that the eyes of the flesh cannot see... the flesh merely sees the surface of things and not what is truly lurking underneath...that which comes from the underneath. Evil is indeed a real presence and all around us...But The Lord's Light is to be your armor ! There is no silver lining in the earth there is only the satin lining of a casket waiting your arrival. The True Cloth is the white linen of a wedding gown cleansed and purified By The Blood of Christ, The Blood Shed That Is Spiritual. What was once the blood of sacrifice and of animals brushed upon the door entrance to protect is now The Spiritual Blood of The Son...As It Was foreshadowed in The Old Testament and completed In Christ in The New Testament! Now The Full Completion In Christ, In Yah'shua is at hand In This Revelation Age and into The Everlasting Age
Of The Kingdom That Cometh...
Amen, Amen and Amen!

Develop your hearing---Listening through the heart.
It requires that we say " Mind be still. " in order to know the " Be still and know that I Am God " as a new living reality.

Settle for nothing less and the less
shall become *nothing!*

The fire of the world is false and false are the ashes
disguised as a false fire that consumes when
the consumed is the false fire...Amen!

The mind is filled with battles and many storms...If there is a mountain of rubble in your way then may the faith of your mustard seed move that mountain. Be not as debris by the side of the road... be the whole that walks in the center of the thoroughfare. Be not the fish that lies upon the shore gasping for air...be the good catch in The Net of The Fisherman Of Souls...and be not the drowning man next to the boat that travels in the center of the stream...be the passenger in The Boat of Salvation With The Lord At The Helm...Amen !

It is about faith being put into *Action !!!*

True Faith is not a noun it is an action verb.

It is about learning to listen to The Word of God which comes in the form of your own words, words of others and direct words to you from God. You must also begin to open yourself to The Lord to be led on your path In Christ, In Yah'shua. Once you have seen this His Direction for you and have learned the lessons from The Rabbi, The Teacher you can truly begin to move more freely. You are already free In Christ before He Meets you...But it Is He That Leads you into the *full* measure. I say do fall not short of the mark...Go the *whole* distance...run the *whole* race...Amen! . We are all granted a measure of faith sufficient if raised up to the challenges we face and the work given us of The Lord. The faith in committing to remain and to live truly for The Lord, being in the moment every moment of His Eternal Presence will guide you in your ways through your purpose revealed. Our common purpose is to raise The Lord above ourselves and to know that His Will Be Done comes through our bowing, yielding, obeying and thus the serving of His True And Heard Will. His Will Is in the details, revealed to each of us called personally that then come together as a Body In And of Jesus Christ, of Yah'shua. Taking time to be present, detached from the flesh past and the false flesh expectations of the future yields hope. Hope is to be found *Now* In Christ...The Highest Candle of The Lampstand, The Center Candle of The Lampstand Is Of The Servant of All Who Is The Lighter of our candles as His servant's candle that burns with A Flame that cannot be blown out...He Who Lights the candle lights up the whole of the heart...Amen! May The Light That Lights Reside with you in your heart...may *your* hearts be as One, may *our* hearts be as One...Amen! The heart gathered is the heart found. The most highly rewarding time is that which you spend alone with God. In your journey for The Lord is a purpose greater than yourself. Do not own your purpose, It Is God's Purpose for you. Do not run ahead of God by not listening. Be Still and Hear I say ! Take time to ponder what is wise for choices are many and the choice is each step along His Path or into the broad one. You will know what The Lord Your God Wants of you through your heart...what to do and

how...and equally important what *not to do* ! The partial doer is not the complete doer of The Will of God ! It is not for us to know when and where trusting in God Who Knows His Will... to move you when the time is right. Too often we see believers blindly running all over the place trying to do good while leaving the distaste of error in their wake. Be ye exact to The Scriptures in your ways that say prepare not for The Holy Spirit already Knows what to do and what to say!

This is to lead a *Holy Spirit Led Life!!!*

You must listen. See how the world changes around you when you listen. Notice how others change around you. Do not expect all others to embrace the change within you. Expectations will disappoint you seeking to drive you back towards the place you came from...relentless is the devil seeking to devour whom he may as the unknowing pray falls prey to the predator that lurks in the shadows...relentless is he in his pursuit and pursuits...

Darkness and temptation are there to distract us...to divide us from Our Lord and God. See your old patterns for what they are and have faith that The Light of His Truth And Love will keep you free from the slavery around you. Above all be patient as deliverance is not just a matter of words spoken, but a life changed and a new life born and walked out! The length of our valley of death knows only The Lord Our God Who Delivers us a full distance...Amen!

You will be surprised with how many others in the world feel as you do. You never were, are not now nor in the future will you ever be alone. He Has Always Been, Is and Forevermore Will Be with you. ...Be ye set apart and be For Him ! Recognize the great needs for your love all around you. If you are afraid, ask God for help. If you are weak, ask God for His Strength in your weakness. Remember that it is our admitted weakness and need for Him that is His Strength...Enter the place where you will find His Strength That Is Greater than the whole of your fears and weakness. Let not doubt creep in through the door of your faith left open but a crack...

remember that if you give satan an inch he will take a mile...if you give him a mile he *may* take the whole road out from under you.

Remain steadfast in your faith and decide that which *may* enter your dwelling and that which *may not* ! If you are out of control, ask God for *His Control* over your life. Pray “less of me and More Of You” every day in order that *His Will Be Done!* See Father God as proactive and not as merely reactive in your times of desperation.

Desperation clouds the heart and the hearing. Act not out of desperation for transgression is but a footstep away ! Misdirection and wrong doors open quickly to the desperate ones !

Trust is the clear sky within which a spirit can soar. You have the power through your belief and faith to change anything Through Christ and In Christ. It does not matter if you have a speck of faith or a mountain of faith. Even when you feel no faith you will not be denied...He Will Not Deny those that deny Him not. There is a key to this kind of faith...giving your measure to The Lord to perfect it. Faith is only perfected when given in full measure to The Giver thereof...He That Is The Perfecter of our faith !!!

 it all, embrace one another and be ye embraced By Our Lord !

There are promises and rewards In Christ
 for those that seek to live *A New Life In Him!*

To create a True United Nations in the earth it will take awareness
 of the Spiritual Awakening taking place Now. Feel the acceleration
 taking place NOW. Unity In His Truth will move the masses to
 affect a true change in the leadership of nations through the bowing
 all wills from the bottom to the top To The Holy God of Israel !!!!
 Many suffer a loss of identification with the leaders of their nations
 because of their witness of the evil and self serving ways. Blindness
 would have us believe that we have no control over government.
 The ignorance, complacency, and acceptance of what is wrong in
 government leads to social decay, tainted morality and a people
 dependent upon government to take care of them. Herein lies the
 weakness that lulls us to sleep. Generations have been taught that I
 have to compete, I have to fend for myself. Materialist and kapitalist

values breed false realities. True Wisdom sees this, does not sit still and acts first to divorce oneself *from it*, seeking In Christ to be freed of the shackles, the bondage. Vested interests with self-serving motives deny positive change. Money rules...the more money you have the freer you are. In reality this represents a deep hole, leaving us with nothingness, devoid of peace, love, compassion and grace. Drivers include greed, hatred, “win at any cost”, control and fear. Drivers are rewarded by material or ego gains (power)... thus many are lost and do not even recognize what has taken place or is happening. Before you know it you have bowed fully and surrendered to the wrong power. Appreciation, gratitude and a new Lord and Kingdom Consciousness can be quickly lost in the fray of the wedding gown offered...she that becomes a bride of the world is the she and he that sleep in the same bed as Jezebel !

We believe and know that Perfect Government can only come by way of The Lord Who Is Above all governments and lands. There is but One Leader and He is with and for us...He can be in every one of us. If we evict the rulership of the world from the throne within our hearts, there is then a place for The King of Kings and The Lord of Lords To Take His Throne ! In so we become Ruled from within and Above...Amen! He Who Is In All Things Controls All Things. He Is The Structure, The House Built That Is Greater than those built of mere sticks and stones. The Kingdom can be within every one of us and is surely all around us. We have been blind, but the veil is being lifted. Remember that blindness and insufficiency can only be lifted by The Hand And The Spirit of The Lord Our God!

There will be Unity Under Perfect Government In Christ, In The Light of His Supremacy in the time to come that is near. All that does not bow to The True Sovereign King will bow or it will fall to the ground and wither away!

There will be a great gathering of God’s children, of His people. The four corners of the world will be joined together. The individual nations must heal within while uniting In Christ and welcoming all to the joy and celebration to come Under His Rule. But first there will be a great trembling in the earth As It Is Written ! Faith,

Steadfastness and Perseverance will be tested ! No one has earned a free pass...We are to pass through the darkness, the valley being Led Of The Lord Our God into The New Beginning...Amen !

True Equality and Freedom *Will Come...*

It is already here just beneath the surface...*Look And Listen !*

There will be Nations Under God, Indivisible With True Liberty (True Freedom) and A Justice *That Is For All* but it will not be as these false nations we now find in the earth, the false ones who serve no one but themselves !

There is A Greater Will And *It Will Be Done !!!*

*Man's way has surely failed over and over,
again and again and again...*

It is now time to surrender To God!

**He Alone Has The Power
And All Dominion And
The Love!**

To Him Be All Glory...Amen!

Praise and Thank God for all that
He Has Done And All That *He Will Do!*

We anxiously await the witness of
The Lord Who Has Said
Watch What I Do!

There must new leadership that stands In The Truth of The Gospel and will uphold it by example, that will be accountable To Jesus, to Yah'shua. Truth will be attacked at every level ---personal, business, social, religious and from every angle conceivable as satan does not wish to let go of his strangle hold and his false dominion. These *Are matters of dominion* and The Lord Has Total And Absolute Dominion over His people that struggle to reject and renounce their falling under a false dominion, subjects of a kingdom that is of darkness.

The solution is so simple yet The Light of Truth will be hailed as evil. Battle is inherent, but the battles are for Christ, for Yah'shua and are won before they begin and fought In Spirit before the victories arrive in the earth ! Persecution for doing what is right in God's Sight is unavoidable whether it comes directly, indirectly, physically, verbally spiritually individually and even collectively...Believe me I have seen every conceivable form...but the devil is a lion seeking to devour, cunning and most clever in his ways. But the follower of The Lord is not clever but is wise in his ways led! I am completely reliant upon His Spirit to steer me clear of danger and He Does let me know if trouble is lurking from behind a tree...And If I am to take a stand against my accusers *He Picks when and where !!!*

True following of The Lord is not a religion. Religion is how we practice what we believe. The many practices are not One while claiming otherwise. We are to be about exposing iniquity and sin...standing for The Truth In Christ And Of His Kingdom !!! We are not to bow to falsely justified lies perceived as an enticement or entitlement to differing truths While One Truth Exists And One God Exists !!!...The ways of the world are both irrational and insane at best. The Truth of The Word and Of God changes the bondage of paradigms and destroys the many paradoxes. *No one will be spared The Truth !!!!*

**The Truth As The Lord Promised That
All Things Shall Be Revealed.**

**We as followers are to be
Ambassadors In Christ,
Of Yah'shua !**
