

# Freedom

# Matters!

Who is fooling  
who?

Let us not proclaim

# Freedom In Christ

lest we be  
free !

It will require more than words,  
It will require commitment!

Commitment To The Lord;  
A Complete Trust  
In The

Lord!

A door once opened is a door  
open until it is closed;

A door closed remains closed  
until it is opened !

One who knowingly opens the door to the  
false dominion of the world can  
not so quickly just  
leave !

One who unknowingly does  
the same will suffer  
the same !

Yet both the knowing and  
the unknowing are  
offered

The Same Love

And The  
Same

Mercy

one as the  
other  
!

Error is Error!

Self righteous proclaimed In Christ's Name

is no less than error!

The Law of Opposites applies favorably  
with the house built upon

**The Rock** that reflects the ways of

The Kingdom of Heaven !

The house built upon the false foundation  
of the world will meet with great  
disfavor where iniquity  
if the corner  
stone.

Those that are prepared, sober and vigilant  
are the true believers that live

Love !

All others shall be the wanton, the idolaters  
and the adulterers that have  
no interest in

True Salvation;

In Our

!

Nor are they willing to lay down their lives  
for another; not to mention

# The Lord of Hosts !

There are many parts of our captivity to be  
considered and to be dealt with !

The time of hiding these things is  
drawing to a close...

*The Truth Will Come Out!*

Hiding away our bondage does not rid us  
of the shackles of dominion  
and of oppression!

The flesh cannot proclaim freedom In Christ  
in and of its own accord for it is  
trapped in the chords  
of its own

# BONDAGE!

The liar who comes to The Truth  
*will be saved!*

The honest child In Christ  
*will be saved!*

Be not the fool who fools himself...who fools others!

The Lord Our God Cannot Be  
Fooled In *Such Ways!*

This is the narrow path to  
Freedom In Christ, In Yah'shua...Amen!  
This path leads you to The Fiery Furnace!

Be ye forthright sons,  
Be ye forthright daughters!  
Do not claim The Freedom if you have not paid the price...  
Do not claim the prize if you have not run the race!  
The wise children of God hear, listen and heed what

The Spirit Is Saying

to them!
