

# The Cloth

The Ways Holy And Sacred,  
The Ways of a bride and of fine linen...

Man that claims to be of The Cloth must be of the finest linen,  
virgin white and free from sin as a virgin bride readied,  
thus readying others for the Holy Wedding.

The gown has been cleansed of all stains and she  
stands out brilliantly in white that is as snow.

She has been cleansed

By The Blood of The Lamb.

She is pure, holy and sanctified.

She is ready to meet her Husband.

She is filled with The Love of The Father.

She knows of no condition nor sets any  
conditions on her love that is pure,  
free and of The Father.

She hides nothing and nothing is hidden from plain sight.  
She has gone the distance, she has endured patiently.

She has walked the full length of the valley of the shadow  
of her death, never turning away or going backward.  
She walks with Her Lord and He walks with her.

What you see /s what you get and she /s His Alone !  
She is wholly dedicated and committed to Him, His Holiness !

She will not miss her wedding.  
She will not be the foolish virgin.  
She will not be late to her wedding.  
She *will be* behind the door that closes.  
She *will have properly prepared herself and  
the others* The Lord Loves and Cherishes as she.

Are you as a bride prepared for Your Husband ?  
Are you as a bride readied in the heart and soul released ?  
*Have you been Delivered, Have you arrived ???*  
Do you know and Live In The Ways That Are Sacred ?  
Do you know The Sacred Ways of God ?  
Do you know The Husband *you are to marry* ?  
*Are you as the virgin In The Ways Written ?*

Are you able to make A Lasting Covenant With The Father,  
A Covenant that is unbreakable sealed in A Holy Vow ?

*Are you of the finest linen* that has been  
cleansed, that is pure and is white ?

Selah

...Ponder these things in reverence  
of The Lord that can  
cleanse us white  
as snow.
