

## Renaissance Players

Renaissance players are called and chosen of

# Father God!

They have been awakened for this time and  
walk *The Narrow Path!*

They have been delivered from the bondage of the world in order  
to fulfill a purpose greater than themselves in

# God's Will And Plan!

They are followers of The Lord in the ways written who  
have laid down their lives completely for Him

## *According To His Will!*

They are few now but will  
become many!
