

# The 90 % Rule...

We know that The Lord will provide according to our doing His Will in all things !

We know that it is His Grace that has provided for us in the all of all of our lives. His Favor is that which we seek. First and foremost we tithe a full measure of the faith granted us unto The Lord that it may be perfected by He That Is The Perfector of Our Faith !

First and foremost we seek The Kingdom of God for our guidance and to be re-taught the ways both ancient and sacred...Father God seeks to dwell with us in our hearts, not our dwellings of sticks and stone.

The Lord will provide for us...in this His web site we do no commerce and it is not driven by the ways of the world that we are asked to depart from.

We do have commercial sites and they are separated according to His Sovereign Spoken Will !

The Lord is The Centerpiece of this table set and it is His Spirit that will lead us this and every day into the forevermore...Amen !

The intention of this site is not to steer you into a sales arena, to ask you for anything other than to come to know God if you have not known Him and invite believers into a Greater Measure of Him ! In this way I am freely sharing what I have freely received.

The Lord has instructed me in what to offer and how commercially through two other Websites...These are merely product offerings for those that wish to have physical books, musik and art rather than and/or in addition to than web based access.

# The 90 % Rule...

You are taxed enough by caesar and in many other ways. Everywhere you walk and go someone wants to make money off of you. The subject of money even in places of worship has too often reached the pulpit where The Gospel belongs and through in church sales.

Unfortunately, kapitalism has reached deep into every part of our existence and we say that Faith and Eternal Life are far more important things than money !

We know through our walk that your freedom In Christ is not to carry a worldly price tag...the price far greater is the all that you are to follow Him ! To be the living sacrifice, to be the grain of wheat that is willing to fall to the ground and die that it might live. Our heart that is one with The Lord is to exhort not to extort !

Simply put we recognize that all provision comes from God, not by asking for it rather to live the new life. We began with the 10% harvest tithe but the greater the harvest, the greater we will return to The Storehouse ! Let it be 90% or more ! There are many that are spiritually impoverished in need of this meal that fills the heart with renewed Light and Hope In Christ, The Messiah...Amen !

Remember that The Tithe of Faith appropriated to The Lord is a full measure and outweighs the earthly interpretations of The Tithe of The Harvest ! You cannot simply tithe of your harvest, not walk in Christ and expect a great reward...this is not Scriptural, nor is it wise to be fooled into believing that Salvation is assured through monetary works...

# The 90 % Rule...

The Tree of Life That Is God is the true fruit, the true meal and the true drink of His Rivers that feed true growth and Spiritual Prosperity to those that are impoverished Spiritually...not only that but also sick and afflicted by consuming the rotten fruit offered in so many places... Amen ! You cannot continue to blur the line between Good and Evil and expect Light ! You cannot live a life of ignorance of God's Will while claiming to do it.... Knowledge, Wisdom And Understanding come only By The Spirit And Counsel of The Lord !

The Tree of Life is not about directing anyone into service according to our ideas or missions for you...No, it is our desire that you Come To Know God's Good And Pleasing Will that is individual between The Lord and His children. Eyes to see and ears to hear are the way to proper understanding and being prepared as it is written. You will not perish due to the lack of knowledge the world offers...rather you will be encouraged to Live A Holy Spirit Led Life rather than those driven by others !!!

Freedom In Christ, In Yah'shua is just about that and the only freedom comes by His Hand...not the words or hand of another ! Man cannot deliver man accept into blindness with himself. The blind cannot lead the blind and our world is sadly misled in the flesh pursuits of man !

Enough IS Enough...Time to set a proper and Reverent Example of Christ, Of Our Lord in this earth...Amen !

All of our tithe goes into a fund– **The Kingdom That Cometh Holdings Fund** in order that it be set apart for His Spirit Led Use through true, fully yielded vessels that bow, yield, obey and serve The Good And Pleasing Will of God The Father...Amen, Amen and Amen !
