

The Lord's Sacred Ways

Taking back control over self is our part!
Sacrificing self On The Alter for The Lord.

The Lord holds the keys to the master locks.
The Lord has the master blueprints of our lives.

Self breaks up the relationship and unity in
The Body of One, The Body of Christ.
Self interferes with The True Oneness In
The Trinity That Is Three In One
And One In Three...

Father, Son And Holy Spirit

We must establish an alter unto The Lord.
An alter of self-sacrifice and of release.
Pushing self down on to The Alter of The Lord
allows The Rabbi to teach in our lives, giving
Full Reign To The High Priest
That Is Christ Jesus,
That Is Yah'shua.

We must bring forward the old into the new...

The Alters of The Old Testament

as there is no old that is separated from the new.

This is the place where Abraham burned offerings unto

The Lord for the people of The Lord.

Where Abraham took the long walk willing to sacrifice

that which was closest to his heart, his own son.

In the very same way Our Father was willing to sacrifice

that which was closest, dearest To His Heart,

His Son Jesus Christ

The Lamb of God.

We too are to offer ourselves up as a living sacrifice,

the sacrifice of our flesh, the sacrifice of all

that is not of Him or His Light...

Of His Kingdom of Heaven

May our *flesh* now be as the burnt offering.

May this too be our reasonable service

unto God Our Father...Amen.

We must sacrifice all that the
flesh desires and wants
and in so we show

The Good Shepherd

that we truly shall not want.

The father of a great nation was Abraham.

The Father Of All Creation Is Yah.

Are you willing to make the hard choices and in so
leave behind the comfort found in our ways?

Our thoughts are to be captive to The Ways of Christ.

Our minds and our thoughts are to be fed a diet
of The Truth And Wisdom of The Lord.

Consume only that which nurtures the
heart with hope, encouragement
and the deepest of trust in

The Lord And The Kingdom of Heaven

Be the hand that feeds The Gospel of Life.

Be the tongue that speaks in new ways.

Be of a new voice that transforms.

Understanding comes from knowledge and
from knowledge comes a steadfast
wisdom that only comes from

His Counsel

This understanding comes as we allow Him In.
We know nothing without Him.

We know nothing apart

From Christ Jesus Himself, Yah'shua Himself

We seek He That Is The Living Truth.
Receiving His Truth deposits The Living Wisdom.
Wisdom feeds the renewal of our minds,
the transformation and takes
captive our thoughts

Unto Christ And The Father.

We must seek the re-alignment of our mind, will and
emotions over from the control of flesh
and unto true servitude of

Our Lord And Our God.

We ponder only what is of The Kingdom of God.
There is no longer anything to argue about,
to deliberate in agony or to question.

That which Is Truly good and right is
Of The Good And Righteous Light...

The Lord's Lampstand.

There are no longer two sides to the one story.
There are no longer any conflicting views.
There is no longer any confusion
There is no longer doubt.

Gray is but a shade of darkness, thus it is darkness.
There no longer exists any *gray area as the gray*
is both lukewarm and not of The Light.

There is no darkness that Is Light.
There is no form of darkness that is of

The Kingdom of Heaven !

His Truth Is Light
His Truth Is Absolute.

Who shall be Your Lord
And Your God?
