

Acknowledgments and Copyrights... **Books And Writings !**

The overwhelming majority of the literary works and books came not by a study, rather by The Spirit of The Lord. I first and foremost Acknowledge and Thank The Lord for the many gifts He bestows upon me that I now gift to you !

Sometimes after the writing is completed The Lord will lead me to Scriptures to include them with the work in order to show us the relevance of The Revelation ! Other times I have been led to numerous Scriptures for my deeper understanding that are then the cornerstone of the work and The Revelation to follow.

My Bible of choice is The Amplified Bible provided by Zondervan Publishing. The Scripture references fall within the guidelines of their copyright.

Since this web site is a collection of literary works as the books are, please find the following acknowledgement of their copyright and use of The Scriptures:
