

The Walk

To Follow The Lord
is a struggle...

For the world makes little room for ones change.
For the world wants to mold us according
to its needs and the needs of others !

I say that people should stop trying to mold us
into what *they* want and need;
They should seek

The Lord

for all of their needs !

People should stop projecting their fears and
Lack of understanding unto those
who seek in earnest

The Walk And To Be Different

following The Lord in all of
their ways and in
their lives.

Those who are friends and loved ones
should uphold the child that
seeks to be different;
seeks to be
set
Apart!

Love means to support one another,
not to tear them down.

Love is to be unconditional
yet conditions run
rampant!

Love rises above fear seeking to understand
rather than to viciously judge another.

Love hides not behind gossip.
Love speaks directly.
Love is pure.
Love.

To do the good and the right in
The Sight of The Lord

is not an illness or mental affliction
where one man dictates or
dominates the life
of another.

It is The Lord that is here raised and
all bow together before Him.

Not one above another;
there is **One God Over All !!!**

True brothers and sisters encourage one another.

True children realize they must be true
before Their Lord God.

Followers in the walk know each other.

In the walk we uplift each other.

In the walk we share our
common struggle.

So I say in conclusion...

If you do not wish to walk the narrow walk,
then do not be as an obstacle
to another that does.

If you wish to continue on in the ways
of the world that is dark,
then be not an
accuser.

If a man, woman or child wishes not, to no longer
conform to the ways of a world that does
not serve The Lord or Goodness,
then allow them the privilege
of the freedom to follow
a different path
and to take

The Walk !

To Follow The Lord
is a struggle we choose and
is worthwhile !!!

Be not as a stumbling block to those that
that struggle agonizingly against
the flesh and against
following evil.

If your faith is insufficient to follow The Lord,
then blame not others for your choice !
