

On a Desolate Island of Self Alone or
In The Kingdom of Heaven ?

A message of hope, healing and of deliverance.

We are to be whole and united through
healing Being Freed By And

In Christ Jesus

By His Holy Hand And

Through The Resurrection Power

Of The Holy Spirit That Is With
Our Deliverer And Of Our Messiah.

I would freely dive into the sea of turmoil to
leave my island of desolation behind.

I desire to wash up on The Rock as
I am weary, I am weak and lost.

This is to be my *new* frontier, my new dwelling.
I wish to and I seek to Dwell With The Lord
Now and Forevermore...Amen I Pray!

People become isolated islands in this world
separated from Me by an ocean of lies
and the turmoils of a stormy sea
that is in and of the world
Sayeth The Lord.

I am as many islands separated from life by
an ocean of lies, tossed and turned about in the sea...
We are the remote and we are the desolate.
As a fragmented man I cannot be whole,
I cannot be healthy or be sound.
I can only progress by walking toward The Light...
The Light of Christ That Guides my path.
I am desolate under persecution.
I am ravaged by judgment that is Not Holy.
I am under worldly laws that are not Heavenly nor just.
I must transition out of the impact of my
misguided choices to new "free" will choices.
I must transition from my foolishness to Wisdom.
For this I must Be Counseled And
Freed In Christ Jesus.

This... my journey from fragmentation to wholeness can
only come through **The Truth of God**,
can only come by hearing and by seeing.

The Lord Asks of you... Are you willing to see
the fragmented person that you too are?

I as a follower of **The Lord My God** ask...
Are you willing to look closely at yourself?
Are you willing to be honest with yourself?
Are you willing to be honest **With Christ**?
Are you willing to see you **Through His Eyes**?
Are you willing to see **What He Sees**?

It is a **Far Better** picture than what you have pictured.
It is **Far Better** than the canvas of the world.
Of this I can assure you and you are
Assured In Christ Jesus.

Imagine a life free to be who you Were Made,
living the Life I Intended in the beginning,
knowing your purpose, your direction,
freed from your secret hiding place,
knowing the good and the right,
your Destination Secured!

Are you willing to walk towards Me?
Are you willing to walk towards

My Light of Truth

and freedom rather than running
all over the place from here to there
and from there to here and *not arriving*?
Are you tired of living in a world that only

Abuses God's Law being lead to
disempowerment, discouragement,
into curses and into death.

Do you wish to get off satan's
red bus to Sheol????

God's Law Is Perfect
And God's Law Is Just.

Look into the mirror that convicts and fear not

The Truth For It Is The Way And
The Lord Jesus Christ Is Both.

The Lord's Prayer asks...

“Forgive me my debts.”

Are these not our debts under The Law?

Is God The Father mocked by Law breakers?

or has God given us A Mediator In Christ Jesus?

Is there not Just Reward under reaping what one sows?

Knowing these things I must bring from my island...this my

mound of flesh out in the open... Into The Light.

I know that the island must burn for me to be free.

So Lord I ask You to destroy and burn the

work of the dark architect and designer of dark

isolated and lonely islands that separate

us From You and one another

rather than to bring us

together as a people One In You.

Can
I
so
boldly
stand upon
my desolate island
that is the land of my sin,
lies and deceit justly claiming
Redemption From Above or must
I depart to be set free from this my island prison ?

I know the answer, I know The Way that I Must go.
I must give up the old home before I can enter a new one.

Must I dive back into the sea that brought me here or go
To The Lord That Is The Bridge over
my troubled and turbulent waters... seeking
His Safe His Passage ?

Lord I ask that You grant me and the others
The Light of Your Lampstand.
You Are The Lampstand.
You Are The Light
that shines brighter than our
common darkness.

Lord please take my hand as I reach
across the vast sea that is so stormy To You.
Please pick me up and carry me across for I am weak.
You Are The Good Shepherd
that knows Your every sheep and
I am a sheep that knows and
has heard Your Voice And Your Call.

Please rescue this lost sheep in my
time of greatest need from the dark well as

You Are The Good Shepherd

That Finds All of the lost sheep and
brings them Home Again!

Those You bring home will never be lost again!

You Are Christ Jesus,

You Are Yah'shua...

“Father God's Salvation.”

Lord I ask That You Walk Out Upon the water...
out to the desolate islands where the many are stranded
and are so very alone and cold without

Your Fire And Your Light.

Amen, Amen and Amen.
