

Let The Shofars Be Blown
May The Trumpet Sound!

May There Be...

Great Celebration

In The Heavens

and in the earth

I
The Lord Your God
Sayeth...What was once in the distance is now
in the foreground...The Stage is Set!

·
..
...
.....

Allow Me

to guide you!

I Say... The Time
Of Your Deliverance
Is At Hand !!

I Say to Egypt you Will loosen your grip !!!
I Say unto Pharaoh and the many false leaders

The Time Is Near And
It Is At Hand !!!!

Illuminate ye that are called

My Ways

that others might see and know them...

My people perish for a lack of knowledge.

My people lead others to perish for
their lack of understanding..

Ignorance Is your gap !

There are no excuses to be found in the gap !!

I Say Change your ways...

I Repeat Change your ways !!!

I Am The Filler of the gap And The Spirit
that fills the emptiness of the void that lies therein

By My Wisdom, Knowledge And
Understanding !

They seek and obey false leaders falsely cloaked in Me !

I Am The Only Way !

The Only Leader !!!!

The pharisees continue to use

Me And My Father

In Heaven to cover their evil deeds
and doings!

I will no longer allow these misled people to use

My Cloak Of Humility...

My Mantle Of Righteousness

to serve themselves, to hide their evil deeds under.

I Will Remove the yokes of unrighteousness and of falsity!

I Will Dis-Mantle all that is falsely built of their hands!

They Dare To Call this their covering... *their justification!*

I Am The Beginning In

My Righteous Justification...

I Am The End of All that is unjustified!

There is no safe covering in buildings
of sticks and of stone

I Say!

All That I Say *Will be heard.*
All That I Say *Will be witnessed.*

I AM The Light That Enters
the dark and hidden places of your world !!!!

I do not lead My people into temptation nor into evil ways
That Are Not Mine !

I lead My people through their obedience
To My Ways By My Spirit,
In The Ways of Abraham, Isaac
And Of Jacob !

They build false dwellings upon sand
selling these dwellings

As My Rock!

No more! No More !! No More I Say!!!
They will no longer falsify My Refuge!

Nor will they denigrate what Is Sacred In My Temple,
Nor will they obstruct The Path to My Temple!

My sheep are mislead by false light.

There Is But One Light
And It Is With Me !

I Am

The Living Gospel
That Liveth And Abideth In Me...
That Liveth And Abideth *With Me!*
Test ye All Things According to
To The Truth And
The Fruit!

||

To those who hear I Say...

Be ye A Defender of My Ways,

The Ways Of Your Lord!

Be guided only By The Holy Spirit in All things!

Proclaim The Year Of My Coming

And My Return !!!!

Be silent no longer for I have given you
a voice with which to speak and
a heart unencumbered.

Have those who rule acknowledge their evil ways
By Bringing The Light of Truth to them
that will be their message, a turmoil to the world.

It is in the storm of their turmoil that
*they will be humbled and
will reach higher to*

The Place of Their Lord And God !!!!

Show them they need not hide in their
weakness or in dark, cold caves.

Tell them I Have Allowed their disobedience
By My Grace that they may come to know My Mercy!
Show them Who I Really Am!

You Are My children...
Heed My Calling And
Heed My Words !!!!

Hold their hands and lead them
into true confession
and into

The True Ways
of Repentance oh Lord!

Bring them Before Your Holy Seat of Mercy!
Show them they need not wait until their day of judgment
to look back at their many sins, rather, they may be
absolved of their many sins now!

Grant them New Ways to walk to walk upon

Your Narrow Path...

Grant them a new understanding of Your Ways!

Many seek You oh Lord, are lost and cannot find You!

Show them That You Are The How to cross
from their dark world into Your Realm.

Show them what You have
shown me

My Lord!

Please help Your sheep that are blind oh Great Shepherd!

You Lord Are Our Teacher,

Our Rabbi!

You will teach the many how...

The Ways Of Your Lordship

Your Kingship...Amen!

III

In the Spirit I saw...

The Army of the Lord
marching forward.

I saw many feet adorned in sandals,
the sandals of peace.

Your people in white robes walking
forward, never looking back.

It was as a wave larger than any in our natural world.

The Wave Of Your Glory Lord
rolling across this earth.

I see the enemy cowering, running in the distance.

I see The Armada of Your saints
marching One With You.

I see great joy, praises and dancing
in the thoroughfares and
in the streets !!!!

This *is* the answer to the prayers of
the obedient generations...

The answer to

Your Holy Prayer

The Lord's Prayer!

You have heard us and surely

You Come!

O Jerusalem, Oh Israel

The Lord has heard your cry, your wailing!
Hear my cry for them Lord... your children, your family

My Sovereign Lord!

Let them know that You have
not forgotten them!

·
·
·

Raise them now in this,
Your Appointed Time!

Prepare them for
Your Coming !

.

Do not be caught sleeping !
Do not miss this wedding oh Israel !!
Do not come after the wedding has begun
when the doors have been closed !!!

Show them The Opening Of Your Door
that they might Enter Your Chamber!

This I Pray
In Your Holiest
Of Names

.

In The Name of
Jesus Christ, Yah'shua
In Which All Things
Come To Pass
