

The Father Invites Us...

Come Home !

Unity is With And In The Sevenfold Spirit.

The Redeeming Power of My Son's Blood is

The Holy Blood Covenant.

It Is The Power of The Blood, The Cross

And The Resurrection that is the

guarantee that will make you

whole again and One.

The work was completed

In The Holy Sacrifice Of

My Son Jesus, Yah'shua.

The work was Completely Done At Calvary.

It Was Finished In Him I say.

Who are you waiting for

My Son Has Come ?

Be not foolish in this My children for it is not wise.

My End to sin was and is your new beginning.

My Death, Sacrifice and Resurrection
is the how your life was paid for.

My Resurrection is the promise to re-unite that
which has been separated so long.

My Father longs for you His children.

The First Time My Son Came on a
donkey the many cheered.

The Second Time My Son Came bearing a
Cross and the many sneered | say !

First welcomed, then rejected.

This is how My Son was received.

Will you now welcome Him or reject Him?

My Son Came Yet you Rejected The Root.

He knows scourging, the rejection, the betrayal,
the pain and the suffering beyond measure.

He says...

Ye are My Friends if you do so whatever I ask.

Reach out for My Hand.

Let not your past and history tell or show
you that you are not worthy.

Come and give up
your shame.

Leave all things outside before the narrow gate.
Leave the clothes of your shame behind you.

This is where I Your Lord Jesus Take Over.
It Is The High Path That I Myself Protect.
The Path is safe and protected.

There is no mixture on My Path.
I Am The Only Light On
This My Path.

My Light Is Pure And My Light Is Holy.

Sacred Is My Path Of Your Lord !!!
Seven Times Purified Is The Oil
Of My Lampstand.

The Light may appear dim along the way but
Keep reaching out for My Hand.

Know that I Will Not let you sink
in the stormy sea of the
world that does
not let go
easily.

There will be no more monkeys heaped upon your back.

Eden is not a jungle as the world you are in is
not My Heaven nor My Kingdom.

There is one path home to Me, Your Father.

Listen for My Voice and follow it.

You Are My sheep and

you will hear

My Voice
