

# Wisdom and Hearing The Will Of God The Father....

A general word from my experience... The Lord Knows the hearts of men. Men do not see but through sensory eyes of the flesh that is shallow which cannot see the deeper matters of each person's heart. He Told me long ago..." You will be surprised as to who is with Me and who is not. He Said " Those you "think" are or will be are not. Those that you think will be with Me will not be. Those that you do not think will be with Me will be...and all possibilities in between...My Spirit Will Show you these things, Do Not assume them...I Will Sharpen your discernment as it is needed. " It is by The Word and Breath of God, His Holy Spirit that these things are revealed to those that are patient seeking only Him for their proper preparation and proper equipping ! The key is patience...waiting the time sufficient to "hear" His answer to our questions, to allow time to exercise the Wisdom The Teacher imparts and being still to "listen"...This is reverence unto The Lord !!!

To say someone is with us can be a dangerous thing as our estimations and our perspectives have been tainted by the world's teachings along the way. I have now often been shown the error of my ways in this regard and have learned that only The Lord Knows What He Knows...It is for me to humble myself in silence and the stopping my desperate, wanton "flesh" and " self " from ruling the actions of the day. I have learned that it is far better to stop running to and fro assuming all I do is within The Will of God than wait for His Counsel And Guidance By His Holy Spirit That Is All Knowing and Prepared...we cannot properly prepare ourselves for the work of God, nor be instructed by any voice other than The Voice of Our Good Shepherd. Scripture calls this being blown by the wind. I say when we stop being driven by the wind of our desires and seek The Lord honestly and earnestly, then a True "From His Spirit" windfall is given place in our hearts.

It is truly His Grace that allows us to blindly run around while ignorantly assuming His Will Is Done rather than truthfully questioning whether His Will was Truly Done. There is no benefit of the doubt in heaven therefore why should it prevail so often in the earth.

**It is our not knowing and not hearing or not waiting patiently to hear that goes against " Thy Will Be Done On Earth As It Is In Heaven." I do not believe that The Lord's Angels assume anything nor do I believe that the saints that went before us including the 12 disciples of Christ Jesus decided that "His Comforter", The Holy Spirit was not to be sought for guidance in all matters as Jesus Demonstrated In His Walk and In All His Actions...for all things In His Heart Were For The Glory of God The Father. He Sought The Father in order to know His Will and what would serve That Will Perfectly and, Thus Glorify Him.**

**Jesus Said “ Thy Will Not Mine Father. “**

**All this said, it is very important to take time out of the world schedule to sit at The Feet of The Risen Savior, Deliverer And Messiah to learn His Ways and furthermore be guided by His Perspective alone in this our quest for The Light Of His Lampstand...His Spirit, His Wisdom, His Knowledge, His Understanding, His Counsel, His Strength, And The Sobriety of Fear of The Lord that yields True Reverence of The Lord Our God...Amen !**

**Let us place Our God First on our priority list. Let us first know what blesses Him that He May Bless us with The Favor of His Sovereignty And Grace. A blind man sees nothing. A blind man serves nothing and a blind man serves not God. It is surely an illusion to believe that our unsanctioned activities serve God. It is an illusion to believe that God Will Forever Allow us to run like chickens with heads cut off believing we do good and then when we get ourselves in trouble run to God for relief or to clean up our mess. The Scriptures bear witness to The God of Israel And His Ways...I say that God and seeking His Will in all matters is a proactive measure that calibrates our words and actions in an alignment With His Will alone...His Spirit both sharpens and wields The Sword of His Truth ! May we be wise warriors In Christ guided By His Supreme Will... Anything short of this is our vain desire to calibrate ourselves without Him Who Is The Standard, The Model And Way Which Is Perfect And Accurate in all matters...Amen !!!**

## **Proverbs 11:1-7**

A false balance and unrighteous dealings are extremely offensive *and* shamefully sinful to The Lord, but a just weight is His delight.

When swelling *and* pride come, then emptiness *and* shame come also, but with the humble (those who are lowly, who have been pruned or chiseled by trial, and who repent of sin and renounce self) are skillfully *and* godly Wisdom *and* soundness.

The integrity of the upright shall guide them, but the willful contrariness *and* crookedness of the treacherous shall destroy them.

Riches provide no security in any day of wrath *and* judgment, but righteousness (uprightness and right standing with God) delivers from death.

**(I say He Delivers us also from the many snares and traps of the devil including his many lies and deceit ! )**

The righteousness of the blameless shall rectify *and* make plain their way *and* keep it straight, but the wicked shall fall by their own wickedness.

**( The Word States repeatedly that True Righteousness Is With And in Christ only, not in our worldly ways).**

The righteousness of the upright [their rectitude in every area and relation] shall deliver them, but the treacherous shall be taken shall be taken in their own iniquity *and* greedy desire.

**When the wicked man dies, his hope [for the future] perishes; and the expectation of the godless comes to nothing.**

**The Lord is The Deliverer, The Light unto our paths, not an excuse to do as "we" will in life and call it His Will. " The world is filled with such as these and the fruit around us is rotten " Sayeth The Lord.**

**Amen to His Wisdom for Wisdom Is The Lord...Amen !  
He Is The Beginning And End of all that is to be known by us.**

**...She Is Wisdom and She Is He...see Proverbs closely.**

**Also, when you have heard His Voice it is important to understand what He Means and ask Him to give you a proper understanding where His Will may not be clear, requiring specifics in order to do His Will exactly...We are not to add or detract from His Will by way of our flesh...Remember that His Will Is In His Details...Do not be afraid to ask The Lord “what does this mean “ and “ what would You have me do or say “ According To His Spirit That Speaks to you. Do not make the error of hearing a portion, then to fill in blanks and try to complete your understanding through your “self” which is insufficient...This again is where Patience is The Godly Virtue to adapt and practice !**

**The time you take to seek The Lord is so very important for you to become a wise vessel that is Lead of The Lord as it is written.**

**The Lord Loves us and He Is The Patient and Faithful Teacher...**

**HE IS OUR GOOD SHEPHERD !!!**

**With Love, Your Brother In Christ, In Yah'shua!!!**
