

# Life Eternal Message

Lest a grain of wheat fall to the ground  
and die it cannot live.

Lest a branch fall from the  
Tree of The Knowledge of Good and Evil  
to the ground to wither and die  
it cannot live.

Nor can it be grafted into

## The Tree of Life

Nor The Vine That Is The Lord.

Lest the flesh in you be offered up to die...  
There can be no Life Abundant, nor Life Eternal.  
There can be no Good Fruit according to the

Will of YAH,  
Of God The Father.

Be not foolish in your blindness.

Choose death *to live!*

Do not choose death as your life  
thus twisting death into life.

There were two trees in the garden.  
One Good and one *evil*.

There Is One True Word  
And It Is Good And With God.

There Is One True Gospel That Is of  
**Yah'shua, Christ Jesus**  
It Is The Good And Is The Good News.

There is the false doctrine of sin  
that twists good into evil and evil into good  
thus living under and professing a false gospel  
weaved of he that is evil, the anti-Christ,  
the deceiver, the accuser that is  
satan himself...*the author of all that is evil.*

Be awakened and sober in This Truth given you.

And May The Lord Raise you up...

from *death* unto Life.

*...from the death of your captivity and marriage  
unto the world and it's offerings that are not unto life,  
all of it's ways and from under the tyranny of  
it's leader and prince of darkness.*

May The Lord guide you By  
The Light Of His Lampstand

*out of your darkness and unto*

Life Eternal.

AMEN.

May THE HOLY SPIRIT

*Resurrect you from death*

Unto Life Eternal...AMEN.

Go and leave *the world behind.*

Divorce yourselves *from the world.*

Be Prepared In Our Lord as a bride  
that is both virgin and cleansed of evil.  
It is His Mercy And His Forgiveness  
That Cleanses All Things Unclean.

Let *no one* come between you

The Holy Son That is JESUS,  
GOD THE FATHER  
And... HIS HOLY SPIRIT.

Go quickly and run Under His Wing.

To hide in the darkness *is fatal.*

Hide *from evil* In His Light That is Life.

Pick up your crosses And Follow HIM.

Bear up evil and the many sins of your flesh  
that *they may die and be consumed.*

*Go forth... Trusting In The Lord*

*Our Messiah... That Is*

**OUR ROCK AND OUR REFUGE.**

*Seek Him And Him Alone I Say*

*He Alone Holds The Keys To*

**Life Eternal.**

*And... To Enter The Kingdom Of Heaven*

AMEN, AMEN & AMEN !!!
