

Your Lordship, Your Kingship

I desire Your Lordship And Your Kingship.

Show me how to enter the rest In Your Divinity.

I gladly lay down all my beliefs to seek

The Greater Truth In You.

Give me strength in my weakness,

my meekness Before You.

Show me how to enter Your Royal Court.

Do whatever is necessary, that which only You Know

for me to do to enter your place of holiness.

Cleanse me In Your Blood

And The Fire of the Holy Spirit that I might

be prepared to walk In Your Higher Purpose.

In this way I hear Your Call.

I am honored as a spectator of Your Work.

For You have said that it is not what I do, rather

what You My Lord And God do...

to truly see what You can do.

I am learning to know what I can do in You.

I am learning to listen very carefully.

Teach me in the ways of Your Tabernacle, Your Temple.

Show me the deep walk I must take to acknowledge
Your Supremacy, Your Lordship, Your Kingship.

Sanctify me that I might serve You completely in
Awe and in Complete Reverence Of You.

Show me how I can stay in Your holiness.

Show me how to live in Your holiness.

Teach me oh Holy Priest On High, He Who Resides
In The Heavens,... Your Ways.

Thank you for undoing my old ways.

Take me from the desolation of here to
the Richness of Your There.

Teach me how to claim and hold the ground
You win in battle for my life.

You show me that I *can* stand boldly, proclaiming
my Freedom In You.

I seek to shout from my rooftop.

Give me the right words oh Holy Spirit
or have me hold my tongue.

You show me that I *can !!!*

I renounce the false kingship and lordship of the world.
You show me that I can walk away from the false kingdoms.

Give me strength for my weakness that I might do
this simple act of worship, knowing that this is
a part of my Reverence Of You.

I cannot relinquish Your Lordship to the many false,
worldly kings, princes, princesses and
queens of a court that does not exist
but in their minds, not in Your Reality.
Release me from a world that does not
serve You oh mighty King.

Give me the power In You to say "no".
You show me that by saying "No" I am truly
saying "yes Lord, yes Lord, yes Lord."

I know that You Stand Before me at that moment.
Please make these words a permanent mark in me
that You might be in me always.

Make my gaze narrow to see only
Your Eternal, Guiding Light.

Renew my mind with Your Truth, replacing the many
lies with the Reality of Who You Are.

Please Lord...place your eternal lock upon my release,
my renewal and restoration.

Place Your guard of heavenly hosts at my door
that no one may enter or re-enter.

My father, my mother and all others that
assumed false roles of kingship and lordship
did not guide me well or in a path that was straight..

They did not have Your Authority,
Your Supremacy, Your Heart Nor Your Permission
to violate my sacredness in You.

I renounce following those that I allowed to
wear false crowns in my life.

I affirm that You wear the only crown.
Your Hand is the only hand that dispenses justice that
Is In Your True Righteousness.

I renounce the false mother's and father's of my life
that taught me false lack, false poverty
for they were lack and poor in spirit.
They reflected their weakness onto me and I wore them.

I choose to renounce all mirrored falsities.
Replace the false world mirror that reflects darkness
with Your Mirror that reflects Your light.

I choose not to look into false mirrors that lie.
I affirm that the Lord is my only good and true mirror.

I affirm that I am to be a mirror of My Lord,
A mirror of what is good and true.

Allow me the honor of reflecting You in all I think, speak and do.

Remove all shades of me that only You are left.
For there is no other mirror that reflects the love of a Father
whose love is far greater than any love on earth...

That Love flowing forth from heaven.

I can know no greater love than The Love of The Lord.

I will no longer seek false love for I have found true love.

He shows me wonderful things.

He shows me His limitless possibilities.

Teach me to be a student that can capture

The Wisdom of Your light,

a vessel that can hold that light as a living torch

Your Light Is Not to be hidden as I was hidden for so long.

There are no secrets that You cannot reveal In Your creation.

I create nothing.

I seek to learn and understand

The Majesty Of Your Creative Work that is me,

I am awesomely and wonderfully Made By You.

Unlock the treasure of me, Your Creation.

Your Menorah is the only light by which I can see.

If I cannot see, I will look To You.

I will learn to keep my eyes On You.

I refuse to wander in darkness when I can see.

I refuse to surrender the Good Truth I know In You.

I choose to stand steadfast in You.

I will not give up the ground that You have given
me through Your Victories.

The price You Paid for that Victory is infinitely greater than
the small price I pay to enter Your Holy Presence.

Teach me to embrace the many lessons of the wilderness that You invited me into and saw me through.

You show me that the wilderness is the place where we must go to Find You.

The wilderness is where You taught me so many things... That I cannot see or know all the things this walk has taught me until you unlock them and teach me the wisdom.

You take my past, my wilderness and You bring me out of the darkness of the forest that

I might Live In Your Light.

That my desires are molded by my many many wilderness experiences.

The wilderness of my life showed me the ways that things should not be in my life or in the lives of others in this world.

Now You Ask me to forget all that I thought I knew.

You have shown me that there are no answers in the wilderness of my past life, in the world we know.

I gladly lay all that I thought I knew, all that I was and all that I endured at Your Alter.

I know that You Are moving me into Your Heavenly Home, my new dwelling.

Your Dwelling gives me a peace and joy every moment that I am there.

Please Lord keep me there every moment of every day.

Thank you for polishing me to see and to
Reflect Your Brilliance oh Lord.

Thank You for washing and cleansing me with
Your Perfect Light, Your Perfect And Pure Blood.
You Are indeed The Way, The Life and The Light.

May I sparkle in Your Light.
May I twinkle as a star in Your night sky.
May I reflect Your Brilliance in every facet of who I am...

In My thoughts,

My words

And

My actions.

In my body, soul and spirit.

I welcome Your ongoing Cleansing.

I welcome, I need You every moment of my life.

For there is no life without You oh Lord.

The only control I have is in my choices.

I choose Your Guidance as

It is the greatest choice I can make,

the least and greatest sacrifice I have to offer.

Burn me, Consume me by The Fire of Your Holy Spirit

as a living sacrifice in Your Name, for Your Glory,

and for Your Edification in all things.

Burn away all distractions.

Burn away all darkness.

Consume all the lies, the pain, the
suffering and deception.

Make me a temple worthy of Your Presence.

I offer myself as a seat, a throne for You to sit in and upon.

From there I have You As

My Lord of Lords

And

My King of Kings

in Residence Eternal!

Bring me into complete obedience and complete servitude.

There is no price too high that I would not pay
for this honor of Your Presence in me and about me.

I would pay an infinite multiple of the price I have
paid for the treasures in Your Tabernacle.

Your Heavenly Riches offer eternally more reward for
my service than I have been paid in this world.

I am thankful that I do not have to do anything
that You Lord do not want me to do.

That I no longer serve the will
of others and the world.

My joy is in my service To You.

Over these things I *have* control to make decisions that are
firmly rooted In Your Truth for I find my
comfort In Your Guidance.

You are My Guide And My Comforter.
You are the Good Fire that cleanses.
Hold my hand as I Enter Your Fire That You
Invite me into and that I might come safely
Under Your Wing Of Protection.
There is rest and healing under Your Win as Malachi
spoke and wrote of so long ago.

I come to you willingly and in complete submission
Under Your Lordship and Kingship.
I *will* say “no” to the world that seeks to rob me of
my treasure, my birthright and my inheritance.
My treasure is You, all that You are.
Your Nature is a far greater discovery and prize greater
than any fruitless worldly quest.

Bring me to Your Tree of Life.
Show me Your Heavenly Fruit, Golden
In Color and Pure In Taste.

Nestle me among and in the leaves of Your Tree.
Make me as a vine that will bear Such Fruit.

May my quest be a journey everlasting into
the depths of Who You Are.

When I say “no” I know that You Stand
at that moment Beside me.

By saying “no” I am saying “yes” to You.

Root me in Your Tree of Life.

This is Entering Into Your Lordship, Your Kingship.
For Only You can invite us, Only You can grant us entrance.

I choose to be a vessel For You Alone My Lord.

Purge me of all things unholy that

I might serve humbly Only Your Holiness.

I affirm that You Are My Lord And My Sole Source
of Truth, Wisdom, Knowledge and Understanding.

I know nothing but According To And

By Your Spirit, Your True And Holy Spirit

and there is nothing of value that

lies outside of The Fire of Your Holy Spirit.

May You Be My Burning Bush...

I renounce my submission, my servitude and my obedience
to false worldly kings and lords.

I renounce all false guidance, all false judgments against me
and all injustice served onto me.

I renounce all intrusions of others into my innocence.

I forgive all that have robbed me for they
truly knew not what they were doing.

I claim the whole of My Life Back In Your Name
That Was Given Of You
That Are My Father And Of My Lord
Jesus Christ, Yah'shua.

I renounce drinking this death in my life.

Please pull out all the old roots My Lord
wherever they are and wherever they have crept

There is no root of darkness that can withstand

The lightest tug of Your Mighty Hand.

There is no enemy that can stand In Your Presence.

They run nowhere that Thine Eye cannot see.

They must Bow In Your Presence.

Your Authority And Power Are Absolute.

For it is written that at the mention of
Your Name All Shall Bow
in heaven, the earth and under the earth.
Show me how to bow the whole of my countenance
Before You.

Grant me the gift of the contriteness of Your Heart
to be lowly of heart and a good servant.
May I bow in every way to Your Lordship for
You Are My Mighty King.
I submit, I bow to Your Authority, Your Power that
Stands Alone Over All that is.
You Reign Over All Creation For You Are
The Author And Creator of all things.
You are The Alpha And The Omega.
You Are The One True God That
Was, Is And Is To Come.

I invite and welcome You are to come into my heart bowed.
Transform Ye my heart a pure and a holy place for
Your Entrance that will be forevermore...Amen.

Build Your Tabernacle in me that the many may come
to drink, to satisfy their thirst and find
That It Is You That Are The Well That Is Deep!

Grant us a place at Your Table where we are welcomed
to sit... That we might all sit together as One at
The Table That You Have
Prepared Before us...

That we might dine with You a meal that is
Of Your Heavenly Manna.

I choose to drink life from the cup That You Fill My Lord.

I choose a cup that overflows with Goodness.

I choose Your Golden Chalice.

Cleanse my lips that I might drink from

Your Eternal Cup.

Please quite my restless soul oh Heavenly Lord!

In You oh Lord I find who I truly am.
I seek to know You that I might know myself.
All of the answers to all of my questions Lie In You.

.
.
.

I desire to enter under
Your Lordship, Your Kingship
forevermore.

.
.

For Thine Is The Kingdom, The Power
And The Glory
forevermore.

.

Amen, Amen And Amen !!!

Hear this my psalm and my prayer to You Lord Jesus
That You Might Grant me entrance to the gate of
The Kingdom of Heaven
...and Grant me my safe return
Unto My Heavenly Father.
For I come as an innocent, trusting child Before You...

Amen.

Psalms For My Lord, My King
My Father on High
