

# The Desires of My Heart

It is my desire to serve Father God well.  
The desires of my heart have been placed there  
long ago By My Lord And My God.  
Now awakened from my deep sleep  
I seek to hear Him Say  
“ In you I am well pleased my son “  
is all that my heart desires.

Above all things offered me of this world  
I wish to do Father God's Will that comes from  
His Kingdom Of Heaven.

I seek His increase that I might decrease every day.  
It is my heart felt wish to brighten the world by sharing  
His Healing Light across the earth, our world.

That I be Guided By His Spirit Alone and model this  
proper guidance through my thoughts, testimony and actions.  
To bring forth The Ways That Are Sacred And Holy  
Of The Tabernacle of David That The Lord  
Is to re-build in the hearts of His People  
And  
To show the others that this is not a temple built of flesh.

To share the fruit from  
**The Tree of Life**

and feed the starving, hungry children from the  
abundance of The Father's Manna.

I will share The Bread of Life freely given me freely.  
In this way no one that is willing to patiently endure will go  
hungry or be without the blessings of His God,  
His Covering and His Refuge as the storm approaches.

Empower me oh Lord to share the richness In Your Spirit  
that you bestow onto me with the poor in spirit.

I will bear witness to You The Living Lampstand.  
I will be guided by Only This True Light.

I will not think highly of myself for I am not You,  
I am a vessel unto Your Sovereignty !!!  
The Lord Will Be Given All Credit for all that I do  
And His Glory Will Be Raised wherever I walk.

Above all My Lord I wish that all may come to  
The Father and come home to  
enjoy The Fullness that He Has To Offer.

Let Your wisdom, knowledge and understanding stand firm  
and bring Light into their darkness and Be Eternal  
As You Have Done these things for me and  
I am forevermore grateful and indebted to You in all things.

That Your people that are Chosen Of The Father  
have a relationship with You that they might know  
You Almighty Lord and Our Heavenly Father.

May I be Your New Adam as it was in the beginning.  
May I tread upon the head of the serpent that  
has lied and deceived the Adams and Eves of Your Creation.

...and You Alone Are  
My Father And My Mother.

I freely sacrifice all that is the flesh and death on Your Alter.  
I will freely walk into The Furnace Of The Holy Spirit  
Knowing That My Lord Jesus Christ Goes With me.

I will do All That You Have Asked and You Have Asked  
Much but not more that I can handle as You Stand And You  
Walk With me wherever I go and I will not fear persecution  
or the attacks that will come against me for I know that  
they are not against me but Against You Lord.

And You Will be My Armor, Your Light Will Guard me.

I vow my steadfast, immovable allegiance unto

You That Are My God And My Lord,

My Lord of Lords, My King of Kings,

My High Priest And My Sovereign God.

The Alpha And Omega

The Ancient of Days.

The I Am.

It is my reasonable service, my duty and my desire to:

- > Share the goodness, hope and faith for a better life and world under God's rule.
- > Point the way to our Father that He may empower and free each individual coming to Him.
- > Identify the obstacles between our world and God Almighty as a messenger of light, a vessel of His Truth.
- > Disarm the enemy through the Lord wherever the enemy may stand in the way of our path to truth and freedom.
- > Pour out God's truth according to His Will to educate the True and Willing Body in His ways.
- > Express and model God's character and attributes.

- > Serve as a light in the darkness of our world. That the Lord may reach out His hand through me to those in need.
- > Reveal the innumerable lies and mass deceptions that have blinded God's children and lead them astray.
- > Be a source of *encouragement* to Our Father's children who are my brothers and sisters in Christ.
- > Understand the ways of the Jews and the Gentiles. To show how we are not so different and all sit at the same table with God. To understand my Jewish roots that were denied by my forefathers. To educate both groups with a proper understanding of their places in God's plan.
- > Prepare the way for the coming of our Messiah.
- > Usher in the Lord's proper structure and alignment for individuals and nations according to His will.
- > Unify the Body by identifying and supporting God's appointed leaders as a leader in Christ. Lead us Oh Lord.
- > To pray for Spiritual Israel and to go before The Lord for the unrepentant that they may know the full mercies of God.

We that are to be Leaders In Christ that set self and all of it's motives aside will give *the full measure of sacrifice.*

And to satan and the kingdom of darkness | say without fear  
that | am Called of The Lord and am the last and | will...

- >Expose the false prophets, liars and blasphemers claiming  
to serve Christ Jesus, while leading His Flock astray.
- >Be *the witness* that will not stand down before the messengers  
of satan, who is the anti-Christ and all of his followers.
- >To openly challenge such as these by praying to My God  
and bringing down fire and brimstone from heaven while  
challenging them to pray to theirs that have no power.
- >To wear the sackcloth of the poor, the meek, the humility  
and those that will lament according to the conviction  
of their hearts.
- >To be the scribe unto The Lord with ink fountain filled  
with The Holy Spirit...no other and no unclean thing  
that raises itself above ...

The Will of God, Our Lord and King...amen.

- >To uphold the legacy of those that came before us  
that are The Cloud of Witnesses, knowing that they  
bear witness to all that | am called to do in

The Sight of The Lord.

- >To gather and re-unite the 12 tribes of Israel, the nation  
that is spiritual and bowed unto Their God,

The Holy God of Israel.

- >To model and teach as You have taught me bowing, yielding, obeying and serving that is according to Your Ways, not mine.
- >To be a torch of His Light in the darkness of the stormy sea, as a lighthouse beacon whose light cuts through the night that cometh unto the day that is

## The Day of The Lord.

May the devil flee as I walk the narrow path that is unto the end for he will flee as Your Holy Light is with me.

Perfect my faith oh Lord for I appropriate Unto You the full measure you gave me You Alone Are...  
The Perfector of Our Faith, The Hope and The Amen.  
I ask Lord to be fully divorced from the world that has been my husband and I ask that You cleanse me with Your Blood according to my confession and repentance and renouncing  
And the adopting of new truths and a new covenant with You.

*The end is the new beginning and The New Beginning is with us... He That Rides The White Horse Is Among us and we together with the saints In Heaven are and will be the armada of the saints that will Follow Behind Him.*

*We will march together in His Name across this earth proclaiming that The Lord Is God !!!!*

Do you know and live the deep desires of *your* heart?  
They are there for He Placed them in you as He Has in me.  
They can lie under many things of the world that have entered.  
There is help my brothers and sisters In Christ?  
...just ask and *He Will Answer!*  
*Knock And The Door Will Open!*

Life Is In Christ Jesus,  
Life Is In Yah'shua,  
It Is Only About Him, and not us.

May The Lord Our God Be Our  
Fountain Of The Everlasting,  
The Living Water Of Life  
for we that thirst... coming  
To The Well That Is Deep  
seeking  
Him And Only Him...  
The He that we call  
Our Lord And Our God  
The Holy God Of Israel.  
Arise Oh Spiritual Nation of Israel,  
Arise, Arise, Arise !

And to this and all that has been said  
I say Amen!!!
