The Yah'shua Project

*Reverence In The Lord's Studio
where the gifts of musik & song flow forth
from The Vine, His Vine Alone...
that they bear much good fruit unto Him.*

*Musik as a gift from God.
Musik as it was intended to be...in reverence.
Musik without worldly attachments & influence.
Musik is the most powerful living gift
bestowed unto man by The Spirit of Our Lord.
It Is Of The Fruit Of The Tree Of Life.
May This Fruit Be Guided Only
By The Holy Spirit of Yah.*

*Our Lord IS The Tree Of Eternal Life
And The Granter, Guarantor and
Deliverer Unto Life Eternal !!!
All Praises Be His Alone & Forevermore.*

The Lord's Studio

*Our Conduct & Our Reverence
In The Gift He Has Bestowed
Upon Us, His Children is very
Important as we should always
acknowledge where our gifts
come from and should serve.*

*Let us fight the battle and work
Hard to overcome our own
Desires and wantonness
That He and He
Alone Be Served.*

*Let us walk with the light of
Faith, Hope and Trust in
He That Is The Life,
The Light and The Way.*

Amen, Amen and Amen !
