

Selling **In The Temple !**

It is made quite clear in Scriptures that

The Temple of The Lord

is not an earthly one to be led and conducted by the flesh !

It was also abundantly clear according to

Jesus Who Was Angered Who

overturned the tables of the money changers in the midst of The Temple !

In the sanctuary within which I do The Lord's work I in no way ask anyone for anything as this is not the way of the humble servant who knows that

The Lord Himself

will see to his needs !

As I know The Lord and know His Ways I will uphold them !

In The Light of Christ and The Scriptures to place money as the driver
in the sanctuary of The Lord as it is in the world is both
an abomination and forbidden !

So I say to you that this site is being treated as a sanctuary that will

Uphold The Ways of The Lord, The Ways Sacred And Holy !
and should I find any error or falsehood, I will repent and correct them...Amen !

I Love The Lord with all of my heart...

His Rod and His Staff

are my comfort for my comfort comes in knowing

His Good And Pleasing Will

and following it to the letter of The Detail He Instructs !

...much like Solomon was instructed in the building of the temple

That was in detail, to the cubit and then measured

By The Lord's Angels

to insure that

His Exact Will

Was Done!

In this web site you will find links to distant web sites that do
sell things that cost to produce and are produced
by God's children for their
livelihood !

This was set up according to
The Lord's Spoken Instructions
for commercial offerings!

In these important matters two or more servants of The Lord who
have laid down their lives earning the trust of The Lord
must come together and each hear

The One Will of The Holy God Of Israel!

As it was then so
it be now...
Amen !

The Lord has never been against labor and the fruit thereof.
he is against those that would place priority in money,
have it become their driver and selfishly lining
their pockets and storehouses with the
Blessings of The Lord!

He is also against those that demand of the followers according to their wills !

I say to you here and now that this site is not established in order
to ask you for anything or to entice you to buy what
you may have freely here; it is only offered
you if you are led to visit them !
