

Contacting Us...

At this time we are very few and truly will be unable to handle all of the inquiries, questions and requests that will flow in the time to come !

We will attempt to communicate well with you through the website itself and The Author's Journal.

It has been my pattern to receive feedback from The Books, The Site and people day to day that then either immediately or in time translates into a new writing or entry into

The Author's Journal!

You will find the link at the bottom of every web page.

Furthermore...it is the intention of this site to point you to

The Father Through The Son

that you may come to know and be

Led of His Holy Spirit

in your walk, your new
narrower path...

Amen !

The Lord is your High Priest, your Counselor and your God
in all things...Place Him And His Kingdom First
in your life and you will be taught,
you will become and be
guided to live
a new
life
