A Letter To The World...

To God's children...My Brothers and Sisters !

The Lord's flock !

The Light of Truth Is In Christ, In Yah'shua Seek The Light Of His Lampstand!!!

I am a moving wheel. My every movement is directed by The Lord. I am focused on His Truth. My hunger is and has been insatiable for the understanding brought me by The Holy Spirit. It is my experience that the world teaches us lessons opposite The Truth of God. Truth-Wisdom, Knowledge and Understanding- comes from God and is Imparted In Spirit. As Jesus was One with God so we are encouraged in The Word to become One with God Through The Son. Therein lies the Freedom. Thus our eyes and ears are opened to Truth...all things shall be revealed is the promise...seeking is the avenue. It is the eyes and the ears of the flesh that deceive us...It is the heart opened and turned towards God that hears. Open the doors to Father God's Love, Voice and Library of Truth. One must fast to the world and set aside personal will in order to begin to enter into a relationship that truly leads us to Oneness with Our Lord God.

All fear and negative emotions reside in the mind coming from a clouded heart...the mind is where decisions are made according to man's will (Emotions, Desires, Lust and Thoughts). It is this flesh, man's carnal will that stands between man and God. Complete surrender through faith and trust opens the door to Eternal Freedom. The world speaks of freedom and defines it in it's terms, but are we truly free ? When I lay all will aside I become the once hollow bone filled with life by God and His Will...filled with a new Living marrow ! Nothing of this earth compares to The Grace of God's Unconditional Love. Becoming and being One with God allows us to love others with that same unconditional Love---no matter who they are, what they say, what they have learned or what the world's

false doctrines have insisted they conform to. Loving thine enemy convicts them In Spirit whether they are conscious of it or not...This Love is as a bridge that joins us or as hot coals upon the head of the wicked. If we are made in God's Image, why do we judge ? Only God Himself Judges. It is through suffering and pain that many people arrive in a place where only God is the answer. God Knows the beginning, the end and all things in the between. He Showers us with Love and His Discipline is gentle for only He Knows each one of us perfectly. Yet we walk around with dark umbrellas over our heads that acknowledge not His many gifts and blessings unseen. That which is ugly in the world is of satan and God Decides what to allow on earth According To His Will And Appointed Timing Directly and through those that are as One with Him...vessels yielded and obedient to His Will ! I have noticed that many are not very loving and gentle in response to those that may still be spiritually dead, sleeping and driven by the flesh...not yet guided In Spirit. The approach taken towards others either disarms them with love or brings up a wall in others that keeps them in their darkness... and in bondage. Impartation of Divine Truth can be done without lengthy words and worldly intellect. For one to say I have no time for those who judge me or for those that are blinded by the world's dark cloak concerns me greatly...the world has become darker and darker yet His people appear powerless to speak or stand upright against evil...In fact, it has been the believers that have allowed this wreckage of a ship that is intended to be His Ship Steered By Him leading us, the flock, to green pastures and still waters...If Jesus and His disciples were selective about The Truth and The Gospel From Heaven in this way, far less people would have been free to hear The Good News and to follow The Lord. The Lord owns all souls...they are bought and paid for Through His Blood Shed. It is time to step out of the confines, the structures of man first... *Then* one can approach The Kingdom of Heaven...*Then* be Led By The Holy Spirit (not of the flesh !) ...and only *Then* can we live According To God's Pleasing Will and reach out in all directions as it was intended !

It is time for God's children to reach out to the Rabbi, the Teacher for their Manna-The Bread of Life, The Sustenance and The Wisdom to

guide us through these perilous times into the end which is the new beginning...be ye advised that this time is near !

Discipleship has been replaced with inadequate crash courses that have resulted in the destruction we bear witness to in the world. It is a sad thing that brings tears to the eyes of our Lord. If it were less about us and all about Him, then we would be well justified, filled with joy as true brothers and sisters...children of God. In reality we find ourselves separated from one another and from God. Under the cloak of Grace we feel entitled to celebrate rather than to lament...to continue sinning while claiming salvation in Christ, in Yah'shua...while avoiding the altar of self sacrifice and of true repentance. The Mercy Seat is exchanged for man's blindness and justification of his self-imposed ignorance. Remember a blind spiritual man adopts an understanding according to his flesh. Blind men foolishly adopt different understandings of The One Truth and then bring division within the body of humanity, The Body that is to be of Christ and God's children...He who is perishing himself cannot bring light to others. And, if The Light were known of by all then why do the many uphold and hold up false light ? He who is self assured knows not the way, the narrow path or The True Sovereign Leader that is both. A lost sheep of the flock cannot shepherd the flock. A blind sheep cannot find its way without The Good Shepherd !!!

To know *of* God is not the same as knowing God through a proper humble and reverent relationship as is laid out in Matthew ! The Scriptures and The Spirit Who brought them forth are cast aside for a part time service to God...an air of holiness is inferred through man's meager rituals quite often accompanied by euphoric entertainment. The Church of Christ has been cast asunder for an adaptation, a modernization of that which is Holy and Sacred...The Ancient of Days that resided in the True Temple according to God's Laws and Ways Instructed has not been made welcome in the hearts of man !

If assumption is the mother of all lies, then why do we assume so much while being under educated in The True Gospel unto lives lived according to the flesh and its many deceptions ?

So is all lost and hope to be cast aside...I say Not!

Hope Is Still In Christ Jesus, In Yah'shua...

Darkness perishes in The Light of His Lampstand
and in the heart that is reunited with

The Heart of Our Father!

Amen, Amen and Amen!

The How has been cast asunder for false
comfort and thus a false gospel!

The Way has been blurred and cast into
the shadows where we have
chosen to reside.

So is all lost and hope to be cast aside...I say Not!

We must return to the ways of the honest and innocent child. How will this happen with our individual and collective histories, both current and generational, that have walked away from God The Father, The Lord preferring darkness over The Light! Is sin not running rampant among the flock? This we cannot do alone and can only happen through knocking upon the door of The Lord...through acknowledging our need for A Messiah and The Deliverer rather than claiming deliverance in abstensia of a true reverence of God...An *honest relationship* with God?

To know of God is not to know God!!!

Man has fallen a great distance from God.

I

Man no longer understands the simplest of things of Heaven. Man takes great pride in his zealousness and self proclamations. Man has fallen from Grace a distance immeasurable. Man has ended up in the gap he fostered and created. Man cannot find his way out. Man loves darkness more than The Light while Grace has kept the greater measure of the darkness of reaping at bay...we live on borrowed time under The Grace of God that is to lead us unto repentance and we *cannot repent enough*...yet God's measure of Mercy abounds in a measure greater than our disregard, our falling away and our sin !

Let us remember that it is
The Love of God The Father
that drives out all fear and
The Son is The Way
Unto The Father.
Amen!

It is in honesty and humility that we
must return to Our Father!

The heart that knows its brokenness is the heart that is willing to walk the path of the valley of death knowing The Lord will hold the hand of the weary traveler bringing him the distance back into The Light...That of his innocence and a child's beauty...back to The Image in which he is *truly* made !

Let us remember that we may not enter The Kingdom lest we come as a child. A child knows and trusts *fully* His God and The Son...a child delivered from his many afflictions and darkness is *guided by* The Light of The Lampstand and The Holy Spirit of The Holy God of Israel...The God of Abraham, Isaac and Jacob !!! The God of Jews, Gentiles and *all of God's children, The One God !!!!*

I invite you to take my words in The Spirit with and from which I deliver them. They are not judgments, rather they are observations of what goes on all around us! They are things to think about...

to ponder. My spirit is of unconditional Love and respect for the path God lays out for us individually and in the knowing that only The Lord can bring together HIS Body into One Body ! We come from all different angles with the potential in Christ, in Yah'shua to arrive in the same place. I also invite you to reference The Word less selectively and look deeper beyond the words for the deeper understanding relating to our enemies (those self righteous ones that might attack you). Was there ever a time that you may have been in the place they currently reside. Be careful to reject people that are not unlike ourselves at some point in our journeys. God Himself Knows who will come to The Well for the full drink and those that come for a sip and run back off into the world expecting The Well will overflow towards them whenever *they* decide It is worthy of a visit ! Then man descends deeper into darkness by believing he can re-define what The Well is to be according to his *self-perceived* needs ! Oh I thank The Lord that He has not abandoned us as we have abandoned Him ! The Lord Said to Me there are those that you think will come to Me that will not, those you think will not that indeed will and all possibilities in between...The only way you will know is By My Spirit Said The Lord ! Our many judgments of one another is in large part the log in our eyes...If I judge you, I judge myself ! Ye without sin cast the first stone ! The lessons we learn from our Rabbi, our Teacher are also available to those that have not learned them yet...but first they must be a living reality within our hearts that must guide our walks. My sense is that as we that have chosen to walk the narrowest of paths to follow The Lord, we all have one foot on earth and one in the heavenlies that are within us from our beginning. Thus we all suffer from a departation, a post partum from The Spirit of The Lord Our God That Is Good and then are slapped not only on the behind but from every angle by evil...we arrive into this earth with much but the world robs us of much...the greater the surrender of the *self* will the closer we can approach Oneness with God from which we came and the closer to His Perfection we aspire to be. Our potential In Christ is amazing and yet we flounder. Our own quests are but feeble attempts at godliness. Our self-guidance while claiming belief in God is hypocrisy at work! The reality is we are all sinners subject to asking for Father God's Mercy and Forgiveness. This Mercy and

Forgiveness was made possible through The Sacrifice of His Son Jesus Christ, His Son Yah'shua. Acknowledgement of our sinful ways keeps us humble and in awe of God's Grace knowing that favor is a force that yields a greater measure of effectiveness in God's Plan through having *earned* God's Trust. We must come to understand the story of Adam and Eve and how it truly relates to our condition, how and why we do what we do and, most importantly, how we are to arise from the condition, the sickness we suffer. I have often asked people Do you trust God ? then, Can God Trust *you* ? The response has been...I never thought about it that way ! These are matters of perspective...When we are willing to see from His Perspective then we can begin to emerge from our shallow self-serving perspectives. The humble servant allows himself, herself to open their heart's door to His Greater Will. We are accountable and have a responsibility as disciples of Our Lord And God to know and to do God's Good And Pleasing Will...which means to know and follow His Voice...that we may each fulfill our roles in The True Ministry of The High Priest, of Jesus Christ, of Yah'shua. Those In Spirit know that Melchizedek was The Lord Who Came And Appeared to encourage His Follower who felt alone in his hearing and knowing The True God. What may I ask is your ministry about ? My mission In Christ is about bringing The Light of God's Love And Truth to all that surround me... friends, people I know, do not know and my enemies. God's Love has no walls and is free to all. Father God has shown me how to do this without bringing up the defensive walls (man's fearful flesh and resultant defensive will) that act as a barrier to His Truth. Yet as in my life, the flesh will rebel against The Truth of The Kingdom that we are to seek out first in all matters. To reach out in spirit beyond my surroundings as The Lord Guides me through the transforming of my mind and His remaking my heart anew. My heart was so shredded God granted me a new one...It would be my wish for all to have this transformation rather than to *condemn* them to their living hell, in blindness...*this* I have no authority over or right to do. I have no right to make my way a false light for people to follow knowing That His Light is The True Light that cannot be transcended by the flesh of *well intending* people. Good intentions do not make for Good Works just as good intentions later become the excuse for the

error and damage inflicted! By grouping people together under the guise of man's historical worldly interpretations we do rob many of their individuality and their potential for both peace and joy to be found in The Lord.. I would bless those that attack you as they are fighting against that which they seek. So often we own the projection of another's guilt when it is not ours to receive. Accusations and judgments are truly owned by the hurler looking for someone else to own the filth. It is the turmoil of The Light of Truth that unwraps the box in which we hide our darkness that cloaks over the potential we all share ! We are to glorify The Lord Our God in our lives individually and thus together ! In this way we raise The Lord above our selves and become true vessels and servants... thus enabled to bring to our brothers and sisters what they truly need above all things...The Love of The Lord and a shared Hope In Christ. The Lord through us can bring the change that is so vitally needed ! Let us be first aligned as individual children with God, then together as One Loving Body In Christ...*Amen!*

I am not trying to reform existing structures...rather I am asking that we tear their falsehood down and bring them back into conformance with The Word of God and The True Gospel of Christ Jesus, of Yah'shua. That we divorce ourselves from the world that has become our husband and the lustful adultery it brings in light of the knowledge of Who Our True Husband Is To Be and Who Our Father Is. In the world we become as orphans without our Father and I say we must seek to realize that He is both our Mother and our Father...

Let us be adopted back into The Holy Family And Union
With The Father, The Son And The Holy Spirit !!!

All I offer you with these words that I have written is a sharing of that which I was moved By The Holy Spirit that has taken over this little heart of mine to write to you. It began with my writing about The God I was coming to know and then The Lord took over my voice and I began to scribe what He Was Saying to me. I was searching for answers and a true understanding that would lead to living a wise life for Him as the life I had lead was for me and me alone in my misery. It was not something I planned or willed to do...It Was Willed So for me ! I love and have a very deep reverence for

Him and appreciate beyond words that He Came to me...a man that believed his life of no value, no good purpose and worthy of death. I can take no ownership of "Sayeth The Lord or Sayeth The Father" as I am neither. The Voice I hear comes from The High Place and my heart is convicted at with Breath! When I believe that I know enough, I know that pride has just been invited into my heart. Pride in my own ability can only cast a dark shadow before the path that is Truly Lit for others to find. I am humbled beyond any measure by the gift of His Spirit that comes to me. When I write I am as a scribe that must quickly take down all that is flowing forth from The Living Brook that feeds me. I am a yielded vessel whose cup receiveth much and it then overflows...much like a small bird who drinks from a fountain fed of The Wellspring of The Lord ! I have been instructed and commanded of The Lord to do many things...To take a stand for Him and to speak with the voice I have been given...First and Foremost! He Said to me..."I want to hear your voice." So for the seven years since The Lord Came to me and I came to Him I have spoken aloud to others...sharing This Love and This Good News! I cannot decide that which I will or will not do. My mind must be kept captive unto Christ, Unto Yah'shua so I must battle for The Higher Ground, beating my flesh to the ground as it tries to rise. My flesh is worthy of the death sentence that it imposed on me all my life. I answer to Him Alone and no other ! I am a but messenger, a servant and a humble warrior that has been given a sharp sword of Truth at my side...having been taught how to wield it according to The Fire of The Spirit From Which It Comes Forth !

It is His Sword and His Hand
that guides the sharpest of swords...

His Truth And Light!

I must answer to God...I must welcome His Rod and Staff...

I must sacrifice the full measure *to gain a measure in full !!!*

We all answer individually At The Throne of The Lord for our actions and the seeds that we sow. The Lord Will Know you if He Sees Himself *in you*, as you reflect *His Light* from within your heart. He Knows those that know Him. I Repeat that Knowing *of* Him will

not do ! We must humbly raise the measure of faith we have been granted and reach high above the lowly place of the world to reach The High Place Where He Resides. The Lord Lives... The price has been paid ! If we look at history, there are many individuals that have lead that were not in line with God. It is the blind sheep that follows things evil and dark. Are they all to be abandoned through harsh words or can they be offered Christ's Leadership, His Shepherding that *truly* leads them out of their darkness ? The Lord is Our Shepherd and if we truly accept Him into our hearts, are we not to also act as good sheep, caring for and loving one another... becoming good stewards of the many Blessings of God The Father. Through *a full surrender* to The Lord and a full *active* acceptance of His Personal Teaching, Healing And Deliverance we are first individually raised from our own death according to His Leadership And By His Spirit every moment of every day... When we come to believe that we are delivered by mere words spoken as opposed to the good fruit of a True Life Lived In Christ then surely we have lost sight of Our Deliverer. And we that dwell now in the Egypt of then now must not fall into doubt as those that gave away their reverence in exchange for doubt, sin and iniquity that fashioned a golden calf in their hearts before they melted down the riches of the gifts God made Pharaoh give them upon leaving for The Promised Land. Yet despite The Mighty Hand of God that delivered them they decided to reject them. They met with their just reward... Let us not be as they to forfeit our inheritance In Christ, In Yah'shua for the same idols that Moses destroyed in the shop! Then and only then with a proper reverence can we properly Led by His Example, point the way for them who come as we come To Christ Jesus, To Yah'shua Who Is Our Leader... One with Him, with Them as He prayed... Amen... only then we can be led as One Body In Christ !

There is A Voice... The Voice of Our Shepherd Calling out to us ! Be still and listen for His Voice... Remember that once awakened of The Lord we must respect that others that have not yet awakened from *their* sleep ? We either come as beacons of His Light or we bring them our measure of darkness to drive them deeper into sleep and closer to death !

I

I wish you well my brothers
and my sisters...

I feel a very large portion of
God's Love In This Sanctuary, This
Dwelling Place of The Lord
that I have found...

...I pray for those that will come to

Preface To The Light of Truth

Let me tell you about the God I have come to know.
...a journey that never ends for

His Depth Is Eternal!

I live and walk with Him now.
I no longer walk alone.

My mind is being renewed In Christ Jesus.
This is not of my doing but of His Doing!!!

I am being transformed By The Truth!
I am being restored Through Him.

It Is His Spirit that ministers to me
and I hear Him... In Spirit
through my heart
opened.

The Father Came to us reaching out His Hand
Through The Son of Man
Who Came in the flesh to show us The Way...

Jesus Is The Way Back To Him!

He Came in the form of Salvation and Redemption
that we might be made to live righteous lives
In Christ For His Name's Sake.

I lay claim to That Righteousness that He died for !

He died for us as an example of what
we must individually die to.

I am willing to die for this.
I am willing to give all.

I choose to go the way of the disciple,
to fight the good fight...

That fight begins and ends with me
and my will properly aligned

**That He May Be
Glorified!**

It Is The Lord Who Wins the battles!

In Him all battles are won
before they begin for

He Is The Victor!

May All Glory Abound And Ascend
On High To His Throne...Amen!

I look forward and never back
keeping my eyes

On Him

like a flint.

I proclaim my faith In Him.
I surrender my will to His Will.
I am nothing without My Lord And
My Father In Heaven!.

When the world patterns of old creep back
around I run back to my Father!!!

For the man I was...was of the flesh and I was surely
not the child of The Father that I am now.

No one can take away or destroy what or who I am
now by replaying what I was... as that
old record is broken.

II

I choose not to listen to the world,
I choose to listen to
The Creator And Author Of All Things.
I know **His Voice And Word**
To Be True!

He Is The Word And He Lives!!
He Is The Living Word!!!

I know what I am In Him.

I was made with

His Love In His Image.

I do not break the mold,
I am molded!

He Is The One Who Molds,
He Shapes me as clay
and He Reshapes
all my days.

I reborn of The Spirit who bear witness to
The Light And The Living God
foretell and speak The Truth as
a vessel of The Lord.

I who continue to heal in my heart and soul seek
The Light of The Lord's Renewal
and continually set my will aside
For The Greater Will!

I am but a bearer of His Word seeking no glory
for myself but Glory For The Father.
I serve as a living testimony.
I am a survivor

In Christ Jesus,
Yah'shua

!!!

II

I seek to edify Him in all things.
I live only because and to give testimony that
His Truth Lives, Heals And Delivers...Amen!
I am becoming **One With The Father And**
He Is To Be One with me.

The more I give and surrender, the more
He Becomes in me!

May His Glory abound toward you.
May you be a blessing onto Him.
May you receive His blessing.

g

t

r

I say to you that
The Kingdom Of Heaven
Is At Hand!

I choose to freely give of that
 which I freely receive.

We all have our cross to carry in order To Follow Him.

The price for freedom is what I am willing to see,
 what I am willing to hear and what I
 am willing to let go of.

It can be a heavy cross to bear upon the back
 of the oppressed, persecuted and
 tattered children!

I may stumble but I will not fall for
It Is Jesus Who Lightens
 my load as I bring these things to
His Alter Of Sacrifice
And Of Mercy.

My reward is Glory For Him, In Him
 And Being With Him.

I lay claim to the promise of my inheritance.

I know that He Is The Light
 onto my path to

The Kingdom of
Heaven!

Greater Is He the man of The Spirit in me than
 he that is of the world, the flesh man.

I choose to let go of self.
 I choose to die to the flesh.
 I choose to own and to confess
 the truth of my life lived.
 I choose to repent of
 all my ways...
 To seek His Forgiveness And
 His Eternal Mercy.

And should I fall back into sin I will go back to

The Seat Of Mercy

with my hat in hand Before Him
 in my great weakness and humility
 knowing that with His Help
 I can be broken!

I can be broken of being a black rebellious
 horse and learn to follow in the
 ways of the white
 stallion.

I know that true strength lies in my humility and
 my willingness to see and admit
 my weakness...

I seek Him for *His Strength!*
 I choose to decrease that *He May Increase!*
 I choose to trust *In Him!*

I believe for restoration, renewal and redemption.
 I choose to be patient and endure for
 the valley is long and dark.

Whom will you follow? I say...
Follow The Good Shepherd!

I choose to trust, love and listen to My Father In Heaven.

No man knows me as My Father Knows me
and My Father Knows me perfectly.

He told me that His Lap is big enough for all of his
children and He Does Not play favorites !

Our Father never leaves us...
It is we that leave Him!

In Him Is The Love I seek.

In Him Is The Peace.

In Him Is my rest.

The things I so desperately sought
and could not find.

Father God Says to me His child...

Seek your Truth Through Me
And I Will Show you
what you need to know.

I know That His Spirit Guides me in
the right direction, the direction of
His Perfect Will for me.

This requires much patience
and endurance for there
is but One Truth...

The Truth Of His Word...

He Is The Word!

He Is The Life

that we may live!

Only The Father Breathes Life Through His Word!

The showers of heaven
descend freely
on to all,
on all that which is good,
on all that which
is evil.

All deeds of man are seen, known
and to be exposed!!!

There are things *That Shall Not
Be And Will Not Stand!*

The Truth spoken is The Truth heard!

Truth is the turmoil that delivers us
from a world of lies indeed!

Are you willing to hear and see ?
Are you willing to speak ?

I am not afraid to speak The Truth
that I have been asked to speak
for it is not I, No...It Is

His Spirit That Speaks
through me.

I know that He Stands with me as
I take a stand for Him!!!

I know that He Carries me when I am
weak and can no longer walk

.
. .
. .

I know That There Is
Nothing Mightier Than God,
No One Mightier
in the earth!

.

See and feel
The Tremors Of His Truth
coming into our
world.

The storms in the land are but a foreshadow
of The Greater Spiritual Storm
that is to come!

Is not assumption the

I Say Let My Truth Replace
the lies born of your many
assumptions...

Be Not Misled!

I say open your eyes to His Truth!

**The Father Is The Creator And
Author Of All Things.**

Seek Out His Truth over the world's *false truth!*

His

I choose to filter all things through
His Holy Spirit!

I choose to follow
The Light Of His
Truth!

I
choose
Life In Christ Jesus,
Life In Yah'shua

I submit on my knees and on my face
Before Our Lord God

**For It Is He That
Offers Life

I will not submit to the authority of another!

To those who claim false authority
In Christ and do evil I say

**It Is Jesus Christ Who
Has All Authority**
In And Over my life...Amen!

I am not the master over my destiny...
There Is But One Master...

He Is Jesus Christ!
We are to be His Slaves!

We are servants unto Christ Our King!
We are not to be slaves onto slaves.

II

The world would have us believe that we are
to submit to man and each other.

I say to them...
Is man our master or is

The Lord of Lords The King of Kings

Our Master
?

g u t t e r

Remember...

There is but One Master!

It is my heart's desire to come before
The Lord's Throne of Judgment
and for Him To Say...

I Know you!

You, My brother, are a child in which
Our Father is well pleased.

You have served Him well!
Our Father Is Glorified And Edified
in you and in your
ways !!!!

You have presented yourself Holy In The Eyes
Of The Father Who Has Seen All!

You have been forgiven of the sins past through
your repentance and confession.

The Father's Mercy has been upon you.
He Has Forgiven And Forgotten!
What He Has Forgotten
I Have Forgotten!

You have fought the good fight In His Name!
You have stood unwavering For Him!
You may now enter

Through The Gate
To The Place of His Holiness
Into His Kingdom!

Indeed I have a long walk ahead of me to That Place.
I seek to be and stay the child that I am In Him.

Wrapped in His Arms,
Nurtured by His Love And
Taught In His Ways.

Seeking wisdom and understanding In Him
For His Truth Is Absolute!

I will pick up my cross daily and Follow The Lord.

I will repent and confess for my sin...
my sin now, my sin of the past
and the sin of my
generations before me
from their past...
that is my
past
!

In this I know
That He Will Find
the bitter root that
yields no
fruit.

He Knows where the root lies and
He Pulls It Up And Out!

...I bear up the ground compacted and that
is hardened over my heart.

I know that His Deliverance And
Healing is complete.

The Lord Is Our Only Physician!!!

Only He Heals my sickness and afflictions,
Only He Has That Power...
The Power paid for at Calvary!

**It Is The Blood Of Christ
That Delivers And Heals!**

**True Miracles Lie
With Him, Through Him
And In Him.**

I know that He Is My Redemption.
I know that I am, my soul is

**Bought And Paid For
By His Blood!**

I know that satan was defeated and
holds no power over me.

I will listen to The Father In Heaven!

I will not listen to the voice of another.

I will serve and follow Our Lord!

I will be guided by His Spirit,

The Holy Spirit Of Yah!

Then who are those that would say to me
for speaking and upholding

The Gospel Of Christ Of Yah'shua

that I am wrong in
so doing
?

To them who say
“ How dare you question my faith? “

I Respond
Look ye closer at faith!

You say
“ I have faith unto my faith and
it is sufficient unto me. “

And I respond...
Be not too comfortable!!!

We are called By God's Wisdom to carefully
ponder and adhere to The Truth of
and the ways of living a
life according to

The Word And The Gospel!

My Lord And God Is The Judge Of Me,
Of You And Of Everyone!!!

Be not one who perishes *for lack of knowledge !!!*

Who are they that accuse?

There is but one that accuses...
and he is satan.

.
.
.

he is the accuser of the brethren.
he that distracts and leads us off of our

True Path With The Lord

.
.
.
.

he surely is
the one who plants
lies, confusion, false thoughts
leading us to death's door
spiritually and thus
physically!

It is we that choose the path !!!

Do not worship in the synagogue of satan!

There is no light there, only darkness.

Whom shall you serve?

Whom do you serve?

I
The Lord
Say

I Came into this earth to
model the way to

The Father!

I Came into this earth so that
you might see and hear

The Father

.
. .
.

I Am One With The Father And
He Is One With Me!

Be ye not as the pharisees who knew Me Not
and who saw Not My Father In Me!

If I Came This Day,
Would you know Me?

I say to my brothers and sisters...

Where Is The Father when false faith itself
fooled in its deceptions
itself above

Him
?

Why is it you cannot *hear* Him?
Perhaps the noise all around you and in you
to which you contribute stands in the
way of your hearing...

Hear what you are saying in your words
spoken and lives lived...

“ I am the master of my destiny. “
Who is this “I am” ?

There Is Only
One I Am!

He Is The Same Yesterday, Today,
Tomorrow And Forevermore!!!

Indeed...It Is Our Lord,
Our God!

He Can Show us the error of our ways.
He Can Guide us in *His Ways!*

It is now your time to repent and
to confess before

The Lord Who Sits At The Seat Of Mercy.

End of Preface

I took a walk one day and this is what
I Your Lord Have Seen...

Many of you are with Me.
Many of you seek Me.

Many of you do not seek Me now.
Many of you will seek Me.

.
. .
. .
. .
. .
. .
. .

When you read these words...

Stand exhorted under exhortation.
Stand ye righteous under righteousness.
Stand ye convicted under conviction.
Stand corrected under correction.
Stand ye encouraged under
My Encouragement!

Renounce that which is of the world and
Seek no other but Me!

If you do not *know* Me and yet believe
That I Walked on this earth,
know these things...

The Things Of

ME

And Do As

I Lead

you

!

I was crucified
carrying all curses, sicknesses,
disease and all the sins of
mankind and was
Raised From
The Dead
To
**Sit At The Right Hand
Of The Father
And I Live!**

If you believe and confess with your tongues
That The Father Sent Me His Son
**As Your Deliverer And
As The Way to Heaven...**

If you believe and confess that you
are indeed a sinner and
That I Died For
your sins!

If you believe with all of your heart in This Truth,
proclaim it with your lips for the earth
and heaven to hear!

Proclaim and confess that
“ I Am Jesus Christ, Your Lord and Savior. ”
Pray This In My Name and
it shall be done.

I Search, Find And Expose that which is evil.
Repent ye of that which is of evil.

Come to know that which is of **My Holy Spirit**
and that which is of the flesh, coming to
discern By My Spirit the
difference.

Beware of your own mixture that
believes that both can
live together.

The flesh cannot walk in The Spirit.
The Spirit cannot walk
in the flesh !

I Can Show you if you are willing to see.

I Can Tell you many things if you
are willing to hear them.

Know That I Am Here!

You must come only to Me as all
other paths led onto death.

Knock and the door will open!
I Invite you to walk with Me In My Glory.
I Came in the flesh born of man...

The Son of Man
The Living Word!!!

Some heard me and many
did not listen!!!

There were those that denied this.
There were those that defiled.

They then abused and they now abuse all that
was good for their own purposes.

There were those that thought they had
killed Me, The Living Word.

I Live Indeed!

It Was The Power Of
The Holy Spirit
Raised Me from the dead to
Eternal Life Next To
My Father.

As It Was Written so it was done!

I offer you of That Same Power that
you may be raised from your
spiritual death unto
Eternal Life!

As It Was Written so it shall be done!

I Am Truth!

I Am Absolute Truth...

The Truth that exposes, convicts
and condemns,

The Truth That Is Of My Love,
The Truth That Does Not
Turn It's Back And
Lock the door!

Knock And Surely I
Will Answer!!!

As The Word Lives And
I Am The Word

I Live!

Now all will hear Me...

This message is for all,
Not for the few.

I Speak to you no matter where you have
come from or where you stand.

You must now choose your direction!

Adopt The Proper Perspective,
My Perspective!

I Show you these things through Mine Eyes
that you may see *What I See!*

To serve
My Good And Perfect Will
Seek Me Your Father
in all things!

I Am All Things!

By seeking Me you then enter
Into My Spirit that will
transform you.

Trust In My Spirit,
Trust In My Son

I Can open your eyes...

Enter Into My Depths.

Receive of My Perfect Clarity.
Receive My Perfect
Accuracy.

Realize that My Truth Is Absolute!

Accept **My Perfect Order** that no
one can touch or destroy.

You have all been given a
measure of faith!

Appropriate that faith toward Me,
And I Will Show you trust.

Appropriate your trust to Me!

**I Am The Guiding Light,
The Only Light!**

The Battle is in the one
that is you and is

**Against The Oneness
That Is Me!**

The battle is within you and only
you stand in the way!!!

It is not what you are on the outside that battles, it is
that which is deep within you...your faith !

It is not others around
you that shape
Who
you are!

You do not shape who you really are,
It Is I That Shape
you as clay!

Your life is predestined As I Knew
you before the beginning.

You that are chosen step forth In My Name.
Your barriers and limitations are imposed by you...
self-imposed by your fear and the many
lies that you have learned.

**I Am Here To Change
These Things!!!**

You seek happiness in many places,
things and in people.

Hear Me!

I Am the happiness and peace that
you seek yet cannot find.

Do not be fooled by thinking you will
find the love you seek in others.

You love yourself in boastful
and in prideful ways.

You love things and you love carnally in
your flesh according to your own conditional will,
you submit to fears that create your many
dilutions that you call desires!!!

These desires are *your* desires...Not Mine!!!

Your dilutions create your false realities of
expectations born of pain, suffering
and fear...realities of the world,
not of that From Within

And Above!!!

You impose conditions on the love you give others,
you impose conditions on the love that
you seek from others.

Have I Not Said love others as you love thyself ?

Come to know A Love That Surpasses All...

I Am That Love!

Surely sexuality is not Love!

When Godly Love is not present where imagination
and creativity seek to enhance the physical
rather than growing the spiritual

Realize that this is the wrong direction!

The world says sex sells and it sells sex freely.

**Do not sell yourselves out or
Me out under this lie!**

It is both self-serving and of your
mere self gratification.

See the recklessness in you
and all around you...

See the disease at work!

Proper love in marriage is needed where
My Unconditional Love is in each of you...

*Then Together In Me Is The Closeness
that is truly a blessing!*

I Am Love!

I Hold The Key that unlocks the heart!
 My Love Is The Model of All Love.
 My Love Is Unconditional.

Once you **Know My True Love** you will
Know There Is No Greater Love!

It is This, My Love, that is shared with you
 that opens your heart to loving others
 in the same way that I Love you.

I Am Waiting for you...

I Am The Patience!

I Will Unlock that which you
 carry deep within you.

That which you seek in the world yet find not...
 Who you are and What are you In Me?

I Am The Divine
 Guidance.

See the gap?
 Feel the
 gap
 ?

I Am the gap allowed!

I fill the gap that lies between us,
between you My child and I!

I Am The Distance between you and I,
between you and Your Father.

I Divide you from the many things
that keep you from Me.

I Am The Separation!

I Am your circumstances,
that which I Allow.

There is no such thing as coincidence.

Coincidence is disbelief in

My GREATER CONTROL,
My ORDER!

My Direction Is Clear,
To Be Trusted In And Is Of
My Greater Plan!

Disbelief In My True Existence in *all things*.
Disbelief In My Interaction in *all things*.
Disbelief In My Divine Providence.

I Allow you your disobedience that you might
seek out and come to know My Mercy!

Know That My Mercy Is
for all that come humbly
before Me!

I divide to isolate and bring you to a place where you
realize that you do not have the answers.

Have you run out of answers?

I Am Wisdom!

Look at the world around you!
See what you have
ignored!

Do you have control?
Do you have the answers?

You have many philosophies, opinions, plans,
methods and so many approaches.

What have *they* served?

You have and do allow your many
so-called truths to stand
side by side.

How can there be so many truths?

Truth is that which All can agree in!

Truth Is Light that joins us...surely not
the darkness that separates us.

Know That Truth Is Not of the many
false perceptions *appearing real*...

My Truth Is **The Only** Real Thing!

Stop fooling yourself and
one another

And

Show Me where the world has had the
good answers that serve all and
not the few or just merely
one's own desires!

Why do you battle and war with each other?
The battle is truly waged within yourself.

See how you project your guilt and
many fears onto others.

Look deeply within
yourselves..Are you ready to?
Are you willing?

Set your many fears aside!
Hold My Hand!

Truth is a difficult thing
to face alone.

I tell you it can be a big pill to swallow,
The Truth can be hard to swallow
but is a pill that truly heals.

It is far better to swallow The Truth That Is
Unto Life than to continue consuming
lies that are unto your death.

Once I Show you *your own life* you will come to
better understand others around you.

Beyond your fear lies **My Truth...**
As fear departs *My Beauty Emerges!*

I Close the wounds!
I Stop the bleeding.

I Did Not Come Then And
I Am Not Here Now as a temporary
band-aid!

Your ways are but a band-aid under
which the bleeding continues.

Only I Heal the wounds!
My Blood was shed for all of you!
My children need not
suffer any more !

I Am The Only Safe Environment,
The Environment you believe you can make for yourself,
by your self, but are unable to and cannot create!

Without Me your existence is most
futile in its endeavors.

I Am The Simplicity
that replaces your many
complexities.

Join With Me
Your Lord, Your God!

Feel My Acceleration...For
I Am The Way!

Know ye *My Perfect Flow!*

Many things have been and are being done
In My Holiest of Names That
Do Not Serve Me!

Be not fooled!
Be ye not deceived!

I Have Allowed these things that you
may come to know My Truth...
The Truth Which Is Above
you and without
question.

The Absolute Truth Is The Eternal Truth

!

Your so-called truths do not stand
the test of time nor will
they withstand

My Testing!

Dare you to believe that you know
Better Than I Your God?

You hear only what you
want to hear!

You listen to many voices...
thus you are deaf !

You see what you choose to see...
thus you are blind!

The world seeks to deceive and trick you!

You erect your walls built upon
pain and suffering

I Say That

*They are the

And I Am

Your intellect deceives you, thus you block
My Righteous Knowledge!

My Truth is obstructed by
the walls you build!

You are trapped within your own walls I Say!

You are trapped behind the walls erected of your will,
your false kingdom and false dwelling!

When Will you say Stop?

When will *you* say this is not working?
When will *you* realize that there
is more to life than *this*?

Do you feel isolated and alone?

Isolation divides My flock!

**I Know All the secret thoughts
that you keep to yourself.**

Believe Me When I Say That they are shared
by many, your brothers and sisters.

Your false fronts keep you from sharing your many
concerns and questions that are in common.

I Say that ignorance is Not bliss!

You must commit and submit to My Truth!!!

Reaching this point of honesty is the very
beginning of your new beginning!!!

Know That I Do Not Punish those who seek Me.

I Discipline my children that
they might learn of
obedience!

I Have Allowed you to walk in the path that
is of your choosing for you are
free to choose!

I Am Not the obstacle!
I Am Not the hurt and pain you feel!

See that your life is a series of lessons!

Lessons lived are the lessons understood
that yield the vessel to the

**The Deeper Teachings

My Truth Is A Turmoil
that is a healing force!

Rebirth is a painful crawl!

The birth canal is as a deep valley
that is long and dark.

There Is Light at the end of your tunnel.
The distance is great but worthwhile.
The distance is only as long as
your faith and trust that
bring you to Me.

all the burdens you do,

rest in their place...

The Kingdom is all around you.

The Kingdom is within your
grasp by reaching for it.

Wherever I Am And I Goeth...
My Kingdom Is With Me!

I Have Granted you small tastes...
Thus you will desire more, thus
you will follow *Me!*

I Am The Road Traveled To The Kingdom...
My Kingdom Comes!!!
My Will Be Done.

To Enter My Kingdom you must be the
child you once were, the child you
truly are that is to be My child.

As My children and your being of My Family
you are all truly brothers and sisters.

I Am Your Father And
I Love you!!!

You came from Me which was your beginning
so Trust In Me for your return to Me now
in this, the time of new beginnings !

you perfectly.

I Am
The One Who
Knows All Perfectly...

I Made you and you come
from Me!

Now return To Me As I Call your name.
No matter the distance, I Will Bring you back!

Let Me Show you the way...
I Am The Way That Is Guarded!

I Am The Light That Comes
into your darkness and
The Light That Is
Brighter!

Walk Where I Show you to walk!

Seek My Holy Spirit!

To Walk In And Of My Spirit You Must
Be Guided By My Spirit!

*Do not take but a small portion
and walk on alone!*

When you do this you believe you can walk with one
foot on My narrow path and your other foot
continues on the path of self-service.

It is not possible to walk two walks!

This is a rut, your rut !

This is when you believe that you now know
the direction and can walk on alone again...
Running forward Without My Guidance
only to be lost again along the way
over and over again lost !

I Know the depth and breadth of
your rut, your broad path.

Your rut is your will that guides you according to
your wounds and the pains of your past...
Things that you do not always see
that are connected in you.

I Offer Deliverance, I Offer Healing...
The Light Of My Truth Delivers
you from the many lies.

I Am Gentle!
Learn Patience And Trust

That Given To You

Knock on My Door And
I Am There!

It Is Always Open for you My children.

Open the door to a fuller measure of all the things
that I Offer you...It Is My Wish for you!

The path is narrow...
**Walk With Me And
Walk For Me.**

In *this way* you do not walk alone.
You were born for such a day as
this to make manifest

The Truth I Impart to you is to be shared
**According To My Will And
My Appointed Timing.**

All will have meat to chew on and all will have
much to ponder as you have pondered!

I Provide The Food And The Good Fruit
That Is Of My Tree Of Life...
Partake ye of Me!

There will be a new translation of deeper
meaning and clear definitions
that are the food

Stop with your frivolous attempts
of explanation that are of

Only I *Reveal These Things!*

You must decrease that *I May Increase.*

I Am Lifting The Veil that is over My people,
the veil that has long been over My Church.

Now the blind shall have the eyes to

There has been great division among you.

See how you have divided!

Long ago covenants were broken.
Today covenants are broken.

Division is false safety...of your complacency
in which you find great comfort!

When challenged in *your* ways you reject others
that do not conform to *your* ways.

Perhaps they conform to *My Ways*,
Perhaps they *Follow Me*!

Be careful who you come against!

Are you My friend
or
Are you My enemy?

You bring divide...

I Join Together!

Do as I say, not as I do is
the way of the false
gatherer!!!

Will these things survive
My Testing?

Man has shackled man from My Freedom
in lies disguised as freedom.

It is not about religion, a code of ethics,
nor a series of your many rituals.

The pathway of distraction, fear and false
expectations destroys My earth
and My children in it!

Truth is then buried in the rubble!

**I Test And Approve All Things As
All Things Are Mine!**

Be ye as good tenants,
Be good stewards.

I Am Gathering My Flock Together!

I Remain Faithful To Mine Own,
Those Given Me Of

I Bring you new means

There is an enemy that lives to keep you
in the darkness that teaches you
from a book of lies.

he that twists good things that they would appear evil
presenting his evil and wickedness as good!!!

Know of his ways...I Will
Reveal them to you.

he is ruthless in his pursuits.
he desires to invoke his will that reeks
of confusion and self doubt.
he is a false accuser.

See him in those that mock My Name, those
that mock you for standing With Me.

They hide in the dark places spinning many
webs and setting snares to catch
my little innocent ones
off guard.

Do not be caught asleep!

Beware of the false prophets who are
the prophets of Baal.

Beware of the duplicators,
the manipulators and
the imposters of
The Faith.

You will know them by their fruit that is rotten!
You will know them by their evil roots!
You will know them!
There will be many battles...

They will accuse you of saying things

Do not Break Apart The Oneness that
you desire and seek.

Do not separate one from another
or from one another I Say!

You have bondage,
I Offer you freedom!!!!
I Am the path unobstructed,
I Am the horizon that
knows no storm!

I Am The Opposite Of And Opposed
to all that the world shows you...

I Am The Clarity!
I Am Of Clear Vision!

It, *the world*, is the contradiction and
your stumbling block!!!

It is the world that clouds
over *your vision!*

I Ask you to fast to the world!!!

See that the world teaches
you only lies.

I Offer you My Truth!
Who shall be your
Teacher?

Understand this Law of Opposites...that all that
is of the world is opposite and is surely
opposed To My Truth!!!!

Beware of mixtures, concoctions and potions!

Discern where evil hides and *still* resides.

Look into the deepest corners of
yourselves and in others
...where things
hide.

Know that when the obvious has left
that the subtle remains.

There is a strong undertow!
Be alert and on alert!!!

There has been great confusion as to
Who I Truly Am And What I Represent.

Do not be confused by man's imposed rules, rituals,
interpretations and limitations claiming
to be the way of salvation.

This is self glorification!

Interpretations have separated, not unified...
Thus My Word *does not live in them!*
Choose Life!

Seek My Face And I Will
Reveal Myself to you.
Know My Character And
My Attributes!

You Were Made In My Image!
You already have My Heart
with you, for you!

To Know Me Is To Know My Image.
To Know Me is to know yourself !

Look into the mirror!

Look For My Image And
Likeness in you!

This shall be a measure of where you stand.
Only then you can see Me in others.

Be not deceived!

Holy Becomes The Man

I took a walk and this is what
I Your Lord Have Seen...

Man has twisted My Word into abomination!

Self-serving righteousness sells out
My Kingdom at the price
of souls.

You sell My Word at a price.
You rob Me Your Lord.
You rob Your God.

You offer death Where I Offer Life!

You call your house Mine and say it is of Me
yet it has become *your comfortable
den of sin and iniquity!!!*

The old house of the pharisees still lives with a new look
teaching that love means submission to *your* will,
the will of men misled and misguided.

You create your worldly titles and set
forth your requirements !!!

Worldly ordination that is so very formal and
legal according to your worldly
laws enacted.

I Am The Sovereign
Authority
And
I
Decide!

You mistake My Sacred
Spiritual Gifts And My Grace

as mantles and posts to grant anyone, standing
high upon your self erected pedestals
picking and choosing
as you will!

Woe unto you I Say!

You adorn yourselves lavishly.

You erect palaces and make thy laws and set
them high Above Mine in the earth.

You elect to create your own governing bodies.
You decide that which is best for man.
You decide who are God's Elect
according to *your flesh!*

Man has fallen since the beginning...
I Say man has continued to
fall *deeper still!!!*

His unholy body of leaders dictate policy
and make new rules that are
Not Of My Gospel !

This I Do Not Take
Lightly!!!!

They dare to elevate their own law above
**The Laws of Heaven And
Of My Kingdom!!!**

You keep many secrets.
Your secrets will now come
out into the open for
all to see!

I See *rotting and
decay!*

The Faith
The Cloth
The Church
And
The Body

Must Be Sanctified And
Must Be Pure!

The test of leadership is it's humility!!!

The cloth of the servant is
cleansed white and
pure as snow.

To those that have become lost I Say
 Seek Me Now, Listen
 And Obey!

If you cannot Hear Me, quiet yourself...
 Seek My Healing And My Deliverance
 from this your bondage exposed

My many are shackled among
 the flock quieted.

You believe that you can reserve

The Finest of My Wine

for yourselves while denying yourselves
 and those who follow you
 the drink of

The Wine From My Vine!

You are surely not tenders, nor gatherers of
 of the pure and life giving fruit of

My Vineyard

!!!

You house my children in your buildings.
 You grow your lowly kingdoms.
 You sell rotten fruit
 as good fruit!

You say “ bring your tithes to *my* storehouse. ”
You rob Me of their offerings and tithes.
You Hold My people in bondage.

Hear Me...this opens your portal to Sheol!

You speak of Sheol as if it were
out there somewhere.

The portal you have opened is within
yourself...the hearts *that you*
have opened up to
the evil one.

You have done the bidding of the evil one!
You have built your many religions.
You erect many buildings.

Did I require a building to share My Gospel?
Did I extort a tax for Following Me?

**I Will Undo What You
Have Done!!!**

**I Will Change All Of
These Things!**

For you that see the error of
your ways and repent
Before Me!

For you that renounce following
the evil one in your ways...

For you that ask for your
divorce from him...

For you that come out from under his dominion,
the dominion of the world and submit

To My Dominion!

I Will Use your buildings and thoroughfares
in ways that you never imagined.

I Will Prepare you as My bride and you
Will Not miss the wedding!

Be ready!!!

Stand informed and
Conform To What I Show You And
Trust In What I Show You!

For if you close your door to Me
Then I Myself Will Close
your doors forever.

I Cannot Bless things that do not Serve Me
Nor Can I Bless anyone not
bowed to Me!!!

I Am King of Kings And
Lord of Lords!

Yet My Mercy remains there for you.

It is not too late but know that
there is a time when

.

The Door Will Close!!!

You fill yourselves with head knowledge
Of My Spiritual Word.

Buried in your abomination of My Word
Are Ye Who Blaspheme!!!

Take your heads out of the sand!

You see only the surface of things.

You know many things
but where is your
fruit I Ask ?

My Wish for you is *a full depth*
and a full measure!!!

There is no freedom where leaders guide
My people in the direction *they* see.

**What have you done with that
which I Have Given you?**

**Change these things evil
That I Show you !**

Be ye baptized In My Holy Spirit!

If baptized, then do not abuse that which
comes forth from My Spirit.

Get out of your heads and leave
your will of the flesh
behind you.

You will find only confusion if you
continue on in this way.

The Spirit does not deliberate!
The Spirit is pure and clear in direction!
The Spirit is always prepared!

Properly prepared is
the bride for her
Groom!

Do not allow pride and arrogance
to stand in your way...

There is Great Wealth In My Spirit!

There are great rewards for you.

Richness many have never known.

Richness you have not tasted.

Richness exceedingly!!!

Answer to Me individually as
humbly bowed vessels.

Enter your prayer closets...

I Want To Hear
From *you!*

Do not ignore or disregard anyone
That I Bring to you!

If I Ask you to speak, then speak

What I Give You!

Speaking *nothing more*
and nothing less.

Be Led By My Spirit!

I Want To Hear *you, your*
voice!

You are to be My messengers
in this dark time, in this
the darkest hour!

Do not add or detract from that which I Give you,
Nor What I Give you to share.

I Give you this freely, thus share it freely!

Know that even though they appear
not to hear you in the world, they hear you
in places hidden to them,
their hearts!

There is a purpose in all things...

See ye In The Spirit!

Apply these things to your mind set!

In this way you have adopted My Mind set.

Take all other things captive laying
them upon My Alter.

Present yourself as a living sacrifice to My Will.

This is the reasonable service
That I Ask of you.

Know your priorities...and keep them!!!

I Your Father Am Above All Things!

Then Comes Family,
Then work.

Place Nothing Above Me!!!

There is nothing Greater Than Me, Your God.
Do this and you will enter into My Peace.

I Say these are the steps to My Kingdom!!!

Do not break this order lest you walk back
down where you have come from.

These things shall be tested.

I Test All!
I Approve All!

Let your order be known to all!

Tell them Who Is First
And Above All!

For Whom Shall The Praise Be?
For Whom Is The Glory?

I Hear that which edifies!
I Know that which glorifies!

I Am The Spirit of The Father...
I Am One With The Father
And He With Me!

This Is What I
The Son of Man
Have Shown you!

My Name Is Jesus,
Yah'shua.

I Am The Way To Salvation.
I Am The Life You Are
To Live Out In
The Earth!

My Truth Is Imparted
In And By The Holy Spirit...
Lead Ye A Holy Spirit Led Life!

It is imparted in the measure
you are able to hold!

Your Father Knows you perfectly...
Your Father Has great patience.

To know Me is to be patient, allowing
patience to do her perfect work.

If I Say Go, then Go
Not Asking
Why!

This is trust in
The One Who Knows All.

This is obedience to Me.

This is flowing in the center of the river.
Be ye as a tributary of My Living Water!
Trust In Me Who Knows the directions of all.

Many are coming to take their proper place with Me.
They just come from different angles entering
Into My Good And Perfect Flow...

They are hungry!!!
Feed them from your riches
that are of My Spirit.

This Flow is My Good And Perfect Will
And The Will of Your Father!

When you go in your own imagined direction you
are on your own path and Not Mine.

I Am The Path.
I Am The
Way!

Indeed the path is
narrower than narrow!

You are the only limitation on
what I can do through you.

What do you own?
What do you control?

What do you affect with *your feeble will*?

When you acknowledge and believe these
things then you have learned much.

Acknowledge your true weakness Without Me!

Seek The Father Through ME
Jesus Christ, Yah'shua
...Your Salvation!

Only then Can I Make you strong!

Stretch that you may receive greater wisdom.

Do Not limit yourselves !
All things are possible!

Greater Am I That Is To
Be In you *than you!*

If you do not Accept Me
then you are alone.

Know That I Watch Over You
And I Wait for you

Come To
Me

!!!

If you Accepted Me Then
I Am With you!

Clear your heart that I May Be
There And In *You!*

As I Am In you and I Am One With The Father
then My Father's Spirit Is in *you*!

Only Then Will I Begin To Multiply
My Revelation to you...

**I Am Your Teacher,
Your Rabbi!**

This is a new time...A New Era!

My Truth Is Flowing Forth!

There Is Great Light In My Truth.
There Is Revelation In My Light.

I Want you to bring it forth into the earth
As It Is In The Heavenly Places

I Have Shown you!

I Have Opened The
Door for you!

Now Open The Door Of Your Heart
That You Have Opened To Me

unto all of the earth.

Each and every one of you are truly

as equals.

You are entitled to All Of My Promises!

Lay claim to your inheritance!

Yes...
Gentiles And Jews !!!
Jews And Gentiles alike !!!

**Know That I Your Lord Jesus Christ,
Yah'shua Am The Way For All.**

I Repeat
Now Is The Time of Revelation!
...The Time of Revealing!

I Am The Living Word
and The New Ways are
coming to
you
Through
Me!

See What I Am Doing around you.
See What I Do in the world.

My Truth can only be Imparted In Spirit!

Do not slumber,
Be Awake!

Open your eyes and ears so that you may
receive My Divine Truth.

Open your heart to hear and know!!!
All things shall be revealed!!!

These are the ways...

My Will Be Done
on earth
As It
Is
In Heaven!

If you do not know what to do,
ask Me that which you
Must Lay On My Alter
and it will be
shown to
you.

I Scrub the wineskin anew!

I Stretch the stakes to enlarge your tent!

If you have done these things and do not
know what to do, then seek ye Me
and wait for My Directions.

Be patient with yourselves and each other!

My Truth is like a puzzle...
You are a piece of
the puzzle!!!

I Give you pieces that you can hold!

I Never Give you more than
you can handle!!!

I Know the measure perfect and
Perfect Is My Measure!!!

Why would you need Your Lord
if you knew all things?

Yet this is the way you act when you believe
believe that you know enough

**To Go Forth In My Name
Alone Without Me !!!**

There is But One Who Knows all things,
One That Sees the whole picture.

I Prepare you for more.
I Fill in the blanks.

I Fit the pieces together.
I Am the sinew that connects and
holds all things together!

**I Am The One That Binds
all things together!**

Once bound they cannot
be broken apart!

You alone are not the center of all things.
The path of mankind is *Mine Alone!*

You must all walk together hand in
hand as equals In True Unity.

Unity Is Being **One With Me!**

Do Not be jealous of those
who hear Me.

Do Not be jealous of those who know Me!

Judge Not one another lest
Ye be Judged!!!

Seek ye to hear Me.
Seek to know Me of your
Own Accord With Me!!!

Seek Me my child for your measure and
measure not the measure
in another!

Freedom comes when
your will is replaced with My Will!
I Free you individually that you
all may be free...And

**Free Together
With Me!**

**I Break the shackles
of your bondage!**

Some of you know My Unity.
Some have received but
small portions.

Others know not My Unity...
**Reach out to
them!**

They are your brothers
and they are your
sisters!

there are many wolves in
sheep's clothing!

You will know Mine by their fruit...
**You will know them
By My Spirit!**

Remember That There
Is But One Who Is Above All Things...
**It Is I Your Father And
My Son Jesus,
Yah'shua!**

And We Are
One!

You of the world mock Me with your
many symbols and idols but
I Am Not Mocked!!!

There is a new symbol My Chosen Ones will
know for I Have Shown it to you!

One symbol under which all In Spirit,
that walk in and for my glory shall gather...

My Lampstand, My Menorah!!!

Nine are the candles lit
And One Rising
above all
others
!

Those presently counted in the minority are
and will be in the new majority...

They already are with Me...
They are the patient...
They are few!

Join ye with and be counted among the few!

They wait for The Appointed Time.
They shall reign Through Me.

I Am The True Mantle Of Authority,
The Only Mantle Of Authority!

I Am He That Arranges,
That Re-Arranges
All Things

.

.

.

Watch What I Do!

I Am Saddened

by your many distractions.

I See who and what your deities are
that are of darkness and not

Of My Light!

You may ask
What are these things
oh Father?

I Say they are many!

I Bring you the pleasure of sport.
I Give you gifts of body and strength.

Where is the fruit of the riches
That I Bring
to you
?

You unify on the field.
You unify to watch.

You spend great time in service
to your *sport's gods!*

Where Am I In This equation?
Where are My spectators?
Where Is My apparel?
My Banners?

You dare to place this above Me.
How much time do you spend *With Me* ?

Will you now Unify In Me,
Gather For Me ?

I Bring you the money that is
of paper and of coins.

What do you do with My Provision?

Prestige is the way of the fool,
Humility is the way
of the wise !

You use it to control!
You use it for
power!

You use your power to
test and approve.

Profits at any cost!!!

You have many products.
Your products and your profits
cloud your vision.

Do you not know that
I Value My people
above all things!!!

You amass your wealth on the
backs of my children

.
. .
. .
. .

**You Are Oppression And
I Oppose you!**

You gather in your closed rooms with
your plans of destruction.

The cost is
great!

Trust
Loyalty
Kindness
Self Worth
Friendship
Compassion
Care
And Above All
Is Love!

You rob those Dearest to Me!
You ravage your inheritance.

This Shall Not Be I Say!
I Am The One Who Comes in the night.
I Am The One That Will
empty your storehouses!!!

I Come Not to make peace!

I Come to divide you from the things that
you have placed as the greater of
value in your hearts

Than I
Your God!

That which has been robbed of Me
will be returned unto Me!!!

There will be redistribution.

There will be great
Retribution!

I Say Be ye warned!

You that control the governments.

You that control the many things unseen.

Woe to those that believe they have
power greater and over Mine!

You are they who hide in dark places,
Those who believe they can
hide things from Me !

Know My Anger For
It Is with you!

It Shall Be

Know
That I Am Slow
To Anger
And
Revenge Is Mine,
Mine Alone!

Verily, Verily,
Verily
I

I Am The Power

You have seen a demonstration of my power
that turns your kingdoms to dust...

**That Power Which Is Above

Yet you see not

Many things will now happen in your world.

Be not blind as to from where it

Be prepared by changing

Change Thy Ways I Say

To Me!

Stand With Me that ye remain
standing and counted!

Dare Not Stand In Front Of Me
clothed in your self righteousness!

I Have Positioned many of you in
both high and low places.

There is no leaf That I Leave Unturned!
There is no stone to hide under,
no shell to climb into!

You know who you are!

I Have Given you visions of what
is to come and what is to be.

You do not stand alone for you
are not alone...

I Am Your Lord
And
I Am With
You!

Others will come that are With Me
and in so they with you.

You will know them!
We Are One,
All One!

I Repeat...

Many of you are with Me.

Many of you seek Me.

Many of you do not seek Me.

Many of you will seek Me.

As you have read

My Words That Truly Live

And you know My Word Lives
And Now In The Light
Of My Truth

...

Stand exhorted under exhortation.
Stand righteous under righteousness.
Stand ye convicted under conviction.
Stand corrected under correction.
Stand ye encouraged under
My Encouragement!

Renounce that which is of the world and
Seek no other but Me!

I Search, Find And Expose
that which is evil...

Repent, Repent, Repent
of that which is of evil.

Beware of your own mixture that believes
it can be of both Light and of
your darkness.

I Have Shown you but a glimpse
Of What I Your God See!

Open your eyes to the world around you.

See what man has done with
What I Have Given him!

Know that you Without Me affect nothing.
You Without Me destroy the good.

Lay down your selfish ways!!!

I Am The Redemption Which Is
Completed In Me....

I Am Your Salvation!
I See All Things.

I See into the hearts of men, women
and all My children!!!

Your motives mark you!

I Know All Your lies.
I Know all things hidden.

There is no good hiding place...

I Am The Purveyor
of all things.

I Know Everything

A Personal Message to my brothers
and sisters In The Lord

This is The Walk The Lord has taken me
on that I might see and know
**The Truth According To His Light
From His Perspective And
As Seen Through
His Eyes...**

I am called as His witness and scribe!!!
The Truth I have seen resides within me for it
is His Light that has come into my heart.

I beseech you my brethren...

Be not judged by the wicked.
Do not judge them or others that judge you!
They have no power nor authority.

Thus you judge not The Ways of The Lord!!!
The Father Is Our Sovereign Judge.

Know His Forgiveness And His Love
that you may truly Love
thine enemies.

Feed thine enemies with your good fruit.

Do not fear those who persecute...
Those that mock, snicker and laugh in
The Face of Our God,
Those that are embarrassed at
the mention of His Name

Are we to serve fear and the enemy's desires?

Know that many do not act of their own accord.
They truly do not know what they do.

The Lord Will Now Show them what they do!

**He Sits Above you On The Throne
In The Highest Place!!!!**

He Has Said to forget those things
that you thought you knew.

He Develops our character,
He Is Our True Nature.

We must love all!

We must model these things Through Him
that must reside in our hearts.

Put on His Good And Perfect Armor!

Our armor is imperfect at best
and insufficient...

**He Knows all the kinks,
He Knows the cracks,
And They Will Be
Filled!**

Do not allow them to tarnish that which is good,
Your heart and soul are precious
UNTO HIM!

Test all things Through Him And By His Holy Spirit!

...people, places and
things.

Allow Him

to be our individual,
our collective

He Is Our Deliverer. He Is Our Healer.

Be not deceived, healing is a deeper
need than you realize.

If you believe that you have arrived,
then surely you stand still.

The Kingdom is the destination we
seek and run the race toward.

You and I have not arrived until that time!!!

Prepare For The Wedding That
Is Coming and will be!

We must believe in these things and
stand immovable on

The Rock!

He Is Our Rock!!!

The battles are fought In Spiritual Places.
They are truly won before they begin.

Be properly equipped and
trained as the
Warrior In Christ...
In Yah'shua!!!

We fight for the right of all of God's children to a
True And Everlasting Freedom
In Christ, In Yah'shua!!!

His Freedom Is The Only Freedom!

We are to be His freedom fighters that will
remain steadfast For His Kingdom!

We are His Ambassadors of Peace!
We are His Vessels of Light!
We are the emissaries

Of His Love!

Know that Nothing Is Mightier
Than Our God!!!

He Stands with those that stand with him.
He Has Endured all things for us.

So we too must be patient
and endure!!!

There Is But One That Holds The Key...
The Key To His Kingdom...Amen!

Our Lord of Lords.
Our King of
Kings!

Surely He Comes

Amen!!!

Some brief glimpses of your world...
Surely not of My Kingdom
Sayeth The Lord!!!

The Law of Moses...And The Law Above All Laws!

I Came To Fulfill The Law.

Give my people understanding of The Law.
Man's law is filled with injustice,
iniquity and false
witness!

Education...

Where Is My Word?

The Word Is With Me yet you know Me not.
Institutions of higher learning
you call them ?
Your flesh knows the much
that fills your cups
to empty!

The cup readied is the cup
both emptied and
yielded!!!

Only I can fill your cups to overflowing...
You consume false drink that
brings only dry dust
to the thirsty
lips...

Prayer...

New ways are coming that Are My Ways...
 Reverence Is The Key And
My Holy Spirit Knows The Way!!!
My Spirit Guides The Heart
That Prays My Will!!!

Medical...healing...

I have said my fruit is food and
 the leaves are medicine.
 You speak of healing yet know not healing.
 Your profession has emerged to meet those things
 man has brought upon himself.

A profession that protects itself and it's wealth.
 Again... at the expense of my children.
 You are truly reactive agents !

I Say That My Ways Heal!

You have not known
The Power And Depth of My Healing...
I Will Make My Ways Known!
 Healing Centered In Me Will Come Forth.
 You will know them when they emerge
 to meet the needs of the many.

They will be as the disciples that
 healed in My Name.

Be not fooled by those that parade flesh
 healing in the large stadiums,
 they are but players
 in the wrong
 hand!

Psychiatric...psychotic practices
Truly the sick attempting to heal the sick!!!

You drug My children.
You drug My children's children.
You conjecture.
You believe that you understand the mind.
You barely understand yourselves.

I Say that you do not understand yourselves.
I Say dr.'s heal thy selves first...futile
are the efforts of the highly
educated blind!

It Is My Grace that has allowed you to
believe that you are healers...both
the conventional and the
false spiritual!

You are like poison given in small doses.
You make my children your annuities due to
your lack of understanding.

You take their pain and suffering to the bank.
You serve the few that can afford what
little you have to offer.

You only support mechanisms that aid in
coping rather than healing.

Coping does not heal the wounds!

Grand deceptions of progress
hide the regressions!!!

The wounds still stand in the way of freedom.
My people are still held captive!
My people are perishing!

What shall be your reward?

My Healing Will Truly Set Free.
Only I Free the captives!

Entertainment industry...
 You may entertain your selfish motives.
 You entertain My children with filth and your
 decayed morals bombarding them with
 darkness upon darkness!!!

I Say...you do not entertain Me!
 You do not honor, nor glorify, nor edify Me.

You Will Be replaced I Say!!!
 Your many idols will fall!

This Shall Not Remain Standing!!!

Media...News and Television...
 You tout yourselves as the source of truth.

You are Reckless!
You endanger My people!

You serve ratings, money and the world powers that be.
 You bombard my children with ugly things of darkness.
 You sell anything as you have sold your own souls!

You too are blind and have learned from the book of lies.
 You spin these lies into your own sense of reality.
 You reflect the world you live in.
 You reflect what you have
 succumbed to!

I Am The Only Reality,
I Am The Truth!

I Do Not Lie,
I Do Not Confuse!

My Question Is This...
Will you continue to serve lies or
Will You Join Me
In My Truth?

Parents...

Where are the good stewards of the blessings
I Have Bestowed Unto you and your,
more specifically *My children* ?

You must seek Me...I Am *Both Mother And Father!!!*

Science and technology...

While My children starve, you focus
your eyes on the stars.

You try to expand your false kingdom into space
while it is destroying lives in the earth!

This is a most appropriate place for your disobedience,
the emptiness of the space you explore
rather than looking within
yourselves!

You try to communicate with other life in space
with radio signals and pulses while
You serve no good and useful purpose for
your brothers and sisters...
My children!!!

There is no beginning nor end to your quest to
know all according to the consumption
of the rotten fruit that I Have

**Warned Against And
Forbidden!**

Subject of time...

Take time out of the equation and what is left?

NOW!

There is only today and now!!!

Be not so deceived!

Time does not and has not healed anything...

Only I Your Lord Heal!

You have been given now...There Is Only Now!

Look at what you have done with your now.
Take Heed in what you do Now!

If you take
time out of the equation,
What is left?

I Am The Only Thing Left!

You allow sickness, poverty and
disease to continue.

Spinning lies and deception
into self-gain...

Who do you serve?

What is it that you have
accomplished?

Look At My children!

They suffer...they suffer
needlessly!

I Am Sad,
You bring tears to
My Eyes.

This I Will No Longer Bear!

What Have you done?

In your blindness you have persecuted
and murdered My children.

You accuse others of what you
yourselves have done!

You judge the actions of others.
You tout yourselves as pillars of humanity.
You reap havoc at every turn.

You export your havoc around the globe
in the false name of freedom.

Have you not Heard Me?

Know you not My Word,
Your Scriptures ?

I Examine All Things!

You Shall Reap what you have sown

Forgive them for they know
not what they do?

Why do you continue to see man as the enemy?

Is it not man influenced and blinded
by the enemy of The Faith
that you condemn?

How dare you judge My people that are blind
and know not what they do!

Help the blind only when I say and in
the way I instruct you to act.

Do not prepare for what you think you will do
for imagination is vain and self-serving.

The Alpha & Omega

The Lord Is The Creator of Life.
The Ressurector of Life

The Beginner & Creator of All Things Good
And The Ender of all things evil so that
all things can truly be Good.

He Is The Ressurector of Life,
The Breath of Life...

Both times The Same Spirit...The Spirit of your
Beginning And New Beginning...Amen!

He Is The Author of The Beginning
For There Is No End.

The End Is The New Beginning.

He Is The Ender of all darkness.
His Sacrifice Was the end of darkness
For He Alone Overcame It!
Amen!

That's The Good News... The True Gospel!!!

It Is a big thing to make and
Give Breath To Life.

It's an even bigger thing to
Resurrect it from death!

He Took The Walk And Overcame Death!

It was not an easy walk
To The Cross...
To Die That We

Might Live!

It is never too late to turn our hearts
as we are all His children.

It's never too late...
That Is The Beauty of The Lord!
The Beauty Of Hope Personified In Christ.
The path gets narrower and yet brighter.

To breathe with an open heart
Is To Breathe Life.

To Live with a heart freed
Is To Live Indeed
Sayeth Our
Lord.

Living & breathing with an open heart
will begin to unify us with

The Heart of The Lord...

one by one thus One Together
With and In Our Lord.

Made in His Image,
you can share of His Heart...
His Love, Compassion
And His Wisdom.

The Lord Is Good...
Kind & Compassionate Is He.
Lowly of Heart, Humble, Loving
And Compassion Is He.

Above All...
Faithful Is He Alone!

His Love Is Greater than His Anger,
as demonstrated with Noah.

His Mercies Know No End
 As His Love Knows no end towards us!
 He Knows What He Is Doing.

**HE Is Lord,
 HE Is King.**

does not make me special or above any
child of God as He Intends To Bless
the many that suffer and are in

Need of Him!

I will point the way to

The Lord God Of Israel

In A Day And In An Age
That Is Written!

The Riches of Heaven

are for those that

Reach High

Above

For

All

That They Need

And They Trust That

The Lord Knows

Their Needs Perfectly!

One Light One People One Menorah

Unity In Christ That Always Was, Is
And Forevermore Shall Be...

The Lord Said That He Was There Before The Beginning.
Thus He Was There Throughout the history of man!

The Alpha And Omega
The Beginning Of All Beginnings.
The New Beginning of all that ends.

He who believes he knows enough knows little!

He who teaches who is not guided by

The Spirit of The Lord

teaches from the outskirts and fringe
under the veil of insufficiency,
ministering to no avail.

A new life granted knows life.
A new life walked knows the truth.
A new life is the essence
of the garden.

Those I Have Discipled may disciple;
Those Discipled By My Spirit.

There is but One Rabbi.
There is but One High Priest!

As It Was Then So It Is Now...
All others misled
My children!

Those who follow Him know that

True Leadership Is In Yah'shua, In Christ Jesus.

Those claiming leadership are sadly mistaken
in these days and assuredly in time.

Those that raise themselves are
lower than the lowest.

They raise themselves above God believing
themselves special and worthy of
notice walking in the
streets!

This is not the time for unholy assumption.
There Is No Harvest To Be Found
in the field of unrighteousness!

To believe I grant you false privilege is error.
Those who believe My Lampstand is
with them know not My Light.

All those who gather not together
around My Menorah, My Lampstand as
One are not One people, nor My people for;
As it was then is not to be found now.

My children have been led into poverty;
Spiritual poverty of not knowing
the simplest of things of
The Temple And
Of Me

!!!

Your ways are yours, Mine Are Mine!
You find comfort in your flesh!

On earth As It Is In Heaven, yet you
know not heaven and surely
know Not Your Lord!

Born of a Hebrew made Me not Hebrew
For I AM The Lord Your God
 And I Am Above your division.

I Am He
 Who came to set free,
 Who dined with all sinners,
 Who broke bread with gentiles !
 With My Light of Truth I set free the
 many captives from the
 clutches of lies.

I healed the sick, I touched the untouchable.
 I traveled to many lands, touched many
 with The Light of My Lampstand.
 These things you know not
 because insufficiency
 and assumption
 rule in you.

A people chosen of many were indeed Hebrew.
 They have a purpose for I Chose It So!
 They were to set an example of a
 people set apart Unto Me!

A Light Unto The Nations they were to be.
A Light Unto The Nations they will be.
A promise made for My Namesake.

They took much for granted, losing
much and suffering much to
serve as an example to
all of My people.

Yet they bow to guilt and remorse
rather than bowing in true
repentance that others
may see a greater
nation made

Of My Hand And Led
Of My Spirit!

Who Rules Over The Heavens, The Earth
And Below The Earth?

Who Holds
The High Seat I Ask?
You must see and you must know.
You have much to lay down.

You have much to
lay down and to sacrifice at
My Sacred Altar Of
Mercy!

Who would dare lay claim to
**My Lampstand And
 My Light**

*as theirs if there be no light in them?
 and as though it be theirs alone?*

Who would use My Lampstand as a
 weapon to divide My people?

Who among you finds
 True Righteousness in an eye
 for an eye and justifies This In My Sight?

This was in a time and this is no longer that time !
 Did I Not Say To Love and Love thine enemies ?
 Did I Not Place This Law Above All Others ?

Yours are the ways of a people scorned.

Who would claim that their way
Is of The High Way,
 The True And Narrow Path?

Yet many do and claim they know the way
 while not united with all the others
 that claim the same salvation.

V

They say this is the way and another
says No... this is the way !
Follow me ...No
follow me
!!!

Where is salvation if this be true
and with Whom

I Your Lord

Ask
you
?

Where Am I Your Lord in
the midst of *THIS*?

g u t t e r

With so many ways and paths who knows
**The True Way, The High Path,
The Order of Melchizedek?**

Hebrews 5: 4-10

Besides, one does not appropriate for himself the honor
[of being High Priest],
but he is called by God *and* receives it of Him,
just as Aaron did... So too Christ (the Messiah) did not
exalt Himself to be made a High Priest, but was appointed
and exalted by Him Who said to Him, You are My Son;
Today I have begotten You.
As He says also in another place,
You are a Priest [appointed] forever
after the order (with the rank)
of Melchisedek.

In the days of His flesh [Jesus] offered up definitive,
special petitions [for that which He not only wanted but
needed] and supplications with strong crying and tears to
Him Who was [always] able to save Him [out] from death,
and He was heard because of His reverence toward God
[His godly fear, His piety, in that He shrank from the horrors
of separation from the brightest presence of the Father].

Although He was a Son,
He learned [active, special] obedience through what He
suffered And, [His completed experience]
making Him perfectly [equipped],
He became Author *and* Source of eternal salvation
to all those who give heed *and* obey Him,
Being designated *and* recognized
and saluted by God As
High Priest after the order
(with the rank) of
Melchizedek.

Who would dare appoint themselves and
who has appointed themselves to
**The High And Exalted Place
Before My Holy Father?**

Who Grants forgiveness?
Who Hears your repentance?
Who Grants you Eternal Salvation?

Woe unto man that raises himself
in the sight of others!

Woe to the man who believes that he is raised!
Woe unto those that so dine together!

For It Is Written...there is one tree that
seeks to grow above all others
and it is satan, it is evil.

And Thus I Say... who truly knows Me?
That which is taken for granted Is Not Granted.

That which appears righteous Is Not.
That Which Deserves Not Receives Not Of
My Favor Nor My Blessing

as though I would condone behavior that
reflects that which I despise and that
which mocks Me And My Father!

I AM The Holy God Of Israel!

In The Sight Of All That I Have Commanded
That Came Of The Will of My Father

Your claiming false favor,
Your claiming and false owning
Of The Blessings In My Sight
Is An Abomination Of
My Son's Name!

In this you have Brought My Son To Anger
Who is slow to anger... Who Forgives
Much By Grace Granted
you that are unworthy, unfit
and with no merit.

Deliberate Are The Ways Of My Kingdom
...All Vengeance Shall Be His!

His Righteousness Will Be Raised In The Land!!!

It Was Written...It Is My Will
And It Shall Be Done
In Him!

You claim suffering yet it is of your own hand.
You have much debt yet you heap more.
You have no fear and are double
minded in this.

Those who deny My Lampstand Deny Me.
Those who divide My brethren Deny Me.
Those who deny one another Deny Me.

Those who believe they have found peace without
The Light of My Lampstand
merely slumber and are sleeping!!!

Be ye sober and Be
ye vigilant ?

Ye Listen not well *at all!*

v

To Know Me Is To Know My Lampstand
...to have your candles lit once again!

A candle with a dead wick
must be raised back
unto life to burn
once again!

g
u
t
t
e
r

My Grace Is My Light to the deeper place,
the place of repentance and of mercy.

My Grace Is Not *the final destination!!!*

It Is The True Light That Guides To
My Seat of Mercy.

Do you know these things,
Do you tremble?

Have you
no fear

Of Me

no fear

·
·
·

Of My Righteousness
That Shall Prevail
in the earth
?

v

No fear,
No Reverence exists
in the land!

Thus there is no Cornerstone in your house,
Thus there is not a pillar that stands.

A Pillar Upholds
The Ways
Of
My
Temple
!!!!!!

g u t t e r

The Lampstand In My Temple
Represented My Light

And
My Presence

Among a people called and chosen to
Be Reverent of Me Their Lord,
Their High Priest!!!

Selah...

Ponder these things and for those
with hearts open to hear

**Let Them
Hear!**

Concerning division:
I am reminded that Adam and Eve
were children of God...

They had but One Father And One God.
They were Not Christians Nor
Hebrews or defined
beyond being
made

In
The Image Of
God And Made Good!

Son and daughter were
these children
of God!

Concerning this we have much to say which is hard
to explain, since you have become dull in
your [spiritual] hearing *and*
sluggish
[even slothful in achieving spiritual insight].
For even though by this time you
ought be teaching others,
you actually need someone to teach you over again
the very first principles of God's Word.
You have come to need milk,
not solid food.

For everyone who continues to feed on milk is
obviously inexperienced *and* unskilled
in the doctrine of righteousness
(of conformity to the divine Will
in purpose, thought,
and action)
for he is a mere infant
[unable to talk
yet] !

But solid food is for full-grown men, for those
whose senses *and* mental faculties are
trained by practice to discriminate
and distinguish between what
is morally good *and* noble and what
is evil *and* contrary either to
divine or human law.

Hebrews 5: 11-14

Are these things with you...Do you find
them around you in the earth?

My Counsel

The One Voice
Heard And The One Followed
For I Am The Power And
The Authority In
All Things.

My Knowledge

For I Am The Library Of All Truth.

My Understanding

For I Am The God That Defines All Things.

My Wisdom

For I Am Author, Creator And Authority
In All Things That Have Passed,
That Are At Present And
Will Be Forevermore.

My Strength

For I Am Resolve And Steadfast Am I
Who Upholds All That Is Sacred And Is Holy.

My Spirit That Is Holy

That Is One With The Spirit of My Father
As I Am One With My Father.
Are you one as We Are One?

Fear of Me

For I Am All Things Righteousness.
I Am The Judge of All Things.

...Are these things to be
found within *you*?

And they be not as surely *They Are Not!*

Are you The Dwelling Place Of My Light?

And...I Ask in what illusion of
Life do you reside?

Reverence is the path to the low place,
the lowly place is the lowest of all,
the place and way of the
heart that bows.

A heart that is not surrendered,
a heart that is not bowed
cannot hear Me

Nor My Will!!!

A heart that hears not serves nothing but itself
while fostering the lie that it Serves Me,

**Serves Me Jesus And
Your God!!!**

A heart raised knows but the babbling,
the noise of a mind unrestrained,
and surely uncontrolled.

A heart serving the flesh hears
no still voice that guides.

You divide by ignorance,
You divide with great symbolism,
You divide with great zeal!

You enjoy your many battles,
the distaste of difference,
the joy of conquest.

Yet you are victorious in nothing for
nothing you do **Is By My Will** and you know
not **That All Victories Are In My Son!**

You glorify yourselves and
Not My Beloved Son!

Yet you say that you love!!!

You know **Not My Love** in this conduct
unbecoming **Your Father And**

My Beloved Son!

That I Raised From
death itself.

Has your world raised His Name Above it?
Has *your own nation* Raised
His Name Above *it* ?

Be not surprised by consequence!

Be Not Surprised When
I Come To Visit
you!

You say that I am not a punishing God,
yet you persist in sinning... not
changing in your ways !

You love doing evil Which I Despise
as though I Have Changed ?

Yet It Is *you that fear not*
and change not!

You Have Been Given Much
and have squandered

All Good Things!

The Gospel Is The Gospel!
The Gospel Is Truth

·
·
·
granted you for wisdom,
yet you enjoy your
foolishness!

The Gospel Is The Whole

not the old separated from the new and
It Separates Not From Itself!

You live Not The Life I Have Asked of you.
You are more fearful of those that
oppose Me And My Name
Than Of Me...
God !

Those who shun Me I Will Shun!
Those That Dishonor Will
perish in their pride.

You treat The Truth as truth in part!

You decide what is right and
what is wrong according
to *your* desires and
your wants.

You know no gnashing of teeth....
You know not trembling,
You know not fear.

Do Not Flirt with darkness and
Expect Light!

Do you believe you can
raise *yourselves* ?

You know no struggle greater than
the seeking of earthly comfort,
you know little sacrifice

.
. .
. .

Have you Truly Overcome?

Have you Truly Laid Down *your* life?

You know not the suffering that
yields a good harvest,
a bountiful
meal

!

The Light Of My Lampstand

is carried within a heart that has
bowed and is *Fully Yielded!*

Who carries My Lampstand with them?

Who dwells in the darkness I Ask?

Who is worthy of My Light?

The hardest is yet to come
yet you are well satisfied in your
ignorance and deceit!

v

Where Is
The Light That Is Brighter
among
you
?

g u t t e r

I
AM

Among you yet you
know This Not!

You know not the simplest of things.
You understand not the seals.

You Know Not
My White Horse !!!

You know not that
I Come First In The Spirit
then through the gate that is
to be opened that has
been closed and
set apart
!!!

Who may enter, who may dwell in
The House Of The Lord,
The House Of The Most High?

I AM
The Holy
God Of Israel

I Am That I AM!!!

I Am Lord And King over all peoples.
I see not as you see, I see only hungry sheep
in great peril and need of The Meal
of Truth That I Have to offer
That I Have Prepared
In The Holiest
Place
!

You know not
The Ways Holy And Ways Sacred
yet claim false privileges

In My Name!

Believing That It Be Granted Is
the legacy of a captive...
of satan's fool!

The fruit of the world is indeed as rotten as
those who dare to reach so low for it;
for surely they know not that this
is *Not the time to pick fruit!*

Rotten seed has born rotten fruit!

Yet the rotten continue to
plant the dark seed
and water it
evily.

You spoil the good ground, are lazy and
expect The Abundant Harvest!

The Abundant Harvest Comes From
Good Soil that is nurtured
and well cared for.

.
.
.

From
The Word Of God

For the soil which has drunk the rain that repeatedly falls
upon it and produces vegetation useful to those
for whose benefit it is cultivated
partakes of a blessing

From God!

But if [that same soil] persistently bears
thorns and thistles, it is considered worthless
and near to being cursed, whose
end it is to be burned.

Hebrews 6: 7,8

And to Adam He said, Because you have listened
and given heed to the voice of your wife
and have eaten of the tree of which

I commanded

you,

saying, You shall not eat of it, the
ground is under a curse because of you;

In sorrow *and* toil shall you eat
[of the fruits] of it all the
days of your
life.

Thorns and thistles shall it bring forth for you,
and you shall eat the plants of the field.

In the sweat of your face shall you eat bread
until You return to the ground, for out of
it you were taken; For dust you are
and to dust you shall return.

Genesis 3: 17,18,19

So to those that say that God is not punishing
in any way, shape or form know Not

The Holy God Of Israel

for they have No Reverence as they
know No Fear of The Lord in their hearts...
then teach others the same falsities
by their example.

They believe themselves wiser men than
Jesus, His Gospel And The
Truth Of The
Word!

Let us be mindful that
Fear of The Lord
precedes and encourages a real and a true
Reverence of The Lord
The First Step Of The Temple
And Toward God Is
Fear Of And Respect For
The Lord Our God!
Fear and respect are the cornerstone
of humility...where the heart
Bows, Yields, Obeys
And Serves
oh Israel!

Amen!

As I have received these words of The Lord
I have become even more hungry for

THE TRUTH AND HIS REVELATION!

It is important that we understand the roles
that we that are Hebrew must fill

.
.
.

We that have been asleep and are awakening
are to be a light unto the nations;

We must fully bow all
that is not

Of The Lord Or Of The Kingdom!

As it was then so It Is Now
Sayeth The Lord

.
.
.

History is repeating itself, do not
get caught slumbering or
sleeping this time
that is here
away!

The long sleep is unto The Lake of Fire!
 The awake and diligent make the
 Proper Preparations For
**The Coming Of
 The Lord**
Amen!

The Hebrews were a chosen people of God.
 A few were granted hearing His Voice.

They were to, through their witness,
 Bring Light into the world
 of Their God.

He Revealed Himself To Them
 For A Great Purpose

·
 ·
 To Guide His people
 In The Ways
Holy
!!!

v

It was made clear By Our Lord Through Paul
that the gentiles too must know of this
God Of The Israelites!

And previously The Lord Said
“I traveled to many lands.”

g
u
t
t
e
r

Furthermore the disciples went
to many lands according to

The Will Of The Lord

To Spread
The Good News of Salvation,
Of Jesus Christ And
His Sacrifice

for
us
!

Through His disciples He reached many places
and He reached many people of
the many lands!

The Lord Himself Traveled By His Spirit To Many Distant Lands!

The witness of His Presence Has Been
Realized more in history than
we have realized...*Amen!*

His followers did not say “ *we are Hebrew
above and beyond all* ”.

No It Was Jesus, Yah’shua
That Was To Be Raised
Above All Things
*including
culture*
!

Paul said to Peter that he was not
to dine with just Hebrews!

Rather...they were called
Followers of The Lord,
Followers of Jesus,
of Yah’shua!

They took the immovable rigidity of the old ways and
In Christ, Who the pharisees rejected, they raised
The Torch of True Light and carried forward
The Work Of The Lord According

To The Word Of God And Of Prophecy.

The old rejected the branch that sprung up
From The Root of Jessie, From
The Bloodline of Judah!

David foretold of
“ forgive them for they know not
what they do ” that was later spoken of
Our Lord On The
Cross!

Despite all evidence both in the natural
world and through miracles of the
spiritual realm the high priests
of the old age knew Not

The
True High Priest
Who Stood
Before
them
!!!

Jesus Stood before the established
world religious power structure
and Rebuked those who
Knew Him *Not*, Accepted
Him *Not* !

They portrayed Him to be a blasphemous man
with a fraudulent claim of being the

Son Of God The Father

that threatened their power and was
a thorn in their established
control and power
structure.

The guilty men and the tyrants accused
Jesus, Our Lord of their own
crimes against God!

So they laid their debt upon Him...And
He took their debt along with
those of all of us that
are children

Of God To The Cross
And Died for our sins!

All debts were settled and A Way Was Made
for us to come out from under our debts!

The lines and divisions of man are quickly
blurred in the reality of God's Son.

Yet man has managed *not to understand*
the simplest of all things while
claiming great wisdom.

We find ourselves again in the place of the
prideful and arrogant pharisees
that rejected

The Son
And The Gospel...His Gospel!
Today And In This Age
we bear witness to this and will
witness this over and
over again !

Beware of being part of the old history
while the new history is written !

Is there not just One Teacher, One Rabbi
That Teaches the teachers, the rabbis ?

And what is to become of the student, the disciple
that has decided that he is wiser than

The Holy High Priest,
wiser than

Christ Jesus,
Yah'shua

?

When we that believe manipulate and bring
flesh interpretation to The Word of God, then
argue and bring division due to
a complete lack of

Holy Spirit Guided

learning, then the we that are to
be priests of the faith...are
we not as they ?

And how will God Deal
with the we that
are as they

?

v

Today... as previous Scripture
references make
clear...

We have become dull in hearing
and sluggish In The Way
and The Life we
are to lead!

g
u
t
t
e
r

The disciples went before rulers of nations
without fear to challenge the ways
of the world that did not
conform to the

Gospel of Christ, The Truth of The Lord!

Where are *these disciples* now
when they are so needed?

I am saddened to say that they lay down in
comfort rather than fighting the
good fight and much

Has Been
Lost
!

The Spirit of The Lord
Will Raise His
Army,

His Armada of saints in the earth
that understand purpose
and live a life that
truly pleases

God The Father!!!

His Will Be Done On Earth
As It Is In Heaven!!!!

A People That Are Led!

flesh and it's many

I leave you now with Scriptures According To
The Lord's Instruction

.
.
.
So
see
to it
that you
do not reject
Him or refuse to
listen to and heed Him
Who is speaking [to you now].
For if they [the Israelites] did not escape
when they refused to listen and heed
Him Who warned and divinely
instructed them [here]
on earth, how much less shall we escape if
we reject *and* turn our backs on Him
Who cautions *and* admonishes
from heaven ?

Then
[at Mount Sinai]
His voice shook the earth, but now
He has given a promise:
Yet once more I will shake *and* make tremble not
only the earth but also the [starry] heavens.

Now this expression, Yet once more,
 indicates the final removal *and*
 transformation of all
 [that can be]
 shaken

--that is, of that which has been created—in order
 that what cannot be shaken may
 remain *and* continue.

Let us therefore, receiving a kingdom that is
 firm *and* stable *and* cannot be shaken,
 offer to God pleasing service
and acceptable worship,
 with modesty *and*
 pious care
 and

Godly fear and awe.
For Our God [is indeed] A Consuming Fire.

Hebrews 12: 25-29

“ Strive to live in peace with everybody and
 pursue that consecration and
 holiness without which
 no one will
 [ever]
 see

The Lord. ”

Hebrews 11: 14

We Come From One

Then we are divided...

The world then envelopes our existence...takes us into *it's* fold. That which we experience with our senses and flesh becomes our teacher. The world is the false teacher that brings forth a false light that yields the darkness of lies, deception and confusion. This further leads to fear, self-doubt and limitation. Faith, righteousness and knowledge of a different, destructive type is adopted...those of the world, not of Christ ! Beware of the false teachers and false prophets. There is a reason deeper than many can see. There are Pearls of Wisdom. The world is a grand deception, a theater of controversy! Our world is in constant battle. There is an opposing force...A dark presence cloaks the world with false perceptions. Realities are formed based on *Lies*. The presence encourages the erecting of walls within each individual that act as a barrier to Truth. The walls are built on the quicksand of deception. The walls keep us from connecting with our hearts and with the hearts of others. In the world the path is unclear, seemingly a mystery...In Christ, In Yah'shua the path is there for us to follow, the path is lit and clear when Led of The Holy Spirit !

The first step is to enable the individual to see. Truth opens your eyes widely. Sight opens a door to deeper understanding thus breaking through the many barriers. Truth is a battering ram that must shake the wall, weaken it and ultimately break through...Deeper yet lies a trilogy of Truth: Wisdom, Knowledge and Truth. There is a constant internal battle between Good and evil. The key is to align with The Good of God...*not the self-perceived doing of good!* I searched for The Good in books, programs, meetings and philosophies. It was not to be found in the books on the self...what I was looking for found me when I was ready.

Many medical, psychiatric, scientific, technological, communications, media, religious and other communities influence our beliefs. Alcoholism is a disease, a mental illness is to be treated chemically, *technology* is our savior and the media feeds society with that which

will sell, earning them profits based on feeding society what it has come to crave...any cure even if it is of deception, lies and sin! A docile society allows their control to slowly slip away one sound byte, one show at a time! Before too long we find that our time has been sold to the highest bidder at the greatest of price...erosion and degradation of our individual and collective values...Erosion of all Godly Principles...picking those that are doable and casting the others aside. The Good is exchanged for the goods of the world, forsaking the erosion while shirking the responsibility. Where has accountability gone ? Then we wonder why the sun has left and we are left with the storm...Why The Son, The Light has departed and we are left with the darkness of the storms of our iniquities..Why The Abundant Spiritual Harvest of The Holy Spirit is diminished while the material harvest continues to yield a fleshly return for living a carnal life...teaching that comfort is the ultimate reward! And why we should not be surprised that by living a life in the center of the darkness *does not earn us a seat* at The Table of The Lord, *does not earn us* Salvation or a seat assured in The Kingdom of Heaven!

If God does not desire or enable our iniquity and does not reward living a life lived outside His Instructions and Commands, then we must seriously ponder where the material reward comes from when it is not truly deserved according to our conduct. We are told not to be jealous of others...perhaps one reason for this is that their gain is ill gotten and compares not to the True Riches of Heaven bestowed by God unto His truly faithful followers. This would then beg the question...Who actually rewards darkness, evil and sin ?...why satan of course !...for those that unknowingly follow him in their false lives lived strangely too often meets with success...then man believes the material, carnal flesh success is the reward and seeks *it* rather than The Lord and His Kingdom first ! Remember that it is the wanton that crave adulterously that end up on the outside looking in at The Lord and His people before their final departure to their eternal place of unrest and misery!

What if when sinners pray to God because they *want* more of the wrong thing God actually Says to satan “give them what they want.” “The light has departed from them, May they reap what they have

sown...If they favor a false kingdom of flesh over My Kingdom, then let them be servants unto the false master they serve! “They prefer kingdoms and leaders of the flesh that they can see over Me, Their God, And My Kingdom ! “

Many organized religions are based on man’s alteration of the intent of The Word. Let us not call a man “ The Holy Father. ” Men that others run to for direction and answers as though God chose one person other than The Son Jesus Christ AS HEAD OF THE CHURCH! The best that we can be is Fatherly and the highest place should be the humblest, lowest place. Man’s ordained are not always of Father God’s Choosing, rather they choose their leaders themselves. Is this to say that man’s church cannot repent and redeem itself in The Sight of God to become A Church of Christ’s True Spiritual Body...of course it can...*but will it ?* When we see flocks in different pastures that are not all green and that are not all connected together then we see A Body separated. Man’s highly structured organizations that have and continue to believe that *they* can withhold The Truth “in the best interest of man ” or decide what is best to feed God’s children is taking a great liberty that does not lead the children back to their Father! These notions are lies, a misdirection and foster a false reality. These organizations serve *too often* the power and ego of man. There is but One Holy Father and He Is God. Man cannot be just or trusted to act in the best interest of mankind without being truly Led of The Holy Spirit...too often sinful behavior is justified In Christ claiming to Serve Him...Father God, Jesus And The Holy Spirit Are Not The Authors of confusion, sin and iniquity, Nor Do They condone it. Let each man, woman and child be Led of The Spirit And The Light of The Lampstand as to what is *truly* right and wrong. May we stop being enablers of iniquity while claiming ignorance. Ignorance is chosen and self inflicted while The Word of God is there for each of us to guide us in a New Life That Is Truly A Reflection Of It’s Author, His Spirit And His Son Jesus, Yah’shua. Only God can be trusted and truly Is Just. God Offers A Complete Freedom In Christ, In Yah’shua. Man guides man into acceptance of Christ while he has shackled man from The Full Freedom therein by not covering the ground of Wisdom that is the basis for informed choice in the knowledge of consequences. It

is not about religion, a code of ethics, nor a series of rituals. The True Gospel is so often drowned by an over sensitivity focused on sin consciousness and the wrong fear...thus the swimmer drowns in the sea of wayward confusion. Is it not about love, faith and trust In God ? Is it not about establishing a relationship with Him ? Where is the discipling, Where are the True Teachers that live The Life Promised, modeling The True Christ in all their ways I ask ? Man has become a creature of comfort in lieu of being of His Creation and living a life kept in The Comfort of The Comforter !

The selling of one's soul is indeed a most serious matter ! In who's hands have we left the most precious things ? We ought all ponder what we take for granted in exchange for how things really work according to The Kingdom of Heaven...including myself that must check in on a moment by moment and a daily basis!

We must keep ourselves and others that truly seek to follow The Lord in check, checking in with He That Is The True Authority Over His Word! He Is The Word Spoken And The Word That Is Heard in the deep place of our hearts. The Word That Can Be Written upon our hearts and dwell within our hearts but not without The Holy Spirit From Which It Comes...Amen!

We also cannot let pride of our knowledge blind us quickly into a worthless heap of head knowledge that fosters death and a decline into the recline of comfort!!!

That The
True Freedom Is In
Christ Jesus, In
Yah'shua
!

The ways of distraction and fear, the many false expectations appearing real and yet are not destroy the earth and God's children,

The Truth And Light

is abandoned, thus we become buried in the darkness of the void left !!!

The solution is simple, it lies outside the box. The box is the world and The Spirit is not containable, is free and ever expansive as The Lord God who created the universe with the eternal depth of it's content. The box is your mind... a trap, a prison. The only person that stands in your way is you...Why try to place a perfect thing of beauty into the darkness of containment? The Spirit of God is beyond our imagination and is a space immeasurable...such a Light cannot be restrained in the confines of man's world and reality. With the right knowledge and the proper guidance In Christ, In Yah'shua The Light will enter the confines of the separated cells of darkness we are trapped in...We then emerge into The True Light together becoming one as we individually become one with Our Creator through The Son...May The Light of The Son and His Lampstand shine upon you my brothers and sisters! May we be the children once lost forever found ! May The Rope of The Holy Spirit, Ruach Kadosh encircle us, taking us captive in The Freedom of The Son, The Father And His Spirit...Amen!

The intellect has a way of making your head spin. The intellect teaches you that *anything* can be true and thus A Firm Foundation Of Righteous Knowledge In Christ is blocked. God Is Simple. His Wisdom Is Simple. Our world complicates all things. We so often in history see that the truth today is replaced with *a new truth* tomorrow. The beauty of The Truth of God Is that It Is Timeless for He Is The Ancient of Days, The bush burns today seeking a listener as it did then! His Wisdom is in the form of Pearls of Wisdom that cannot be jaded or diminished. Be the pearl that is worn away and polished into a perfect luster...Become as the silver that is untarnished. Having faith that God has a plan and path for you In His Son is both vital and crucial.

Faith is a difficult concept in this world we live in. Have Faith in something you cannot see ? If you cannot see and have faith in the small things, then you cannot see that God is in the most minute of details. The listening observer that hears will know and feel the confirmation of The Spirit of The Lord that is all around us. Faith comes through seeing A Light Offered us in the shadows. Truth is obstructed and walled over by our experiences in life that send us into the box. We come into this world One with The pure Light of God's Spirit. This is where we must return to. As we venture back our flesh and mind feel pain...then many mixed signals enter in. The heart is in denial while the mind is given free reign that it does not easily give up...it's false sense of control refuses to make way for The Greater Will. Truth becomes twisted, something to be feared through the innumerable attacks on our faith...attacks come in many forms intending to weaken our Hope In Christ, In Yah'shua. The mind itself wants to continue being a self protective defense mechanism, thus blocking us from a deep reliance and a full measure of faith applied unto The Lord Our God. False paradoxes ensue...I want to change but my mind says no. Complexity replaces Simplicity. Perceived reality blinds us. The blind man's reality is falsely perceived. If turmoil, pain and sin are to be our consciousness, then it is no wonder that we run and hide within ! We can become ruled by guilt, fear and unworthiness manifesting in deep rooted lies, deception, defensiveness and selfishness. Look around you and listen. Be self aware hearing what you say and seeing what you do... Listen to *your* words ! If someone says something that you react to defensively, what part of that reaction have you looked at. Look at other's actions and words as a mirror reflecting a part of *yourself*. If everyone is mirroring and no one is aware of this Truth, is it any wonder that it is hard to connect with others, with oneself and most importantly with God Himself ? Realize that we project our great weakness, our deepest fears and our doubt towards God. We learn in the world that if we trust in others, open ourselves up vulnerably, that we become hurt in so many ways seen and unseen. If we expect from others then we are so often disappointed. We cannot project this toward God As He Is Loving, He Never Disappoints and Is A God in which we can have Great Expectations...Amen!

See how others act as a mirror upon which
your opinion of yourself is formed.

Be aware of your triggers
(Thoughts, emotions and desires)
and how they manifest in anger, rage, sadness
and many other emotions!

Our hearts become trapped in the bad weather
of our past as we are passed by and
as we pass by life empty.

We carry an umbrella of self protection to
protect us from more bad weather
for surely we expect
a storm!

The umbrella that we open and place over us
actually shields us from the rain of
blessings that fall from
heaven above
us.

Dark and lonely is the shade of our
deep despair and distrust!

Dark are the shades of the palette of the world
that paints darkness driving us into a
the corner with no apparent
or clear way
out.

The only way out of the corner is up!
The only way out is The Lord!

Odd how happiness can be measured by how
others respond to you, judge you !

When others paint their picture of you it
surely does not reflect the true
person the true picture
of who you
are.

If your life were a canvass, then there should be
one canvass that reflects one life lived.

Why is it that we can continue to live while
painting life in so many different
ways that would lead to
two distinct lives
framed
?

One painting that is painted for the public
is painted with the desired colors
that the critic would
accept

.
.
.

While there is another painting canvassed
that is only for private viewing
and not suitable for
other eyes!

It is the many dishonest painters that make for the
false gallery filled with deceptions
and the sins well hidden !

The emotions that hide in the dark and of darkness
are not pleasant colors when brushed
unto a canvass that is pure
and white in it's
beginning.

As a child is pure, perfect and of light
so should the canvass remain!

Yet defiled is the innocent child that finds
violation at every street corner and
within the home that is found
in the earthly realm.

Sweet is The Realm That Is Above the child
and all around the precious child just
like a mother's embrace !

May we In Christ become as living vivid
colors on His Canvas, shining
forth His Light!

You invite us to
Your Easel Of Eternal Life!!!
We arrive as a dim picture
and you can transform
us back into a thing
of great beauty!

Perfect is The Canvass of The Lord Creator.
Perfect Is The Brush of The Lord.

Perfect Is The

Now put a real mirror in
front of yourself !

Now take a look... *A Good Look!!!*

This is called honest introspection... looking deeply at
all of your triggers of fear, unworthiness, and all
other lies that reside within your heart...

**Sadly This Can Be A Sight
That Is Not So Pretty
For The Gazer!**

The eyes are indeed the gateway
to the heart and the soul !
I thank God that what He saw in my mirror was
not the same as the ugly child I saw!

Ever notice how difficult eye contact can be
when walking through the world,
few are the eyes that
smile !

This mirror also can show you all the manifestations of your
own will at work that is learned from the world,
guided by a desire to conform
to the world !

How do you see yourself ?
Does what you see
make you
happy
?

Feels like persecution and something to run from !
We do not have to look to the outside for the
persecution, the slander...just look
at what we do to ourselves
within our secret
lives lived!

Now you can clearly see your will, identify it and
take it captive To Christ And His Gospel.

It is your heart that reflects
who you truly are !

You are not what you
think, feel and
desire.

Be about what Father God
Desires For You !

Know that a life that is unlived can
be replaced by a new one...

A New Picture On
A New Canvass!

Remember That God Only Sees

The True Painting and all the strokes
of The Brush That Paints !

The Lord is not a critic,
He Is A Redeemer !

Yield your brush that paints dark pictures !
Give that old brush to The Lord !

He Is The Hope that when we look into
the mirror we will see a better image
than the one we measure short!

He Understands our weakness,
our fears and the many
things hidden!

Be aware of your triggers, witness them, set them
aside and listen to your heart... open
your hearts To The Lord and

Be fed of The Manna Of The Lord!!!

Be not denied your place
At The Table Of
The Lord !

Now that you are set aside, you can begin to see
deeper within yourself, your heart.

You can begin to see
and know

Truth In Your Heart

.

. .

Truth comes forth through a heart humbled,
a heart that desires The Light and
the heart bowed to

God

when you are willing,
will show you
who you
are
in

Him

!

When you can look in the mirror and see God in
you then you are in the right dimension...
the meek, poor and humbled with
a new appreciation for
what God has
made.

This begins a revelation of what truth and
unconditional love are...

That God's Unconditional Love
is for you and in you as you allow
Him To Enter your most
guarded place !

Only when you can truly love yourself unconditionally can
you begin to understand others and meet them with
the same **Love God Has** for you
and meets you with every
day of your life!

Of Good Things?

There will be a point where you want to give up. There has to be something more to my life than this! It takes a commitment to desiring Truth to begin to see through the darkness. It takes saying “Enough Is Enough ! “

As The Light of The Lord enters your heart, you *will* awaken. Tune in. A feeling of internal shredding comes forth. It is much like a coarse piece of sandpaper rubbing against your insides. The internal battle between our individual perceived reality and His Truth takes hold. In this time of great turmoil, confusion and pain a greater desire is born. This pure desire of your heart to break free opens a door to a new beginning. A birthing is taking place. Birth is painful and patience (longsuffering) is the essential. God Will Show Himself to you when you reach this point. God can present Himself in many ways. Once The Presence is recognized you will *never be the same*. Once you depart from the old path you know you would be insane to want to return to it. This is the time of lessons. A time to walk forth in a New Light, to live a New Life. You have A New Father Who has been there the whole time. He Will Love you, Never Abandon you, but do expect Him to Discipline you. Come to know His Rod and Staff as your comfort for God Rebukes And Brings The Rod of Correction to those He Loves...Amen! We are children of The Father... sons and daughters living as brothers and sisters In Christ, Of One Family. Love God, Love Jesus, Love your brothers and sisters. It is critical that we begin to discern between what is a message (Spirit-God) and a thought (mind-flesh) at this

point and on an ongoing basis...this is known as discernment... Discernment comes Through The Holy Spirit Who's Eyes see deeper to reveal the things that the eyes of the flesh cannot see... the flesh merely sees the surface of things and not what is truly lurking underneath...that which comes from the underneath. Evil is indeed a real presence and all around us...But The Lord's Light is to be your armor ! There is no silver lining in the earth there is only the satin lining of a casket waiting your arrival. The True Cloth is the white linen of a wedding gown cleansed and purified By The Blood of Christ, The Blood Shed That Is Spiritual. What was once the blood of sacrifice and of animals brushed upon the door entrance to protect is now The Spiritual Blood of The Son...As It Was foreshadowed in The Old Testament and completed In Christ in The New Testament! Now The Fill Completion In Christ, In Yah'shua is at hand In This Revelation Age and into The Everlasting Age
Of The Kingdom That Cometh...
Amen, Amen and Amen!

Develop your hearing---Listening through the heart.
It requires that we say " Mind be still. " in order to know
the " Be still and know that I Am God " as a new living reality.

Settle for nothing less and the less
shall become *nothing*!

The fire of the world is false and false are the ashes
disguised as a false fire that consumes when
the consumed is the false fire...Amen!

The mind is filled with battles and many storms...If there is a mountain of rubble in your way then may the faith of your mustard seed move that mountain. Be not as debris by the side of the road... be the whole that walks in the center of the thoroughfare. Be not the fish that lies upon the shore gasping for air...be the good catch in The Net of The Fisherman Of Souls...and be not the drowning man next to the boat that travels in the center of the stream...be the passenger in The Boat of Salvation With The Lord At The Helm...Amen !

It is about faith being put into *Action !!!*

True Faith is not a noun it is an action verb.

It is about learning to listen to The Word of God which comes in the form of your own words, words of others and direct words to you from God. You must also begin to open yourself to The Lord to be led on your path In Christ, In Yah'shua. Once you have seen this His Direction for you and have learned the lessons from The Rabbi, The Teacher you can truly begin to move more freely. You are already free In Christ before He Meets you...But it Is He That Leads you into the *full* measure. I say do fall not short of the mark...Go the *whole* distance...run the *whole* race...Amen! . We are all granted a measure of faith sufficient if raised up to the challenges we face and the work given us of The Lord. The faith in committing to remain and to live truly for The Lord, being in the moment every moment of His Eternal Presence will guide you in your ways through your purpose revealed. Our common purpose is to raise The Lord above ourselves and to know that His Will Be Done comes through our bowing, yielding, obeying and thus the serving of His True And Heard Will. His Will Is in the details, revealed to each of us called personally that then come together as a Body In And of Jesus Christ, of Yah'shua. Taking time to be present, detached from the flesh past and the false flesh expectations of the future yields hope. Hope is to be found *Now* In Christ...The Highest Candle of The Lampstand, The Center Candle of The Lampstand Is Of The Servant of All Who Is The Lighter of our candles as His servant's candle that burns with A Flame that cannot be blown out...He Who Lights the candle lights up the whole of the heart...Amen! May The Light That Lights Reside with you in your heart...may *your* hearts be as One, may *our* hearts be as One...Amen! The heart gathered is the heart found. The most highly rewarding time is that which you spend alone with God. In your journey for The Lord is a purpose greater than yourself. Do not own your purpose, It Is God's Purpose for you. Do not run ahead of God by not listening. Be Still and Hear I say ! Take time to ponder what is wise for choices are many and the choice is each step along His Path or into the broad one. You will know what The Lord Your God Wants of you through your heart...what to do and

how...and equally important what *not to do* ! The partial doer is not the complete doer of The Will of God ! It is not for us to know when and where trusting in God Who Knows His Will... to move you when the time is right. Too often we see believers blindly running all over the place trying to do good while leaving the distaste of error in their wake. Be ye exact to The Scriptures in your ways that say prepare not for The Holy Spirit already Knows what to do and what to say!

This is to lead a *Holy Spirit Led Life!!!*

You must listen. See how the world changes around you when you listen. Notice how others change around you. Do not expect all others to embrace the change within you. Expectations will disappoint you seeking to drive you back towards the place you came from...relentless is the devil seeking to devour whom he may as the unknowing pray falls prey to the predator that lurks in the shadows...relentless is he in his pursuit and pursuits...

Darkness and temptation are there to distract us...to divide us from Our Lord and God. See your old patterns for what they are and have faith that The Light of His Truth And Love will keep you free from the slavery around you. Above all be patient as deliverance is not just a matter of words spoken, but a life changed and a new life born and walked out! The length of our valley of death knows only The Lord Our God Who Delivers us a full distance...Amen!

You will be surprised with how many others in the world feel as you do. You never were, are not now nor in the future will you ever be alone. He Has Always Been, Is and Forevermore Will Be with you. ...Be ye set apart and be For Him ! Recognize the great needs for your love all around you. If you are afraid, ask God for help. If you are weak, ask God for His Strength in your weakness. Remember that it is our admitted weakness and need for Him that is His Strength...Enter the place where you will find His Strength That Is Greater than the whole of your fears and weakness. Let not doubt creep in through the door of your faith left open but a crack...

remember that if you give satan an inch he will take a mile...if you give him a mile he *may* take the whole road out from under you.

Remain steadfast in your faith and decide that which *may* enter your dwelling and that which *may not* ! If you are out of control, ask God for *His Control* over your life. Pray “less of me and More Of You” every day in order that *His Will Be Done*! See Father God as proactive and not as merely reactive in your times of desperation.

Desperation clouds the heart and the hearing. Act not out of desperation for transgression is but a footstep away ! Misdirection and wrong doors open quickly to the desperate ones !

Trust is the clear sky within which a spirit can soar. You have the power through your belief and faith to change anything Through Christ and In Christ. It does not matter if you have a speck of faith or a mountain of faith. Even when you feel no faith you will not be denied...He Will Not Deny those that deny Him not. There is a key to this kind of faith...giving your measure to The Lord to perfect it. Faith is only perfected when given in full measure to The Giver thereof...He That Is The Perfecter of our faith !!!

The Lord Our God

Will Help You if you are ready and yielding!

Our Truth In Common is found
In Christ, In Yah'shua
 And will prevail!!!

It is a Light that cannot
 be extinguished nor destroyed...

**The Light Of The
 Lampstand Is Eternal!**

Realize that you stand alone only as long as you deny Him, His Light
 And The Truth of His Gospel. It is your journey and our journey
 together with Christ, with Yah'shua (Father God's Salvation) that
 will take us the distance. Life presents us with challenges...Embrace
 it all, embrace one another and be ye embraced By Our Lord !

There are promises and rewards In Christ
 for those that seek to live *A New Life In Him!*

To create a True United Nations in the earth it will take awareness
 of the Spiritual Awakening taking place Now. Feel the acceleration
 taking place NOW. Unity In His Truth will move the masses to
 affect a true change in the leadership of nations through the bowing
 all wills from the bottom to the top To The Holy God of Israel !!!!
 Many suffer a loss of identification with the leaders of their nations
 because of their witness of the evil and self serving ways. Blindness
 would have us believe that we have no control over government.
 The ignorance, complacency, and acceptance of what is wrong in
 government leads to social decay, tainted morality and a people
 dependent upon government to take care of them. Herein lies the
 weakness that lulls us to sleep. Generations have been taught that I
 have to compete, I have to fend for myself. Materialist and kapitalist

values breed false realities. True Wisdom sees this, does not sit still and acts first to divorce oneself *from it*, seeking In Christ to be freed of the shackles, the bondage. Vested interests with self-serving motives deny positive change. Money rules...the more money you have the freer you are. In reality this represents a deep hole, leaving us with nothingness, devoid of peace, love, compassion and grace. Drivers include greed, hatred, “win at any cost”, control and fear. Drivers are rewarded by material or ego gains (power)...thus many are lost and do not even recognize what has taken place or is happening. Before you know it you have bowed fully and surrendered to the wrong power. Appreciation, gratitude and a new Lord and Kingdom Consciousness can be quickly lost in the fray of the wedding gown offered...she that becomes a bride of the world is the she and he that sleep in the same bed as Jezebel !

We believe and know that Perfect Government can only come by way of The Lord Who Is Above all governments and lands. There is but One Leader and He is with and for us...He can be in every one of us. If we evict the rulership of the world from the throne within our hearts, there is then a place for The King of Kings and The Lord of Lords To Take His Throne ! In so we become Ruled from within and Above...Amen! He Who Is In All Things Controls All Things. He Is The Structure, The House Built That Is Greater than those built of mere sticks and stones. The Kingdom can be within every one of us and is surely all around us. We have been blind, but the veil is being lifted. Remember that blindness and insufficiency can only be lifted by The Hand And The Spirit of The Lord Our God!

There will be Unity Under Perfect Government In Christ, In The Light of His Supremacy in the time to come that is near. All that does not bow to The True Sovereign King will bow or it will fall to the ground and wither away!

There will be a great gathering of God’s children, of His people. The four corners of the world will be joined together. The individual nations must heal within while uniting In Christ and welcoming all to the joy and celebration to come Under His Rule. But first there will be a great trembling in the earth As It Is Written ! Faith,

Steadfastness and Perseverance will be tested ! No one has earned a free pass...We are to pass through the darkness, the valley being Led Of The Lord Our God into The New Beginning...Amen !

True Equality and Freedom *Will Come...*

It is already here just beneath the surface...*Look And Listen !*

There will be Nations Under God, Indivisible With True Liberty (True Freedom) and A Justice *That Is For All* but it will not be as these false nations we now find in the earth, the false ones who serve no one but themselves !

There is A Greater Will And *It Will Be Done !!!*

*Man's way has surely failed over and over,
again and again and again...*

It is now time to surrender To God!

**He Alone Has The Power
And All Dominion And
The Love!**

To Him Be All Glory...Amen!

Praise and Thank God for all that
He Has Done And All That *He Will Do!*

We anxiously await the witness of
The Lord Who Has Said
Watch What I Do!

God Is Showing Many His Truth
by opening their eyes.

There is an awakening, hearts hungry to grow and
a deep spirit felt desire to aspire toward
the new path that is to be as
“ a New way to
a New world. ”

The Time Is
Now
!

There must new leadership that stands In The Truth of The Gospel and will uphold it by example, that will be accountable To Jesus, to Yah'shua. Truth will be attacked at every level ---personal, business, social, religious and from every angle conceivable as satan does not wish to let go of his strangle hold and his false dominion. These *Are matters of dominion* and The Lord Has Total And Absolute Dominion over His people that struggle to reject and renounce their falling under a false dominion, subjects of a kingdom that is of darkness.

The solution is so simple yet The Light of Truth will be hailed as evil. Battle is inherent, but the battles are for Christ, for Yah'shua and are won before they begin and fought In Spirit before the victories arrive in the earth ! Persecution for doing what is right in God's Sight is unavoidable whether it comes directly, indirectly, physically, verbally spiritually individually and even collectively...Believe me I have seen every conceivable form...but the devil is a lion seeking to devour, cunning and most clever in his ways. But the follower of The Lord is not clever but is wise in his ways led! I am completely reliant upon His Spirit to steer me clear of danger and He Does let me know if trouble is lurking from behind a tree...And If I am to take a stand against my accusers *He Picks when and where !!!*

True following of The Lord is not a religion. Religion is how we practice what we believe. The many practices are not One while claiming otherwise. We are to be about exposing iniquity and sin...standing for The Truth In Christ And Of His Kingdom !!! We are not to bow to falsely justified lies perceived as an enticement or entitlement to differing truths While One Truth Exists And One God Exists !!!...The ways of the world are both irrational and insane at best. The Truth of The Word and Of God changes the bondage of paradigms and destroys the many paradoxes. *No one will be spared The Truth !!!!*

The Guidance of

**The One True And
Faithful Shepherd!**

A shift from man's law to
God's Law will happen very soon!

And The Law That Is Above
All Laws Will Prevail...

Love!

Justice, Legalism and man's law This Is My View From Above...

The legal profession makes a business out of man's folly.
Justice is not blind, *man is blind to justice.*

You, as the pharisees do, the hypocrites do, practice making
laws that exalt yourselves, laws that serve you, the few.
Where are the advocates of My True Justice?

Where are those that honor The True, The Only Judge?

I Am The Judge you will face!

My Judgement cannot be avoided,
delayed or postponed.

Where are those who will stand and say
ENOUGH IS ENOUGH ?

Where are they that stand for
The Laws of Our God?

I ask you Lord

I Your Lord Say...

They are coming!

My children's rights are sold for a profit.

The rich get richer at the expense of My children.
Their power and rights are ripped away by you.

Those that sit and watch saying nothing *are no better* !

Justice is bought, man's justice is sold to the highest bidder.
A business is made out of bearing false witness to lies....
Manipulation and the weaving of a fabric filled
with the dark threads of lies, deception.

There are opportunists lying in wait to pounce for the
most gold they can cheat and extort from others.

You frivolously sue each other for your own selfish gains,
christians and non-christians alike stand at the gate
ready to claim that which is not there's.

Horders and mongers, *all of you alike!*

I Speak only to those of you that rob.

There is no fairness, no balance and most certainly
no shame in the hearts of those who devour,
those who mutilate, ravage and pillage,
those who mutilate My children.

I Ask...Whom you serve by *serving yourself* ?

Is the price righteous to inflict on the weak.
Is the wealth of any lasting value?

If You believe it is lasting, why are you
never satisfied, desiring more
and more and more ?

What on earth are you purchasing, receiving?
What are you to receive *From Me* ?

I Say there are greater treasures in heaven
that you cannot buy or afford with
the little wealth I see in you!

Please know My righteous ones that you
cannot sit at this table any longer,
you must depart and you
must be set apart!

Remember that those who know of iniquity, doing
nothing to affect a positive gain With Me.
You must seek Me that you bear
not the iniquity of others.

Run to Me My children!

The time is coming and is here, Time for the Lord to
take inventory of the motives of *your* heart.
Time for the Lord to assess the goods,
the wealth in your storehouse.

Time to calculate the costs of your wickedness.
It is time to receive your just reward
**From He That Sits Above,
He That Sees All
Things!**

Do you believe that these things shall stand?
 Do you understand what you are actually
 purchasing *From Me And Our Father*
In Heaven with your actions?

Do you believe that there is a reward for you?
 I Say you already have your just reward.

I Will Come as a thief in the night and
 reclaim that which is

**Mine To Take, Mine
 To Give!**

Watch As I Take that which you
 amass in your wickedness.

Know that you can hide nothing From Me.

I will leave you standing in your
 nakedness *Before Me!*

You will stand in the square alone with
 your nothingness as a witness
 to others of that which
Pleases Me Not!

I See, I Know All Things...
 Watch As I Give To My people set apart That Know
 Me, Know My Will And Uphold My Laws And
that make deposits Into My Storehouse!

I Am The One Who Judges.
My Judgment Is Fair, True And Swift !
In My court you cannot bear false witness.
In My court you cannot defend your
wickedness, nor that of
others falsely.

There is but One Advocate.
There is but One Judge!
I Am In Heaven And
I Reside Above.

I Know The Truth For
I Am The Light
Of Truth!

I Am Your Lord.
Your God!

As Judge And Advocate I Will Hear
 true repentance and confession
 from the heart broken
 by it's conduct!

I Sit At The Seat Of Mercy!

I Am The True Source Of Forgiveness
 That Is Everlasting.

I Am The Advocate Of Life.
 I Am The Advocate Of
 A Life Lived Holy!

I Will Hear And I Will Grant
 New Beginnings.

When I forgive, your record is wiped clean.
 Remember, there are no appeals in My Court...
My Judgement Is Final!!!

Those that are not set apart, I Will Set Apart
 with a sentence That Is Eternal That Is
 Either With Me Or *Far Away*
From Me !!!

You will be on the inside looking out
 or you will be *on the outside*
looking in I Say!

My Desire is that you repent and
Receive My Mercy.

There is no pleading or bargaining to be had

In My Court That Is Righteous!

But Know This... *I Will Punish !!!*

Just Is The Recompense,
Just Is The Reward!

My Reconciliation Is There
for those who come honestly
Before Me !

Let those with No Fear Of Me
be under My Gavel that
will now fall!

Know that the severity of My Sentence
is befitting to the crime where
crimes cannot be
redefined!

Who Peers Into**

as a deceiver and a liar as you
