

The Light Of Truth

The narrow path...

It is time to wake up from the slumber of your
assumptions and misinterpretation
and false teachings of
the Word of
God.

It is now time to look into the mirror.
It is time to see ourselves from a
very different angle, from
His Perspective.

It is time to understand what is
Holy and Sacred and
that which is
not.

It is time to assess what is so dearly at risk by
Not knowing the simplest of things,
Not living as a candle lit,
Not seeing is
is to not discern what is truly good
and what is evil is a dark
path where peril
awaits us !

Many perish and are destroyed as a result
of not knowing The Truth,

The One Truth !

The path that is narrow is blurred
and obscured through
improper adaptation of Sacred Scriptures
to fit a society where comfort and
the quest for prosperity
reigns supreme !

It is not only crucial, but Imperative
that you see and hear *By The Spirit!*
Be willing to see what you otherwise
choose not to see or are
unable to see !

The Scriptures Illuminate this quite
often when it is written:

“ For those with ears to hear and
Hear what The Spirit is saying to you ! “

It is so very sad that such a simple thing is
illusiv e when not taught by men

Of Light And Of Spirit !

It is why so many can read The Scriptures but do not
understand them, nor are able to apply them.

It is the reason for the confusion
that forces us to choose
from earthly, worldly
interpretation rather
than gaining

Heavenly Insight !

The **Scriptures** are a mirror of wisdom that
too often is deemed unachievable
or too hard to live out

.

.

.

This is the flesh that lies and deceives
and undermines the hearts of
men, women and
children.

The flesh is not skin and bones;
Skin, bones and the body came from dust!
It is but the vehicle that houses and carries the soul!
The flesh is our desires, our wanting comfort, our choices
that align not with **Good** or **The Wisdom of The Kingdom**;
Rather aligning itself with the carnal, feel good
syndrome that is fostered by satan
and flavored up for our
mass consumption
...surely a meal of death
And Not a meal unto *Life Eternal...Amen!*

It is why so many run around crazily saying they serve God
while following their flesh that affirms itself
by feeling good about
itself

a

n

d

.

.

.

NOT SERVING

GOD'S

GOOD AND PLEASING

WILL

!

It is also why interpretations and manipulations run rampant in
the world as the flesh attempts to make sense
out of that which is *Spiritual* !

It is well exemplified in a president of a nation that is
calling himself a “*Christ*” ian while ordering
his armies forward to attack, to kill
maiming *God's* children

When Jesus Said

Otherwise !

Then proclaiming the righteousness
of the deed to be following

Father God's

Most Holy Will And Instructions ?

I ask you...where does the hypocrisy begin
and **When will it End!**

Let us not stand around allowing sin to be perpetrated
in plain sight while choosing to ignore it;
to do and say Nothing?

Remember

·
·
·

That which is **Light** for Spirit man
is utter nonsense to the flesh and that which is
the false light of the flesh is death to
The Spirit !

To live a new life you must Want A New Life!

To Live A New Life In Christ

As It Is Written you must stop trading
the possibility for a mere
pound of flesh
comfort
!

Amen!
