

## The Sacred Gift

Music is a Sacred Gift given us from God!

Music is a Spiritual Gift that is to be respected!

Music is for the sole purposes of

Spiritual

Reverence, Praise, Worship, Glorification, Edification, Dance, Celebration

Revelation, Battle

and is to be

guided

only

Ьу

The Holy Spirit

Of God!

It
Is The
Greatest Gift of

God's Love!

It is there for us to draw closer

to

God!

Yet in this day we find that The Gift has been traded in for worldly gain, for self glorification and to satisfy greed and lust!

It is not to gather euphorically in the flesh.

It is not for personal glorification.

It is not for personal gain.

It is not a tool for

the flesh.

Worldly kingdoms filled with businesses and musicians that love the darkness more than the Light caring not that they contaminate the air we breath, polluting the ear gates with airwaves filled with with filth and the most despicable of Noise that serves no good or useful purpose whatsoever!

The Sacred Gift has been sold into the slavery of lies and foolishness that is

An Abomination In God's Most Holy Sight!

It is not to be sold as flesh in the meat markets of the world ...Amen !
