Prelude

I would like to address the concerns that readers may encounter when reading this work:

To those that believe not...
read this work with an open mind and
allow your heart to decide at the
end of the day of your
having read
this.

To the battered and abused believer...
Let not your bad experiences in the church or
outside the church regarding God
discourage you about
God Himself!

Man's errors currently and historically
should not cast a dark light in
your hearts regarding
The Lord!

Fearful becomes the innocent child
violated and the violation
comes in many
forms !

Let not darkness of your past or present
enter into your desire to know

God Himself
for yourself !

Untrusting becomes the child forelorn,
lead astray by men that live
not the life that is
asked of
us
!

To those left vulnerable and deserted
to wander sadly back into
the wilderness...

To those afraid to come back out...
To those that are looking to
come out for the
first time

Both searching for
a little love

Trust and be vulnerable
just one more time
to reach up
and to

cry

And

He Will Hear

You

!

He Will Answer And

He Will Move

on your behalf to bring you
out of the wilderness

Into His

Loving Light,

Into His

Put your hope and your

**As There Is
A Truly Loving God
There That Is
A Friend !**

There is still a way despite the insanity
of man and the world that seeks
to serve only itself and
not the needs of
the many

·
man hates the sinner
and loves his
sin

·
·
·

God Loves The Sinner
but despises the sin!

He Has Shed Many Tears
for you, me and for
everyone !

man believing he knows the hearts of fellow man
falsely accuses, judges and sentences while
overlooking his own transgressions
against his fellow man and
against God Himself!

.
.
God Judges With Righteousness

while man casts stones at others
who sin as he sins

.
God cannot be fooled as man
fools himself and his
brothers and
sisters!

In His Court There Is
Truly Nothing

But

**The
Truth**

!

To those who's passion, desires and trust have been
violated by conventional religion and the
world church that do not follow

The Word Of God:

Know that many of you see what I see while
afraid to question or challenge
the established.

Many remain in the wrong places to
become more and more
disenchanted.

Being surrounded by hypocrisy and the ongoing double
mindedness surely does not make for a true place
of comfort or a place to rest one's head !

With so many denominations and differences
about God, about Salvation, about sin,
about judgement and so many
other things it is so
very difficult
yet God

**Forever Remains God!
There Is One Word Of God And
There Is One Truth!**

Do not believe everyone who either acts as
or says that they are the sole authorities
or the sole representatives of God!

REMEMBER
God Represents Himself Perfectly...

To know God is to know who does
does serve Him and those
who *do not !*

And for those who know not The True God
be not confused by the examples
that do not exemplify
The One True
God!

So many things being done in

The Name of God

that are wrong, dark
and evil!

It is not right or fair to God to be judged by the witness of
the actions of man who has *foresaken God* !

There Is One
Solely Responsible
for souls and
It Is Jesus Christ,
It Is Yah'shua!

I came to The Lord outside of any institution or religion, outside of the world church while having observed practices and behaviors in these places throughout my life...I was an unbeliever finding no solace in the established regimes of the world where there was so little agreement about this One God they all profess to believe in and follow. The evidence of the great divides were too great for me to find God according to others...So He found me !

In this way I was un-indoctrinated and not turned off about God because I really knew nothing about Him...Therefore I was open and willing when the time came...the time I was dead inside and yet alive ! I certainly had no clue and could not image knowing Him as he was so illusive in the hearts of those who said they believe. I was many things...too intellectual, too driven and found wanting in way too many areas of my life...no matter how much I chased my dreams, my aspirations, my desire for live, my desire for perfection and the perfect world I ended up empty handed at the end of the long day that was my 40 year life. A true believer, a true servant of The Lord that was a loving friend came to me after many years lead of God...She exemplified a peace and a strenght that was so lacking in me, so through her God knocked upon my door when my life was a living hell and I have spent 8 years with The Lord.

This work is a collection of my walk and journey along with The Riches I have found. I share with you of My God, His Goodness And His Compassion towards me, you and everyone. It is my desire to share The Light that I have found and that I now reside in! My intention is to encourage you to look toward a higher place and enter into a brighter light than exists in this world of ours that is darkening so quickly...slipping away and being pulled apart at the seams ! As the cloth of the world is unravelling so to are the hearts of the innocent, their tapestry quitely being torn apart from within! Perhaps our worlds and lives must unravel enough for us to seek to find a new tapestry where we can be weaved in with love, with the promise of being loved now and forevermore no matter where we come from, where we stand or where we are headed! God will meet you where you stand just like He met me...in the wreckage I had become !

It is man that has blurred The Message into the obscurity of his flesh...casting
aside The GOOD NEWS of Hope And Salvation

In The Son OUR MESSIAH...

for the darkness and seclusion to be found
in his false comforts !

Of Thee I Will Make

May we be the people

One Light One People One Menorah

Unity In Christ That Always Was, Is
And Forevermore Shall Be...

The Lord Said That He Was There Before The Beginning.
Thus He Was There Throughout the history of man!

The Alpha And Omega
The Beginning Of All Beginnings.
The New Beginning of all that ends.

He who believes he knows enough knows little!

He who teaches who is not guided by
The Spirit of The Lord
teaches from the outskirts and fringe
under the veil of insufficiency,
ministering to no avail.

Be ye encouraged in the hope that is to
be found **In Christ Jesus!**

In Him Is Our New Beginning.

In Him Is Full Completion.

**He Is The Light And
The Candle Lit!**

The Servant Of All...

The High Priest!

Amen!

Ancient Is The Map

Yet The Direction Remains The Same...

It Is The Way of The Narrow Path that Moses and Abraham followed...**The Holy And Sacred Ways Of The Lord!**

They walked upon The Path That Is Truly The Same
Yesterday, Today And Now As We Walk Forth
Into The Forevermore...Amen !!!

With No Fear They Brought Forth The Good News!

With No Fear they upheld The Lord Their God.

With No Fear They Challenged The Kings
and false rulers of the world!

WE LOOK TO FATHER GOD'S RECONCILIATION
OF ALL THAT IS NOT RIGHT WITHIN
US, WITHIN OUR WORLD
AND BETWEEN
US AND
HIM
!

ATONEMENT, LAMENTATION AND
A TRUE REVERENCE MUST
EMERGE FROM
WITHIN
US
!

WE LOOK TO THE SON
CHRIST JESUS, YAH'SHUA
AS OUR WAY
HOME!

KNOW THIS:
TO TAKE BACK CONTROL
YOU MUST RELIQUISH

I would like to conclude with
The Prayer That Jesus, Yah'shua
Asked that we pray:

Our Father Who Art In Heaven
Hallowed Be Thy Name!

Thy Kingdom Come
Thy Will Be Done on earth
As It Is In Heaven

Give us this day

Our Daily Bread

Forgive us our debts as

we forgive our
debtors!

and

Lead us not into
temptation

but

deliver us from
the evil

For

Thine Is

The Kingdom,
