

The Progressive Approach of
The Well Is Deep!

What you see in this website is our initial opening of The Well !

It is indeed deep filled with many things that we are
instructed to share with you

By The Lord Our God!

As I was seeking The Lord and pouring hundreds of hours into
the work of selection, design and assembly He reminded
me frequently of several things that He Wanted...

They were:

That this is an Invitation to
His Spiritual Well That Is Deep!

We in and of ourselves are not the well,
nor can we deliver unto Life !

That we are making an introduction
To The Ways Holy and Sacred
That have been foresaken !

That we ReIntroduce God's children
To Him In The True Light

That we have come to know Him
With Reverence and
Love
!

That we break down the false or insufficient teachings
that have led God's children into division
from one another rather
than a true

Unity In Christ !

To break down the barriers between
The Jews and Gentiles !

To break down the barriers within each group
of believers that erodes faith !

To be honest and transparent as Paul was !

To balance the difficult

Light of Truth

with

Encouragement and Hope

In Christ!

That the site be
Simple !

That it follow the order
The Lord's Will!

That the content be
guided only

By Him!

To support The Books
and allow The Books over time
to do their work !

To be sober and vigilant in seeking
His Precise Will
in all things !

In the process of this work I designed and
established over 80 pages !

I have an extensive library of Spirit Led Literary, Music and
Visual Art Works that I have been building
for eight years !

There are at 11 more books that I will release.
There are 700 plus music recordings
and hundreds of pieces
of art !

There is more than enough to bring into
The Well That Is Deep
and I continually build the
library day by day !

Yet the library granted me is but a grain
of sand in the vast reaches of

**Heaven, His Spirit and
His Kingdom!**

I will continue to seek His Kingdom
for my hunger and thirst
are insatiable !

In seeking His Will He said that pages will be released over time
and in a given order and the proper progression !

Thus I have said the site is progressive...

He Will

guide you through it if you are
willing to stay the path!

His Holy Spirit

will move you if you are willing to
trust and not be afraid !

The site only progresses further according to *His Will!*

The Lord said to me that I can only do the work
and make this offering...the rest

Is The Work Of His Spirit Ruach Kadosh!

I am to Watch What He Does,
To Be A Witness!

I can only point to Him,
I can only offer The Meal and The Drink !
I can only believe and set a good,
honest example for others !

The rest is
**Between God's children and
God Himself...Amen!**

Amen Lord,
Amen !
